EDITORIAL MENTION.

Bible reading in schools is held to be legal by the Supreme Court of Kansas but has been prohibited by the Supreme Court of Nebraska.

The report that Mr. Carnegie in a moment of inadvertence has offered to endow the White House needs a great deal of confirmation.

Secretary of War Taft is urging railroad building in the Philippines. Money would be forthcoming if five per cent on the bonds were guaranteed, he says.

The Chinese exclusion treaty is about to expire. She now demands reciprocity and says if there is an open door it must swing both ways.

The impeachment trial of Judge Swaine of Florida goes over until next December. A large majority of Republicans in Congress believe it to be a mere case of partisan persecution.

Within a month more than twenty large commercial trusts have ceased to pay dividends and gone into bankruptcy. This would seem to indicate that the trust problem is solving itself.

New York physicians are worried over a young woman who has been laughing for weeks and cannot control her mirth. She has probably been watching Bryan's efforts to consolidate the Democratic party.

Secretary Wilson says it is the farmers who make the country rich; that in 1901 our farm exports amounted to \$900,000,000—\$300,000,000 for every working day; \$125,000 an hour; \$2,000 a minute of \$33 per second.

Ten million immigrants have arrived in this country within ten years. Yet seven great steamship companies are now cutting steerage rates and passengers can come from Europe to New York for \$12. What will the harvest be?

The Czar's present plan is to send his Baltic war fleet around to the East by going north of Norway and Siberia and through Bering Strait. He thinks the squadron can get to Port Arthur by the end of August, but it is a voyage full of peril.

Emerson well says the poet is a prophet. Goethe, the prince of German writers, predicted the Panama canal in 1827. He said, "Merchant as well as war vessels should have quicker connection with the western and eastern coasts of America. It is entirely indispensable for the United States to make a passage from the Gulf of Mexico to the Pacific Ocean, and I am certain that she will accomplish it."

GREAT NEW STORE FOR BUFFALO

The Sweeney Co. Will Soon Open a Department Store on the Site of the Barnes & Hengerer Establishment—Interesting Facts About a Mammoth Enterprise.

STORY OF AN HISTORIC SITE

The most historic site in Western New York, as well as the most famous, is the location of the new store of The Sweeney Company at Nos. 256-268 Main Street, Buffalo.

It was way back in 1845 that Mr. C. J. Hamlin first established a general merchandise store in Buffalo, and in 1860 T. J. Mensden & Co., in which store Mr. Hamlin was interested, opened a carpet and wall paper establishment in the same location where The Sweeney Company will begin business early in May.

In 1861, that memorable year, and on the very day that Fort Sumpter was fired upon, the firm of Hamlin & Mensden opened a remodeled store on the same site for the sale of dry goods. Since that time there have been many changes. In 1866 the firm of Falkner, Potts & Jackson were the proprietors of the store, and they were succeeded in 1868 by Barnes & Bancroft, which firm later became Barnes & Hengerer and the William Hengerer Company. The Hengerer firm has recently rented another building.

Now The Sweeney Company comes into possession of the largest building between New York and Chicago used for retail merchandising; and thus on the same historic site where the doors of the most progressive store of the ante-bellum days swung open, early next month a vast mercantile establishment will begin business.

The president of the new store is Mr. John F. Sweeney, who is also president of the big department store of Buffalo known as the H. A. Meldrum Company. Mr. Sweeney will have personal charge of the business. The other officers of the company are: William Hamlin, vice-president; H. A. Meldrum, treasurer and Donald Mackay, secretary.

The Sweeney Company's store will be a new kind of a store, selling reliable quality merchandise cheap for cash. With practically unlimited capital, the store is founded on a cash basis. The results of this principle are manifold—those who pay cash are not charged extra prices to make up the losses of charged accounts. Every article of merchandise in the new store is of thoroughly reliable quality. There are no inferior goods, no fabrics of unworthy quality, for the Sweeney Company is founded on the solid rock of good merchandise cheap for cash.

