Millionaires' Poor Stomach.

The worn-out stomach of the over fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dys pepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire un less they avail themselves of a stand ard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorate for weak run down woman. No other medicine can take its place in our family." Try them.
