this spring, the water being a little too high. Several parties have been reported catching trout that were under size. A good chance for the fish warden.

What might have ended in a sad drowning affair Sunday afternoon was averted by the timely rescue by W. J. Mead. Two little girls crossing Wykoff Run fell in and the water carried them down the stream near a cribbing and if they had not been rescued, they would have been drawn under and both drowned. A bridge is needed at this place, as all are compelled to cross the railroad bridge. DEBSE.
