MERRY CHRISTMAS TO ALL

Glad Time News at

GEO. J. LABAR'S

To offer our customers the best goods at the least money is what we aim at. This season of good cheer, the most sacred to all christian peoples, we have an abundance to please the most exacting or the poorest customer. None need go without a remembrance for the loved ones. We advertise facts only and aim to represent honestly just what we say in the Press.

In addition to this line of goods, represented by these illustrations, we want to call the attention of the public to the cuts of Sideboards, Dressers and Bed Room Suites. Here is where we wish to give our customers the benefit of our recent purchase. On Monday we purchased all the finished Sideboards, Dressers and Suites from the Mankey Furniture Company, comprising about 300 complete sets. These first-class goods we purchased at less than the cost of manufacture and propose giving our patrons an opportunity of purchasing these same goods at LESS THAN FIRST COST OF MANUFACTURE. We must close them out quick, for we have two large store houses packed full of these goods, all ready for shipment. This is a chance seldom, if ever, offered to the people. As long as they last they go BELOW COST OF MANUFACTURE. They are the best goods. To see them will cause astonishment.
