EDITORIAL MENTION.

England will remain strictly neutral and do all she can to help Japan.

A Jersey man found \$475 in an old blacksmith's bellows that had lain in his garret for twenty-five years. The original owner evidently intended to blow it in.

Ohio has broken off her bad habit of holding spring elections when everybody else is thinking about other things and will henceforth join in the vociferous jubilee of November.

New York is up in arms because the mayor has given Mormon missionaries permission to preach in the streets. Streets should be reserved wholly for travel and transportation.

Hearst's capture of the Rhode Island delegates has caused consternation in the ranks of all the "regular" candidates. Meanwhile Hearst is complacently marching on.

The path of the Republican party from this day till after election is straight and smooth. The effervescence in Ohio, New York, and some other states is only a sign of popular interest, rather than discontent. Differences of opinion concerning non-essentials fetch out the vote on election day.

Some of the freshmen who were branded by the sophomores at Cornell will wear their scars for life, and blood-poisoning is feared in some cases. The college bulletin says "a number of the second year men will undoubtedly be compelled to leave the University as a punishment for their offense." Indeed! This is a terrible retribution. We assume that it is resorted to because the idiot asylums and penitentiaries of that vicinity are full.

The decision of the Supreme Court in the great Northwestern Securities Merger case was rendered on the 14th instant, Mr. Justice Harlan reading it before a crowded court-room filled with members of the bar, Senators and Congressmen. The opinion of the court is wholly against the defendants, declaring the merger to be illegal, in restraint of competition, and in contravention of the Interstate Commerce act. The company which holds the stock was declared to be a trust, against the acts of which the people are entitled to be protected. It will be restrained from exercising any control whatever over the competing railways, and competition will be restored.

Please announce that I am a candidate for Representative in the 59th Congress from the 21st Congressional District, subject to the rules of the Republican party. Very truly yours, S. R. DRESSER. This will give employment to more men. The mill has made a very successful run this winter, cutting a large amount of lumber, with few accidents. Mr. Eugene Teater, one of the head sawyers, recently married, is to move in the Daniel Downey house. Mr. Downey and wife intends moving to Harrisburg to keep house for their son Frank. Mr. Carpenter has a hard attack of the Kansas fever, while Mr. Dilynple has a Pacific coast craze. Both are good lecturers on the subject, and say they will go west this spring. Children that run away from school, and think they know enough without an education, should read a few of the letters I receive from people that are trying to get up in the world without learning more than they are obliged to. I think after a few samples they would wish to go to school. Following is a fair sample of some I receive: "is I would write you few lines in regards to the western lumbermen, for all the expert fillers that I ever see the are hear the cant make a stray paper cat. I was saving for a party a few mls from hear until the get a man and for all the lumber that went out of that mill all paper and hwen we come to a oak that was sent in by mistake we had to stop and gitt it out of the mill until it was thaod owt for the saws would not cut it and so i asked them wath the would dew * * * for we hant gatt a saw that we can gitt throw in a paper loge without a krockeade cat." First Rafts on Susquehanna. Four rafts have arrived at this market. One is a square timber raft and the others are round logs. They came in last evening and will likely be held here until warmer weather comes and the lower waters are clear of ice. Two of the rafts are owned by Lansberry and two by Graham. The Clearfield Republican says: "Alfred Graham brought the first raft down from the up river country this spring. It was a 190-foot pine raft and came from the Bigler lands in Bloom township. Emerson Fullington was the pilot and he started for Lock Haven, Wednesday afternoon. Mr. Graham has about 13 rafts this season, the largest number of any lumberman up this way"—Lock Haven Express March 12.

Letter to Johnson & McNarney, Emporium, Pa. Dear Sir: As your business is to get people into and out of trouble, suppose you consider their pain; it makes 'em almost as much trouble as money, except of course matrimony. They buy poor paint a good deal, they don't mean to, they don't know any better; they buy without thinking. Bad paint isn't good. It looks good enough for a year; then begins to get rusty, but changes so slowly, one don't notice it. Looking isn't all. The business of paint is to keep a house dry inside, the wood and iron of it; keep it from rotting and rusting. Takes good paint to do it. Good and bad paint are sold at the price at about that. One can't go by the price as with lawyers, the price has nothing to do with goodness or badness; and costs are worse yet; the painter and sheriff come in for their share. But the probability is that a man, who paints Devoe, will come out on top. Yours truly, F. W. DEVOE & Co. P. S. Murry and Coppersmith sell our paint. 16. A man cannot reverence that which he cannot respect. Tragedy Averted. "Just in the nick of time our little boy was saved" writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day, at length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well." Everybody ought to know, it's the only cure for Coughs, Colds and all Lung diseases. Guaranteed by L. Taggart Druggist. Price 50c and \$1.00. Trial bottles free. 44-1f.

Latest Popular Music. Miss May Gould, teacher of piano-forte, has received a full line of the latest and most popular sheet music. All the popular airs. Prices reasonable. 44-1f.

Do It To-Day.

The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" This is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. 49-1y.

It is wonderful how brave the average man is after the battle.

THE CHRISTIAN churches at Constantinople, Turkey, and Yokohama, Japan, have long used the Longman & Martinez Paints for painting their churches.

Liberal contributions of L. & M. Paint will be given for such purpose wherever a church is located. F. M. Scofield, Harris Springs, S. C., writes: "I painted our old homestead with L. & M. twenty-six years ago. Not painted since, looks better than houses painted in the last four years."

W. B. Barr, Charleston, W. Va., writes, "Painted Frankenburg Block with L. & M., shows better than any buildings here have ever done; stands out as though varnished, and actual cost of paint was less than \$1.20 per gallon. Wears and covers like gold." These Celebrated Paints are sold by H. S. Lloyd.

Inflammatory Rheumatism Cured. William Shaffer, a brakeman, of Dennison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says. "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by L. Taggart.

Colds Cause Pneumonia.

One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by R. C. Dodson.

Th serious life expresses itself in simplicity.

Disturbance of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c, and satisfaction guaranteed by L. Taggart, druggist.

Many a man lives poorly in order to die rich. Peculiarity About Insurance. When insurance companies grant insurance on life, they are particular to ascertain if he is in sound health. They are most particular about the analysis of the urine for the diseases of the kidneys are the most fatal and so many people have diseased kidneys without knowing it. If there are any symptoms they are usually (even by doctors) attributed to some other cause. Thompson's Barosma is the safest remedy to take for it will do good whether you have kidney trouble or not. Thompson's Barosma gives rest to the nerves. For sale by R. C. Dodson.

He lights no lives who make light of love. A Great Discovery. Just the remedy for young and old. Druggists, \$1 per bottle, six for \$5. For sale by R. C. Dodson.

Divorce cards are now quite popular in society circles in the large cities. Proper Treatment For Pneumonia. Pneumonia is too dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be bore in mind, however, that pneumonia always results from a cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr. W. J. Smith, of Sanders, Ala., who is also a druggist, says of it, "I have been selling Chamberlain's Cough Remedy and prescribed it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by Jno. E. Smith, Sterling, Run.

The best religion to have in hand is the kind we give away. Wakeful Children. For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by L. Taggart.

An argument is used to promote unnecessary conversation. Do You Want Strength? If you want to increase your strength you must add to and not take from the physical. In other words, the food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Dyspepsia Cure adds to the physical. It gives strength to and builds up strength in the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities.
