Letter to Emporium Machine Co. Emporium, Pa. Dear Sirs: Lead-and-oil, is not good paint; don't wear; the rule is, as everyone knows, repaint in three years. Devoe lasts six, in the same way—allow wide margin in all such statements. What does it mean, to last? It means the same with both. As to covering, that's another. Here's an instance. Mr. J. J. Hall, Sheffield, Pa., painted two houses, lead-and-oil; took 40 gallons. Last summer bought 40 gallons Devoe for the same two houses; returned 10 gallons.

It Saved His Leg. P. A. Danforth of LaGrange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica Salve wholly cured it in five days. For Ulcers, Wounds, Piles it's the best salve in the world. Cure guaranteed. Only 25cts. Sold by L. Taggart druggist. It is a good deal easier to drop into a rut than to rise out of it. Working Overtime. Eight hour laws are ignored by those tireless, little workers—Dr. King's New Life Pill. Millions are always at work, night and day, curing Indigestion, Bileousness, Constipation, Sick Headache and all Stomach, Liver and Bowel troubles. Easy, pleasant, safe, sure, Only 25c at L. Taggart's drug store.

TO THE REPUBLICAN ELECTORS OF PENN.: SYLVANIA: I am directed by the Republican State Committee to announce that the Republicans of Pennsylvania, by their duly chosen representatives, will meet in convention at the Opera House in the city of Harrisburg, on Wednesday, April 6, 1904, at ten thirty o'clock a. m., for the purpose of nominating candidates for the following offices, to-wit: One person for the office of Judge of the Supreme Court. Thirty-four persons, two at large, for presidential electors, and. For the transaction of such other business as may be presented. In accordance with the rules governing the organization, the representation in the State Convention will be based on the vote polled at the last presidential election. Under the rules each legislative district is entitled to one delegate from every two thousand votes cast for presidential electors in 1900, and additional delegates for every fraction of two thousand votes polled in excess of one thousand. By order of the Republican State Committee. BOIES PENROSE, Chairman. W. R. ANDREWS, Secretary.

THE CHRISTIAN churches at Constantinople, Turkey, and Yokohama, Japan, have long used the Longman & Martinez Paints for painting their churches. Liberal contributions of L. & M. Paint will be given for such purpose wherever a church be located. F. M. Scofield, Harris Springs, S. C., writes: "I painted our old homestead with L. & M. twenty-six years ago. Not painted since, looks better than houses painted in the last four years." W. B. Barr, Charleston, W. Va., writes, "Painted Frankenburg Block with L. & M., shows better than any buildings here have ever done; stands out as though varnished, and actual cost of paint was less than \$1.20 per gallon. Wears and covers like gold." These Celebrated Paints are sold by H. S. Lloyd. It is wonderful how brave the average man is after the battle. Inflammatory Rheumatism Cured. William Shafer, a brakeman, of Dennison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says. "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by L. Taggart.

Tragedy Averted. "Just in the nick of time our little boy was saved" writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day, at length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well." Everybody ought to know, it's the only sure cure for Coughs, Colds and all Lung diseases. Guaranteed by L. Taggart Druggist. Price 50c and \$1.00. Trial bottles free. Any wise wife knows it is policy to let hubby think he is boss. Peculiarity About Insurance. When insurance companies grant insurance on life, they are particular to have the person examined by a doctor to ascertain if he is in sound health. They are most particular about the analysis of the urine for the diseases of the kidneys are the most fatal and so many people have diseased kidneys without knowing it. If there are any symptoms they are usually (even by doctors) attributed to some other cause. Thompson's Barosma is the safest remedy to take for it will do good whether you have kidney trouble or not. Thompson's Barosma gives rest to the nerves. For sale by R. C. Dodson.

