Letter to S. E. Murray, Emporium, Pa. Dear Sir: When you can buy paint for less than Devoe; don't save your money.

Mr. Aaron Higgins, Plainfield, N. J., always used 15 gallons of paint for his house; Devoe took 11.

Mr. Ezra Rathmell, Williamsport, Pa., always used 11; Devoe took 6.

Mr. Bart Young, Girard, Pa., always used a gallon for certain rooms; took half as much Devoe.

Mr. Nathaniel Barber, Canton, N. Y., bought 12 Devoe; used less than 6.

You can always buy paint for less than Devoe; don't; save your money.

The wearing counts the same way and doubles the difference.

The cost of painting is by the gallon. Weak paint costs most; most gallons.

Church Notes. The finest city and village Churches are painted with the Longman & Marticz Paints, and we want every Church to accept our donation whenever they paint.

8 & 6 make 14, therefore when you want only eight of L. & M.; and mix six gallons of pure Linseed Oil with it, making actual cost of paint about \$1.20 per gallon.

Don't pay \$1.50 a gallon for Linseed Oil (worth 60 cents) which you do when you buy other paints in a can with a paint label on it.

Many houses are well painted with four gallons of L. & M. and three gallons of Linseed Oil mixed therewith.

Wears and covers like gold. These Celebrated Paints are sold by Harry S. Lloyd.

Warning. All persons are hereby forbidden from trespassing upon the property of this Company without a permit from this office, or the Superintendent at the works.

Gold Cause Pneumonia. One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure.

More Riots. Disturbance of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed.

Peculiarity About Insurance. When insurance companies grant insurance on life, they are particular to have the person examined by a doctor to ascertain if he is in sound health.

A Great Discovery. Judging from the number of permanent cures that it has made Thompson's Barosma, Kidney and Liver cure is the greatest discovery in medical science.

Proper Treatment For Pneumonia. Pneumonia is too dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand.

Waking Children. For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents.
