REPUBLICAN STATE CONVENTION.

TO THE REPUBLICAN ELECTORS OF PENN.: SYLVANIA.

I am directed by the Republican State Committee to announce that the Republicans of Pennsylvania, by their duly chosen representatives, will meet in convention at the Opera House in the city of Harrisburg, on Wednesday, April 6, 1904, at ten thirty o'clock a. m., for the purpose of nominating candidates for the following offices, to-wit:

One person for the office of Judge of the Supreme Court.

Thirty-four persons, two at large, for presidential electors, and,

To elect four delegates and four alternates at large to the Republican National Convention to be held in Chicago, on June 21, 1904, also

For the transaction of such other business as may be presented.

In accordance with the rules governing the organization, the representation in the State Convention will be based on the vote polled at the last presidential election. Under the rules each legislative district is entitled to one delegate from every two thousand votes cast for presidential electors in 1900, and additional delegates for every fraction of two thousand votes polled in excess of one thousand.

By order of the Republican State Committee.

W. B. ANDREWS, Secretary.

EDITORIAL MENTION.

The demand for the removal of Fourth Assistant Postmaster General Bristow has not been heard lately.

Mr. Bryan seems to be willing to take anything except advice. And yet he claims to be in favor of reciprocity.

The great question whether Governor Odell or Senator Platt is "Boss" in New York seems to fill the Democratic camp with trouble.

It is reported that Hobson will sue the Mikado of Japan for infringement, as he had taken out a patent on his failure, in corking harbors.

The Czar has abolished his censor of news and the Mikado has established one. The former says he has nothing to conceal. The latter has nothing that he wants to tell—just at present.

The President is in a hurry to begin work on the Panama Canal, but the Republic of Colombia has sued the French Panama Canal Company and enjoined it against transferring the property.

Senator Tillman says that a farmer is a man that works with his hands and an agriculturist is a man who works with his mouth. If anybody ever knew Senator Tillman to work with his hands, he will please stand up and be counted.

The punishment of postal frauds ought to help the Republican party. Our postal department is the greatest organization in the world; having grown from 75 postoffices in Franklin's time, to 76,000 now, and from 300 employes to 250,000. The percentage of fraud is amazingly small.

The President's protest against race suicide seems to be effective. A Washington man named Winnebger who weighs only 115 pounds is the father of four sets of twins and one set of quadruplets—twelve babies in all. The President will no doubt shove him into the Census Office on a good salary.

"Everybody's magazine" calls aloud for a parcels-post and says its coming is only a question of a short time. Why should the merican people be tyrannized over by four express companies which insist on monopolizing the rying business? We ought to be able to send ten or twenty ds by mail, as the Germans, ash, French and many other es do.

Influencing a Decision.

An old treasury department official tells how the late Judge Gray decided one of the earliest customs classification cases to come before the supreme court of the United States. The article under consideration was a preparation of fish which had been assessed for duty as a sauce. The inferior courts had given conflicting opinions as to whether it really was a sauce, and by the time the issue reached the dignified supreme court the decisions either way were voluminous enough to confuse the most clear headed jurist.

Judge Gray examined the article, according to the Philadelphia Ledger, but could not make up his mind. His colleagues were equally undecided. When things came to a standstill it occurred to Judge Gray that a housewife would probably be better qualified to decide a matter of this kind. He took a sample of the article home to Mrs. Gray. "Nonsense; that's no sauce; it's fish!" she said, and the next day the supreme court of the United States solemnly decided the article was not a sauce.

We Are All "Just Folks."

"My boy," said a man of the state of Texas to his son, who was starting out for a career in an eastern city—"my boy, let me tell you something which may be of help to you. You get up there, and you may see a heap of people who have got more money than you have, a heap of people who have got more brains than you have and more success. Some of them may even be better looking than you are. Don't you worry about that, and don't you be scared by anybody. Whenever you meet a man who allows he's your superior you just look at him and say to yourself, 'After all, you're just folks.' You want to remember for yourself, too, that you're just folks. My boy, after you have lived as long as I have and have knocked around the world you will come to see that that's all any one of us is—just folks."—Field and Stream.

Speaking of Grain.

In the United States when one speaks of "corn," maize is always meant. In England "corn" is applied to all cereals, especially wheat. In Scotland "corn" means oats. Germans use the word in the same sense as the English. Carlyle, being a Scotchman, in writing of Frederick the Great allows himself to refer frequently to Frederick's "meal carts," when, strictly speaking, he should have said "grain carts." What the bread of Frederick's soldiers was made of was wheat and rye, not "corn" in the restricted Scotch sense. In Scotland a "cornfield" is only a field of oats. Jamieson remarks that the term "corn" in northern Europe is used to denote that species of the grain most in use in any particular region. Hence in Sweden and Iceland the term denotes barley.

THE LADIES favor painting their churches, and therefore we urge every Minister to remember we give a liberal quantity of the Longman & Martinez Paint toward the painting.

