SNOW BALL. First Fork.

Editor Press:—The heavy rains caused the ice to go out of the creek but no damage was done along here. It took the supports from under the bridge at Lorschbough and left it hanging in the air. It has played that game before. No mail left this office Friday as the ice between here and Wharton rendered the B. & S. impassable. It has stopped the log train for a few days, but we shall probably have lots of winter yet, between this and the first of June.