Character is the one thing without limit in its development. A Great Discovery. Judging from the number of permanent cures that it has made Thompson's Barosma, Kidney and Liver cure is the greatest discovery in medical science. Thompson's Barosma has made remarkable cures in kidney, liver, bladder, stomach and blood diseases, also palpitation of the heart and nervousness. It is purely vegetable and perfectly harmless. Just the remedy for young and old. Druggists, \$1 per bottle, six for \$5. For sale by R. C. Dodson. We need to look forward, for we must some day look back. Proper Treatment For Pneumonia. Pneumonia is too dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be bore in mind, however, that pneumonia always results from a cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr. W. J. Smith, of Sanders, Ala., who is also a druggist, says of it, "I have been selling Chamberlain's Cough Remedy and prescribed it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by Jno. E. Smith, Sterling Run. Money is the greatest trouble a man has when he hasn't any. Wakeful Children. For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by L. Taggart. Real Estate for Sale. The Board of Trustees of the Presbyterian Church will sell the old church site and parsonage property at a bargain. Apply to I. K. HOCKLEY, Chairman of the Board or J. H. DAY, Secretary.

EDITORIAL MENTION. Australians are using Kentucky methods in welcoming John Alexander Dowie. Betting on Cleveland's nomination has already begun in New York,—\$200 to \$1,000. Three thousand cowboys are organizing in Denver to bring the western breezes to the Chicago convention. George Fred Williams says he believes the Democrats will carry Massachusetts. George's believery is always full of queer things. All the Christian nations in the world are sweeping out and furnishing their cabinets to receive anon rare pieces of old China. The prosecution of Senator Smoot insists that every Mormon holds that obedience to law is subordinate to obedience to God. Very well; but does not every Christian hold that same doctrine. A New York physician has invented a curious and delicate machine which will distinctly illuminate the internal organs. Perhaps we can find out now what's the matter with Mr. Bryan's liver. The Mormon president, Joseph F. Smith, tells the Congressional Committee that he has forty-two children, most of them girls. He adds very earnestly that Reed Smoot should not be held responsible for that fact as he does not furnish the Easter bonnets. This complicates matters terribly. The Panama Canal Commissioners will not sail for the Isthmus this month as announced, but will wait till title is obtained. It is then proposed to keep at least one on the ground all the time. Senator Cullom says "There will soon be a vacancy on the board." The climate is too deadly for a long spell of good health. A member of the Congressional Committee on Foreign Commerce says that the Panama Canal Company "positively cannot deliver the canal to the United States. If we should pay it the \$40,000,000 we should only be buying the right to build the canal and to retain 40 per cent of the profits after paying all expenses." This accords with Senator Platt's view. But Cromwell, counsel of the Panama Canal Company, says there is no hitch whatever, that everything is lovely, and that the transfer can be made before the first of May. We shall see.

A Favorite Remedy for Babies. Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures croup, but when given as soon as the croupy cough appears will prevent the attack. For sale by L. Taggart. Better a dozen thorns on the bush than one in the flesh. Lockjaw Prevented by San-Cura. My wife stepped on a rusty nail and ran it into her foot. The foot swelled and pained her so that she could not put it to the floor. San-Cura Ointment drew out a poisonous brown pus and she is now perfectly well. Eugene McKenzie, Plum, Pa. Druggist 25c and 50c. For sale by R. C. Dodson. When a donkey gets a diploma he hangs it on his ears. Dizzy Spells. Edward Happ, of Titusville, Pa., had such pain in the back that he could not do any kind of work and had such dizzy spells that he would have to hold on to something to keep from falling. It seemed as if he would never stop urinating. He had been out of health for 15 years and could hardly sleep from pain in his stomach. He says Thompson's Barosma cured me, purified my blood, and made me feel many years younger. For sale by R. C. Dodson. Tour to the Pacific Coast and Grand Canyon. Colds Cause Pneumonia. One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by R. C. Dodson. Hitch your wagon to a star, but don't sell your mule. Do You Want Strength? If you want to increase your strength you must add to and not take from the physical.
