EDITORIAL MENTION.

"Coin" Harvey says silver is a dead issue. For he is no president of a railroad—\$10,000 salary.

Prosperity is still blooming. Last month this country sent to Europe 45,000 tons of iron and steel.

If Judge Parker really proposes to run, he ought to have some photographs taken with the customary scowl omitted.

Judge Parker is afraid that Mr. Bryan will add to the nominating convention a little Palmer-Buckner side-show of his own.

Olney has carried two-thirds of the delegation to the St. Louis convention from Massachusetts. Hearst was the favorite in the cities.

In Alabama Congress Bankhead has got away with Hobson's bottling outfit. Is it possible that the Spanish war is fading in importance.

The government will very generously pay \$40,000 to allow the printers in the Public Printing Office thirty days leave of absence. This looks like an open shop.

The President has ordered a great naval display on the coast of Europe this summer. Our combined squadrons in the Mediterranean are expected to number sixteen warships.

Russia's announcement that correspondents using the wireless telegraph will be treated as spies if caught, is being resented by Great Britain and the United States. The determination is not likely to be acted on.

The Health Officer of Washington has discovered a simple means by which the germs, or microbes of tuberculosis, pneumonia and typhoid fever may be destroyed. The world will be delighted to get this valuable knowledge, if it is not for sale in bottles.

The paper trust has put in a general denial before the House Judiciary Committee, that it is a trust. It says such allegations are as thin as tissue paper and will not hold water any more than a paper bag. The publishers of newspapers have another opinion on the subject.

The civilized world mourns the loss of Vereshchagin, the Russian battle-painter, who was a guest of Admiral Makaroff and perished with him in the destruction of the battleship. This artist was the greatest living painter of battle scenes. His work, moreover, was always in the interest of humanity—intended to make war seem as barbarous and gasty as it is.

WASHINGTON LETTER.

(From our Regular Correspondent.)
Washington, April 25, 1904.

Editor Press:
The present session of Congress has been a business session. A sum amounting to almost \$700,000,000 has been appropriated for carrying on the government, and forwarding those great enterprises to which it is committed. Mr. John Sharp Williams, the minority Democratic House leader from Mississippi, complains that many abstract and purely political questions have been ignored or permitted to rest until next December on the plea of want of time. He would have the trusts prosecuted, the reciprocity treaties ratified, the Filipinos granted more rights, a nearer approach to free trade with Canada, and a general reduction of the tariff. Mr. Hamilton, member from Michigan, "threw down the gauntlet" a few days ago, in which he vindicated the present policy of the Republican party, upheld its present tariff policy not only as a necessity for giving the government its needed revenue, but as the chief factor in the prosperity of the times. He said that if there is any wide-spread dissatisfaction with the tariff the people will have an opportunity to give an expression of their feelings at the polls next November. The Pension bill carrying \$127,000,000 has passed. Senator Scott, of W. Va., said that if he could have his way he would give a pension of \$25 per month to every Union man, rich or poor, who took up arms in the Civil War. There was some speech-making in the House against giving the President control of the Panama canal zone, but when the bill came to a vote it passed unanimously. The only appropriation bills still before Congress are the General Deficiency and the Military Academy.

There is a bill before Congress which declares that after June 29, 1907, when a clerk in the civil service reaches the age of 70 years his position shall be vacant. There are some two-hundred or more clerks of this age employed in Washington, and there are a number of Senators who are over seventy. Congress is considerate in giving the aged clerks three years' notice.
The question of Mormonism and plural wives is again before the public, owing to the frank confessions and admissions of Agnus Cannon and Ex-Congressman Brigham H. Roberts. Three of Mr. Roberts wives have been accounted for and Mr. Cannon has said the astonishing statement that he married two of his six wives at the same hour. This is quite as bad as progressive divorce, which only permits a man to marry several wives in succession. Senator Beveridge is strongly in favor of Senator Smoot retaining his seat. According to a Mr. Cobb, of Boise City, Idaho, the Mormons hold the balance of power in that state. Senator DuBois wishes to know if any post masters in Idaho are living in polygamy. If they are any such they should be excluded from the mails.
The Washington Sanitary Housing Company is the name of a new society which has for its object the acquiring of land and the building of sanitary houses for the poor. The rent is to be low. The intent is to do away with the unsanitary houses which now crowd the alleys of the city, and are a menace to both health and morals. Jacob Riss, the biographer of the President, recently called public attention to the deplorable condition which prevail in Washington.

Robbed the Grave.
A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim. No one should fail to try them. Only 50 cents, guarantee, at L. Taggart's drug store."

