REPUBLICAN PARTY CONVENTION.

TO THE REPUBLICAN ELECTORS OF PENNSYLVANIA: I am directed by the Republican State Committee to announce that the Republicans of Pennsylvania, by their duly chosen representatives, will meet in convention at the Opera House in the city of Harrisburg, on Wednesday, April 6, 1904, at ten thirty o'clock a. m., for the purpose of nominating candidates for the following offices, to-wit:

EDITORIAL INTENTION.

Mr. Cleveland favors Olney, and Mr. Olney favors Cleveland. You first, my dear Gaston! It is considered improbable in Washington that any new states will be made this year.

Senator Mitchell of Oregon has the right of way to the chairmanship of the Senate Committee on the Panama canal. But Senator Spooner may be assigned to it.

A carload of flowers was sent from Washington to Cleveland, O., for the Hanna funeral. It took three great vans to remove them from the train to the church.

John Sharp Williams, Democratic leader of the House at Washington, is trying to devise a muzzle for his garrulous partisans.

The Virginia Legislature has voted to allow women criminally assaulted to give their testimony in private. As this disposes of one of the pretended excuses for lynching let us hope that Virginia criminals will hereafter be punished according to law.

Indiana is ambitious to furnish all the Vice Presidents that are needed. The Republican friends of Fairbanks declare that his is the name to conjure with and the Democrats have cast Mr. Miers to sustain the role of Barkis.

WANTED: 50 MEN AND WOMEN.

L. Taggart the enterprising druggist, is advertising to-day for fifty men and women to take advantage of the special half-price offer he is making on Dr. Howard's celebrated specific for the cure of constipation and dyspepsia, and get a fifty cent package at half-price 25 cents.

So positive is he of the remarkable power of this specific to cure those diseases as well as sick headaches and liver troubles, that he agrees to refund the money to any customer whom this medicine does not quickly relieve and cure.

The Southerner's Problem. In the March number of McClure's Magazine, Thomas Nelson Page takes up the discussion of "The Negro" as "The Southerner's Problem" in the first of a series of three papers to be published from his pen on the subject.

Just in the nick of time our little boy was saved" writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day, at length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well."

More Riots. Disturbance of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed.

THE LADIES favor painting their churches, and therefore we urge every Minister to remember we give a liberal quantity of the Longman & Martinez Paint toward the painting.

Inflammatory Rheumatism Cured. William Shaffer, a brakeman, of Dennison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says. "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by L. Taggart.

A Favorite Remedy for Babies. Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences.

Lockjaw Prevented by San-Cura. My wife stepped on a rusty nail and ran it into her foot. The foot swelled and pained her so that she could not put it to the floor. San-Cura Ointment drew out a poisonous brown pus and she is now perfectly well.

Wakaful Children. For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents.

Real Estate for Sale. The Board of Trustees of the Presbyterian Church will sell the old church site and parsonage property at a bargain. Apply to I. K. HOCKEY, Chairman of the Board or J. H. DAY, Secretary.

It Saved His Leg. P. A. Danforth of LaGrange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica Salve wholly cured it in five days. For Ulcers, Wounds, Piles it's the best salve in the world. Cure guaranteed. Only 25cts. Sold by L. Taggart druggist.

Divorce cards are now quite popular in society circles in the large cities. Working Overtime. Eight hour laws are ignored by those tireless, little workers—Dr. King's New Life Pill. Millions are always at work, night and day, curing Indigestion, Bileuses, Constipation, Sick Headache and all Stomach, Liver and Bowel troubles. Easy, pleasant, safe, sure, Only 25c at L. Taggart's drug store.

He lights no lives who make light of love. Tragedy Averted. "Just in the nick of time our little boy was saved" writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day, at length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well."

Many a man lives poorly in order to die rich. More Riots. Disturbance of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed.

Th serious life expresses itself in simplicity. Peculiarity About Insurance. When insurance companies grant insurance on life, they are particular to have the person examined by a doctor to ascertain if he is in sound health.

A Great Discovery. Judging from the number of permanent cures that it has made Thompson's Barosma, Kidney and Liver cure is the greatest discovery in medical science.

Uncover the cause of sin and you discover its cure. Proper Treatment For Pneumonia. Pneumonia is too dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand.

Never meddle with people who don't meddle with you. Wakaful Children. For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents.

Huntly Notes.

