EDITORIAL OPINION.

The "grand rally" of the leading Democrats around Tammany and McClellan in New York on Monday evening seems to have been for the purpose of carrying New York for their candidate.

General Reyes, the Colombian minister at Washington, is piping his protest more feebly. He still remonstrates, but he says that Columbia can save her wounded honor with greenbacks; that if she cannot have Panama as part of her territory, she ought to be paid damages for the injury inflicted and submits the case to the arbitration of the Hague court.

The mileage scandal, in which both parties are equally involved, comes up again in a humiliating shape. The regular session of Congress followed the extra session so closely that there was but a few minutes intermission, yet the members with few exceptions, drew the entire mileage of twenty cents a mile for journeys that were never made.

Pianos.

Notes From Howardville.

Miss Jennie Robinson of Fifth street is having a run of fever.

On Saturday, Mr. Mike Leary was obliged to go home, being sick with the grippe.

Last week the filing crew was short handed, owing to the sickness of both Mr. Dalrymple and Joe Boutain—each trying to beat the other having the grippe.

Leon Mason is home from up in "York State," where he was gowing ginseng. Says the snow got four feet deep on the beds, so he thought he better wait until Spring to finish the growing.

Saturday night there was a very good demand for coal, wood and kerosene oil, especially the latter. This was one of the nights when the little oil heaters showed up in pretty fair shape.

The new mill operated through the cold weather, without a hitch, not even a pipe burst. Under the management of Mr. Gregory the mill is doing fine. He is the right man in the right place. The foreman, Mr. Carpenter has a very sore thumb, caused by cutting quite a slice off the end and one side. He is working with it, happy as ever.

P., we listened to several eloquent addresses by members of Camp No. 88, responded to by members of Camp No. 136, after which the meeting adjourned to partake of a popular bean bake of which Camp No. 136 is so well known.

SWEET FERN.

The Burglar, Tuesday, Jan. 19.

The third act of the play is the dramatization of Mrs. Francis Hodgeson Burnett's story of "Editha's Burglar," which was in vogue about the same time with "Little Lord Fauntleroy" and has for its centre of interest a precocious and quaint little girl, as the other has a quaint little boy. The play is full of dramatic situations, with enough humorous by-play to relieve the tension, and it grows in interest from start to finish, although it is simple in its plot and in its business. Prices 25, 35, 50 and 75.

Saved From Terrible Death.

The family of Mrs. M. L. Bobbitt, of Bargerton, Tenn., saw her dying and were powerless to save her. The most skillful physicians and every remedy used, failed, while consumption was slowly but surely taking her life. It's the most certain cure in the world for all throat and lung troubles. Guarantee Bottles 50c and \$1.00. Trial Bottles Free at L. Taggart's Drug Store.

A Very Close Call.

"I stuck to my engine although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. A Prisoner In Her Own House.

Mrs. W. H. Layha, of 1001 Agnes Ave., Kansas City, Mo., has for several years been troubled with severe hoarseness and at times a hard cough, which she says, "Would keep me in doors for days. I was prescribed for by physicians with no noticeable results. A friend gave me part of a bottle of Chamberlain's Cough Remedy with instructions to closely follow the directions and I wish to state that after the first day I could notice a decided change for the better, and at this time after using it for two weeks, have no hesitation in saying I realize that I am entirely cured." This remedy is for sale by L. Taggart.
