**EDITORIAL MENTION.**

The Togo bottling works at Port Arthur have at least discovered that the cork is too small.

Ten officials in Milwaukee have been indicted for stealing \$90,000 which was appropriated for building hospitals. Next!

Dowie has been hunting for a printer who does not chew, smoke, drink or swear. He does not say what he wants of such a printemps paragon.

There is a very unsavory scandal in the public schools of Washington, involving some high officials. They are all shouting in concert that it must be hushed up.

Friends of Senator Burton in Kansas do not believe that he took the case which resulted in his conviction with any idea that he was violating the law, and they are not going to desert him in this dark hour of his career.

The heroic survivors of the Variag and Korietz, the vessels destroyed in Chemulpo harbor, are having a tremendous reception in Russia which goes far to offset any reverses the Russians have met with.

A fifteen-year-old Jewish lad got into a hog-car in Chicago and rode a thousand miles at the constant peril of being eaten. On arriving in Boston he was in a semi-conscious condition and more of a Jew than ever.

Our Democratic friends are making a great to-do about the row in the Republican Convention of West Virginia. They do not seem to comprehend the fact that such little dissensions are simply a sign of active interest in public affairs. See Cuba, for instance!

Hobson and Bankhead are having great fun with each other down in Alabama. The latter derides the former's proposal for a \$2,600,000 navy, and points out that such an appropriation would cost Alabama alone nearly \$7,000,000. But Hobson kisses the women and babies and moves triumphantly on.

The postal frauds should help rather than harm the Republican party. Our postal department is the greatest organization in the world, having grown from 75 post offices in Franklin's time to 76,000 now and from 300 employees to 250,000. There has been an amazingly small percentage of fraud.

Many petitions are being received in Congress for the establishment of a parcels post. The coming of such a valuable adjunct of a short time. Why should the American people be tyrannized over by four monopolistic express companies? We ought to be able to send ten or twenty pounds by mail as the Germans and English are.

**Sinnamoning Items.**

Sheriff Hemphill was in town Tuesday on special business.

Rather cold for this time of the year. Ground white with snow.

The B. & S. log train will commence hauling logs from Wharton to Mix Run next week.

Barclay Bros. mill will start up as soon as the drive passes. They have 11,000,000 feet to cut this season.

Joe M. Shafer and wife of Mt Carmel, are visiting friends here for a few days and shaking hands with their numerous friends.

DeWitt L. Barclay, son of A. J. Barclay, has been very sick the past two weeks, but is slowly improving under the care of Dr. Corbett.

Jamison was seen one night last week near Grove. He was going towards the Gain's settlement, near Pottersdale. He carried a lantern and a blanket.

Mrs. J. M. Shafer and Mrs. Robinson came back from their trip to the west, where they have been visiting friends and relatives the past winter.

Quite a number of fishermen came down from Driftwood last week to fish for suckers and went home with big catches. They are quite plentiful this spring—suckers.

**Sciatic Rheumatism Cured.**

"I have been subject to sciatic rheumatism for years," says E. H. Waldron, of Wilton Junction, Iowa. "My joints were stiff and gave me much pain and discomfort. My joints would crack when I straightened up. I used Chamberlain's Pain Balm and have been thoroughly cured. Have not had a pain or ache from the old trouble for many months. It is certainly a most wonderful liniment." For sale by Jno. E. Smith, Sterling Run.

Only the self-centered are self satisfied.

Nothing Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy for Bowel Complaints in Children.

"We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy in our family for years," says Mrs. J. B. Cooke, of Netherlands, Texas. "We have given it to all of our children. We have used other medicines for the same purpose, but never found anything to equal Chamberlain's. If you use it as directed it will always cure." For sale by L. Taggart.

A woman is never too good to be true.

**Good Spirits.**

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists. 48-ly.

**Creating a Vacancy.**

When the republic had been set up in France in 1848, wrote the Baroness Bonde, the first attempts of the enfranchised people to use their new powers resulted in the election of the most miscellaneous assembly that had ever tried to govern a country. A member nominated from Rouen went to Paris and selected his seat. He had hardly taken it when his next neighbor turned and stared at him. The Rouen man, embarrassed, turned up his coat collar, but too late. "Sir," said his lynx eyed colleague, "I believe I had the honor of sending you to the galley for murder in 18—, when I was judge. You had strangled the servant of the cure who had brought you up, and robbed the worthy man. Oblige me by resigning immediately." The next day the Moniteur announced that there was a vacancy for Rouen, but did not tell why.

**Letter to Balcom & Lloyd.**

Emporium, Pa.

Dear Sirs. Here's a bully one.

Mr. Dooley (not of Chicago), painter, Lancaster, N. H., got the job of painting the Episcopal parsonage. He was used to a paint, a spure as Devoe, but weak and short-measure—he didn't know it was weak or short-measure. Dooley surveyed the job, and said it would take 20 gallons.

Mr. L. F. Moore, our agent, offered to give 10 gallons Devoe. Accepted of course.

Eleven gallons did it; the 10 plus one.

Mr. Moore isn't painting parsonages on shares this year!

Yours truly,

F. W. DEVOR & Co.

P. S. Murry and Coppersmith sell our paint. 18.

A man only finds life when he loses self.

**A Wonderful Saving.**

The largest Methodist Church in Georgia, calculated to use over one hundred gallons of the usual kind of mixed paint in painting their church.

They used only 32 gallons of the Longman & Martinez Paint with 24 gallons of linseed oil. Actual cost of paint made was less than \$1.20 per gallon.

Saved over eighty (\$80.00) dollars in paint, and got a big donation besides.

EVERY CHURCH will be given a liberal quantity whenever they paint.

Many houses are well painted with four gallons of L. & M., and three gallons of linseed oil mixed therewith.

Wears and covers like gold. These Celebrated Paints are sold by Harry S. Lloyd. 1

A man's life always follows his faith.

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy condition, and for this purpose no better preparation can be used than Chamberlain's Stomach and Liver Tablets. For sale by L. Taggart.

Hope lives until love dies.

The best physic: Chamberlain's Stomach and Liver Tablets. Easy to take; pleasant in effect. For sale by Jno. E. Smith, Sterling Run.

Honesty needs no advertising.

**Result of a Railroad Accident.**

Wm. L. Maynard, of Centerville, Pa., for 20 years suffered a great deal of pain in the side and over the hips, caused by being crushed between the cars. After doing a little work he would always pass gravel. Five years ago he used three bottles of Thompson's Barosma, Kidney and Liver Cure and was completely cured, having had no return of the disease since. For sale by R. C. Dodson.

Short prayers have the surest aim.

**Robbed the Grave.**

A startling incident, is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guarantee, at L. Taggart's drug store.

Morality is motor and not mechanical.

**A Great Sensation.**

There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your new Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of Consumption, Pneumonia, Bronchitis and Grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c, and \$1.00. Guaranteed by L. Taggart, Druggist.