Mrs. Cole spent Sunday with friends in Emporium. John L. Johnson is suffering with blood poison in one of his feet. Thos. Kailbourn contemplates moving to Emporium in the near future.

A goodly number from this place attended the K. O. T. M. supper at Sterling Run on Friday night. Ralph Goodall returned home on Saturday, after an extended visit with friends on Mason Hill.

Wm. Kailbourn, who has been laid up with the grip for a few weeks is convalescent. Willson Bro's are making extensive preparations to start the mill as soon as the ice goes out.

Thos. and Reuben Jordan, the popular young Mason Hill lumbermen, were on our street one day last week. Daniel Logue will in the near future join his brother Irvin in the far west and grow up with the country.

H. P. Hill, having finished a large lumber contract on Grove Hill, is now hauling timber for B. J. Collins. Our efficient ninety pound school teacher, who has been sick for a week resumed her duties at the white washed school house on Monday.

Levi Smith has sold his saw mill and suspended business in Hunts Run, and ere long will be a resident of this place again. W. H. Logue and B. J. Collins attended the I. O. O. F. banquet in Emporium on Thursday night and are now suffering with the gout.

Miss Ella Mason is in a critical condition at the home of A. F. Nelson, with a disease that baffles the skill of Drs. Corbett and Peal. It has been authoritatively stated that a certain young man in the east end of town is about to sail on the sea of matrimony. He has been offered as an inducement, a large farm, well stocked and a tract of timber land; also \$5 00 in cash to pay the squire.

North Creek Items. D. N. Chandler is on the sick list. Miss Alice Lewis came home over Sunday. We heard say Miss Lilah Berry got a valentine.

We hope the leap year party will come off all right. A good many of our people were courting last week. Mr. and Mrs. Chas. Griffin were seen on our streets last Sunday.

Mrs. L. A. Chandler was very much surprised Thursday evening. These parties make the people sleepy and the children late to school. Mrs. R. B. Warner and children were calling on friends here last week.

Mr. Guy Brundage, of this place, was seen in Rich Valley, trying to get across the water, I hear. We are glad to hear that Louis M. Ginter, who was often seen on our streets during summer and fall, has struck it rich.

Nice weather for sugar bushes. Elibu Chadwick spent a few days with his son. D. N. Chandler and family are confined to the house with the grippie.

Miss Lilah Berry spent a few days in Emporium, the guest of her sister. We hear Leon Brundage is to move his family into Gene Taylor's house this week.

The surprise birthday given to Miss Lizzie Chandler was a success. Everyone reports a good time. The leap-year party, given in the school house by our teacher, Miss Nickler, was well attended. It was a very stormy night.

Sinnamahoning Items. Alexa DeShetler has his shingle out as plumber. Work done at all hours. The ice went out of the creek again Monday night. Not much damage done.

Nate Peasley caught the ground hog last week, so we may look for better weather now. Isaac Floyd, who has been conductor on Barclay Bro's log train for a number of years, starts for Laquin this week to take charge of a train on Shradler creek.

Mr. and Mrs. M. Blodgett were called to Williamsport this week by the death of Mrs. Page, Mrs. Blodgett's mother. A. B. Belden is in charge of the shoe shop while Mr. Blodgett is away. Deputy Game Warden Bellefonte was in town last week, looking up more game law breakers. The Karthaus hunters gave bail to appear at Clearfield, March 10th. The parties who killed the big buck up the First Fork after hunting season was over, are feeling rather blue about this time. The Deputy warden is gathering evidence to convict the parties. The sagacity of a red fox was demonstrated to Nate Peasley who has been trapping some of late. He relates this of a fox which was working at his fox beds. The fox had been springing his traps and turning them upside down and at last took it into his mind to steal the traps. So taking the trap by the spring he started up the mountain with it. "Nate" on going to look for his trap found it gone.

and seeing the trail left by the chain in the snow, followed after in haste, with the expectation of finding the fox in the trap, but after going nearly to the top of the mountain he came upon Mister fox with the trap in his mouth. On seeing Nate in pursuit he dropped the trap and made his escape. What was the fox going to do with the trap? DENSE. Golds Cause Pneumonia. One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by R. C. Dodson.

Do You Want Strength? If you want to increase your strength you must add to and not take from the physical. In other words, the food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Dyspepsia Cure adds to the physical. It gives strength to and builds up strength in the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities. Sold by R. C. Dodson.

Good Spirits. Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver of the hundred—and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits."