Wears and covers like gold. Don't pay \$1.50 a gallon for Linseed Oil (worth 60 cents) which you do when you buy other paints in a can with a paint label on it.

8 & 6 make 14, therefore when you want fourteen gallons of paint, buy only eight of L. & M., and mix six gallons pure Linseed Oil with it, and thus get paint at less than \$1.20 per gallon.

Many houses are well painted with four gallons of L. & M., and three gallons of Linseed Oil mixed therewith.

These Celebrated Paints are sold by Harry S. Lloyd.

Inflammatory Rheumatism Cured.

William Shaffer, a brakeman, of Dennison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says. "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by L. Taggart.

The greatest success is to be able to serve.

A Favorite Remedy for Babies.

Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures croup, but when given as soon as the croupy cough appears will prevent the attack. For sale by L. Taggart.

Lookjaw Prevented by San-Cura.

My wife stepped on a rusty nail and ran it into her foot. The foot swelled and pained her so that she could not put it to the floor. San-Cura Ointment drew out a poisonous brown pus and she is now perfectly well. Eugene McKenzie, Plum, Pa. Druggist 25c and 50c. For sale by R. C. Dodson.

There is no illumination in the oil of hypocrisy.

Dizzy Spells.

Edward Happ, of Titusville, Pa., had such pain in the back that he could not do any kind of work and had such dizzy spells that he would have to hold on to something to keep from falling. It seemed as if he would never stop urinating. He had been out of health for 15 years and could hardly sleep from pain in his stomach. He says Thompson's Barosma cured me, purified my blood, and made me feel many years younger. For sale by R. C. Dodson.

It Saved His Leg.

P. A. Danforth of LaGrange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica Salve wholly cured it in five days. For Ulcers, Wounds, Piles it's the best salve in the world. Cure guaranteed. Only 25cts. Sold by L. Taggart druggist.

Forbearance is one evidence of forgiveness.

Working Overtime.

Eight hour laws are ignored by those tireless, little workers—Dr. King's New Life Pill. Millions are always at work, night and day, curing Indigestion, Bileousness, Constipation, Sick Headache and all Stomach, Liver and Bowel troubles. Easy, pleasant, safe, sure. Only 25c at L. Taggart's drug store.

This would be a sad world without sorrow.

Tragedy Averted.

"Just in the nick of time our little boy was saved" writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day, at length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well." Everybody ought to know, it's the only sure cure for Coughs, Colds and all Lung diseases. Guaranteed by L. Taggart Druggist. Price 50c and \$1.00. Trial bottles free.

Honeyed lips cannot overcome a vinegar life.

More Riots.

Disturbance of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c, and satisfaction guaranteed by L. Taggart, druggist.

A soft answer may be a stiff argument.

Peculiarity About Insurance.

When insurance companies grant insurance on life, they are particular to have the person examined by a doctor to ascertain if he is in sound health. They are most particular about the analysis of the urine for the diseases of the kidneys are the most fatal and so many people have diseased kidneys without knowing it. If there are any symptoms they are usually (even by doctors) attributed to some other cause. Thompson's Barosma is the safest remedy to take for it will do good whether you have kidney trouble or not. Thompson's Barosma gives rest to the nerves. For sale by R. C. Dodson.

Eternal hustle is the price of success.

A Great Discovery.

Judging from the number of permanent cures that it has made Thompson's Barosma, Kidney and Liver cure is the greatest discovery in medical science. Thompson's Barosma has made remarkable cures in kidney, liver, bladder, stomach and blood diseases, also palpitation of the heart and nervousness. It is purely vegetable and perfectly harmless. Just the remedy for young and old. Druggists, \$1 per bottle, six for \$5. For sale by R. C. Dodson.

Consternation is not conversion.

Proper Treatment For Pneumonia.

Pneumonia is too dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind, however, that pneumonia always results from a cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr. W. J. Smith, of Sanders, Ala., who is also a druggist, says of it, "I have been selling Chamberlain's Cough Remedy and prescribed it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by Jno. E. Smith, Sterling Run.

Love needs no lexicon.

Wakeful Children.

For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by L. Taggart.

Letter to R. C. Dodson.

Emporium, Pa.

Dear Sir: Shuffert Hardware Co., Hickory, N. C. bought a car-load of paint; after selling it a few months, found-out it measured seven pints a "gallon."

Returned it to the maker and credited customers with what they had lost from short measure.

What do you think of a short-measure paint? Don't you think it half white-wash? Half the paints are part white-wash.

Go by the name; Devoe lead-and zinc. No whitening or clay in that; full-measure besides. A gallon Devoe is worth two of whitewash paint.

Yours truly,

F. W. DEVOE & Co.

Do It To-Day.

The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to day!" This is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. 49-ly.

Colds Cause Pneumonia.

One of the most remarkable causes of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by R. C. Dodson.

Do You Want Strength?

If you want to increase your strength you must add to and not take from the physical. In other words, the food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Dyspepsia Cure adds to the physical. It gives strength to and builds up strength in the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities. Sold by R. C. Dodson.