Solistic Rheumatism Cured.
"I have been subject to sciatic rheumatism for years," says E. H. Waldron, of Wilton Junction, Iowa. "My joints were stiff and gave me much pain and discomfort. My joints would crack when I straightened up. I used Chamberlain's Pain Balm and have been thoroughly cured. Have not had a pain or ache from the old trouble for many months. It is certainly a most wonderful liniment." For sale by Jno. E. Smith, Sterling Run.

Uncover the cause of sin and you discover its cure.

Nothing Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy for Bowel Complaints in Children.

"We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy in our family for years," says Mrs. J. B. Cooke, of Netherlands, Texas. "We have given it to all of our children. We have used other medicines for the same purpose, but never found anything to equal Chamberlain's. If you use it as directed it will always cure." For sale by L. Taggart.

An argument is used to promote unnecessary conversation.

Good Spirits.
Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists. 48-ly.

Revenge is sweetest when renounced.

The best physic: Chamberlain's Stomach and Liver Tablets. Easy to take; pleasant in effect. For sale by Jno. E. Smith, Sterling Run.

Obedience is better than obligation.

A Great Sensation.
There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your new Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of Consumption, Pneumonia, Bronchitis and Grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c, and \$1.00. Guaranteed by L. Taggart, Druggist. Trial bottles free.

Character is crystallized conduct.

THE LADIES favor painting their churches, and therefore we urge every Minister to remember we give a liberal quantity of the Longman & Martinez Paint toward the painting.

Wears and covers like gold.
Don't pay \$1.50 a gallon for Linseed Oil (worth 60 cents) which you do when you buy other paints in a can with a paint label on it.

8 & 6 make 14, therefore when you want fourteen gallons of paint, buy only eight of L. & M., and mix six gallons pure Linseed Oil with it, and thus get paint at less than \$1.20 per gallon.

Many houses are well painted with four gallons of L. & M., and three gallons of Linseed Oil mixed therewith.
These Celebrated Paints are sold by Harry S. Lloyd.

The theatrical manager would rather have a full house than four of a kind.

Makes a Clean Sweep.
There's nothing like doing a thing thoroughly. Of all the salve you ever heard of, Bucklen's Arnica Salve is the best. It sweeps away and cures Burns, Sores, Blisters, Cuts, Boils, Ulcers, Skin Eruptions and Piles. It's only 25c, and guaranteed to give satisfaction by L. Taggart, Druggist.

Warning.
All persons are hereby forbidden from trespassing upon the property of this Company without a permit from this office, or the Superintendent at the works.

Letter to C. M. Thomas.

Emporium, Pa.
Dear Sir: Thomas J. Bannon, druggist, Westery, R. L., says:
Westerly painters expect a gallon of paint to cover 19 sets of blinds; Devoo covers 25; there is no such thing as rubbing this out.

(The usual reckoning is for a gallon to cover 16. We suspect the Westerly people don't wear their paint till it gets very shabby.)

Devoo covers more; of course, we know that; we know why too; it's all paint and full-measure.

Yours truly
F. W. DEVOO & Co.

Selfishness is the heart of sin.

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy condition, and for this purpose no better preparation can be used than Chamberlain's Stomach and Liver Tablets. For sale by L. Taggart.

The fussy are never effective.

Result of a Railroad Accident.
Wm. L. Maynard, of Centerville, Pa., for 20 years suffered a great deal of pain in the side and over the hips, caused by being crushed between the cars. After doing a little work he would always pass gravel. Five years ago he used three bottles of Thompson's Barosma, Kidney and Liver Cure and was completely cured, having had no return of the disease since. For sale by R. C. Dodson.

is often a man of small salary. He knows that it is important for him to appear neat and stylish, and he realizes that he cannot afford to pay the high prices charged by the "merchant tailor."
He has long ago solved the problem of how to dress in up-to-date apparel at a minimum cost by coming here and buying a Schloss-Made Suit.
They're ready the moment they're needed—They're fashionable, serviceable, and fit with the graceful swaggar that a young man likes, and best of all, they are not costly.
The illustration shows two of the snappiest Spring Styles. They are especially designed for young men of ultra tastes and particularly those who want to be up-to-the-minute in style. The price range

GRAND EASTER OPENING

WE have planned for several months to make a grand display and choose the Easter-time for this exhibition. Our enormous stock compels us to have more room to properly show same. We now occupy the entire "OLMSTED BLOCK" and have the largest floor space of any store in the county.
We respectfully invite the public to visit our store and inspect the different departments.
We entered this business with determination, energy and pluck and with the help of the generous patronage of the public, who appreciate honest and fair dealing, we have succeeded far beyond our expectations. We are now in a position to buy in larger quantities and therefore cheaper.
Our prices are marked in plain figures and are the very lowest that up-to-date furniture, made by skilled labor can be sold for.
We thank you all and hope to merit your future confidence and patronage.