One of the rules of the new store is to have every customer a satisfied customer. The Sweeney Company will not count a sale as closed until the purchaser gets the goods home and is perfectly satisfied with them. The new store says: "If you are not pleased, if for any reason the goods are not just as we presented them, bring them back, or send them to us and we will give you back your money cheerfully and willingly."

The exact date of the opening of The Sweeney store will be announced in this paper in a week or two and everybody contemplating a trip to Buffalo will do well to watch for the date of opening, for the most extraordinary bargains that have ever been offered are promised for the opening week; and in fact the wise shopper will always be able to save money at The Sweeney Store for it will be the home of bargains.

While the front portion of the mammoth store will be a bargain mart, the remainder of the great structure will be turned over to a host of workmen, for improvements that will entail an expenditure of more than \$200,000 are to be carried out on the building. New elevators, new electric lighting arrangements, new fixtures, and the raising of the skylight from the first floor to the roof, thus affording vast floor space which will stretch unbroken from Main to Pearl streets, a distance of nearly 230 feet—all these and many other improvements are to be carried out while the wheels of industry are in motion. The department managers of the new store have been selected from every quarter of the country. Each man is ripe in experience and has been eminently successful in his particular department. These buyers have searched the markets of the world. They have gone to the mills and factories and have gathered together a magnificent assortment of reliable quality merchandise that will be sold at the lowest prices ever quoted.

The visitors to Buffalo, or the persons who wish to shop by mail, will find where the Barnes & Hengerer store used to be a new, live, up-to-date department store radiant with new merchandise—a great bargain center where they can fill all their wants at a substantial saving, for soon The Sweeney Company will be a household name throughout the land, a synonym for honest dealing and full money's worth.

Sciatic Rheumatism Cured.
"I have been subject to sciatic rheumatism for years," says E. H. Waldron, of Wilton Junction, Iowa. "My joints were stiff and gave me much pain and discomfort. My joints would crack when I straightened up. I used Chamberlain's Pain Balm and have been thoroughly cured. Have not had a pain or ache from the old trouble for many months. It is certainly a most wonderful liniment." For sale by Jno. E. Smith, Sterling Run.

Nothing Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy for Bowel Complaints in Children.

"We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy in our family for years," says Mrs. J. B. Cooke, of Netherlands, Texas. "We have given it to all of our children. We have used other medicines for the same purpose, but never found anything to equal Chamberlain's. If you use it as directed it will always cure." For sale by L. Taggart.

Too many men spend their money before they get it.

Do It To-Day.

The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to day!" This is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. 49-ly.

Robbed the Grave.

A startling incident, is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guarantee, at L. Taggart's drug store.

Nothing spoils the life like living for the spoils.

A Great Sensation.

There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your new Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of Consumption, Pneumonia, Bronchitis and Grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c, and \$1.00. Guaranteed by L. Taggart, Druggist. A Wonderful Saving.

The largest Methodist Church in Georgia, calculated to use over one hundred gallons of the usual kind of mixed paint in painting their church. They used only 32 gallons of the Longman & Martinez Paint with 24 gallons of linseed oil. Actual cost of paint made was less than \$1.20 per gallon.

Many houses are well painted with four gallons of L. & M., and three gallons of linseed oil mixed therewith. Wears and covers like gold. These Celebrated Paints are sold by Harry S. Lloyd.

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy condition, and for this purpose no better preparation can be used than Chamberlain's Stomach and Liver Tablets. For sale by L. Taggart.

**GRAND
EASTER
OPENING**

WE have planned for several months to make a grand display and choose the Easter-time for this exhibition. Our enormous stock compels us to have more room to properly show same. We now occupy the entire "OLMSTED BLOCK" and have the largest floor space of any store in the county.

We respectfully invite the public to visit our store and inspect the different departments.

We entered this business with determination, energy and pluck and with the help of the generous patronage of the public, who appreciate honest and fair dealing, we have succeeded far beyond our expectations. We are now in a position to buy in larger quantities and therefore cheaper.

Our prices are marked in plain figures and are the very lowest that up-to-date furniture, made by skilled labor can be sold for.

We thank you all and hope to merit your future confidence and patronage.
