EDITORIAL MENTION.

On the last day of April the U. S. transport, Thomas, sailed for Manila with \$17,000,000 in silver coin for the Philippines. This is a partial new solution of the silver question.

There is a great exhibition of rogues at St. Louis. This means photographs of people who have been caught as rogues; it has nothing to do with the famous St. Louis hoodlums.

It is only a question of time when the old silver dollar of our daddies will be scarce and valuable, since Congress decreed that they be received into subsidiary coin. Put a way a few in some old stocking.

A Boston judge has decided that a wealthy man cannot leave all of his property to his second wife, because of her "undue influence" over him. The children by the first wife must have a due portion however the will is made.

If the torpedo proves to be the coming naval weapon of warfare, as some experts anticipate, England and her big fleet may be injured under the fifth rid. It will be remarkable if all the big war ships are to turn turtle and become obsolete.

The New York School Board has finally decided that teachers may marry and still continue to teach school. That has long been the custom in Utah. In fact in some Utah households a teacher is so much married he can set up a select school of his own under the family roof-tree.

A giant rice trust has been formed in some of the Southern States, to control the cultivation of that cereal and boom the market. Steps have been taken in Texas to fight the unlawful combination. The great trick is to induce Americans to live on a diet of rice, after the manner of the Chinese.

People interested in Wall street speculation are trying to reconcile the retrenchment programs of a number of big railway concerns, with the expansion of business by the United States Steel corporation. Possibly the great fires, notably the one in Baltimore, and the resulting rebuilding of burnt districts, may account for the many orders for steel.

The local weather forecaster in St. Louis knows as little about the weather as those engaged in the same business elsewhere. He predicted for the opening day of the big fair a gloomy morning, a threatening moon and a rainy evening. The result was the day was perfectly fair, from dawn to sunset. It is quite wonderful how the official forecaster manages to slip up on all important occasions.

Can the Blood be Purified.
Scientists agree that it cannot while the kidneys are weak or diseased. All the blood in the body passes through the kidneys every three minutes and is filtered by them. In order to have the blood cleansed properly the kidneys must be well and strong. Thompson's Barosma is the greatest kidney cure known. Thompson's Barosma reduces all the inflammation, neutralizes the acid and dissolves gravel, carrying off all matter that is poisonous to the blood, kidneys, stomach, heart and other organs. For sale by R. C. Dodson.

Enmity to new ideas is no proof of loyalty to old ones.

A Sure Thing.
It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherds town, W. Va., says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by L. Taggart Druggist. Trial bottles free. Regular size 50c, \$1.

Every man imagines he is some other man's best friend.

Mr. Joseph Pominville, of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble, without relief, was advised by his druggist, Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man to-day. If troubled with indigestion, bad taste in the mouth, lack of appetite or constipation, give these Tablets a trial, and you are certain to be more than pleased with the result. For sale at 25 cents per box by L. Taggart.

Some lawyers consider it a crime to confess a crime.

Ladies and Children.
Who can not stand the shocking strain of laxative syrups and cathartic pills are especially fond of Little Early Risers. All persons who find it necessary to take a liver medicine should try these easy pills, and compare the agreeably pleasant and strengthening effect with the nauseating and weakening conditions following the use of other remedies. Little Early Risers cure biliousness, constipation, sick headache, jaundice, malaria and liver troubles. Sold by R. C. Dodson.

Parading a cross is no proof of possessing a crown.

When the Sap Rises.
Weak lungs should be careful. Coughs and colds are dangerous then. One Minute Cough Cure cures coughs and colds and gives strength to the lungs. Mrs. G. E. Fenner, of Marion, Ind., says, "I suffered with a cough until I run down in weight from 148 to 92 lbs. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by R. C. Dodson.

A little sin may hold as much sorrow as a large one.

A Cure for Piles.
"I had a bad case of piles, says G. F. Carter, of Atlanta, Ga., "and consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve. I purchased a box and was entirely cured. It is splendid for piles, giving relief instantly, and I heartily recommend it to all sufferers." DeWitt's Witch Hazel Salve is unequalled for its healing qualities. Eczema and other skin diseases, also sores, cuts, burns and wounds of every kind are quickly cured by it. Sold by R. C. Dodson.

Do not hesitate to recommend Kodol Dyspepsia Cure to their friends and customers. Indigestion causes more ill health than anything else. It deranges the stomach, and brings on all manner of disease. Kodol dyspepsia Cure digests what you eat, cures indigestion, dyspepsia and all stomach disorders. Kodol is not only a perfect digestant but a tissue building tonic as well. Renewed health, perfect strength and increase vitality follow its use.

It is easier to endure failure than to bear success.

The winter wheat crop will be about a total failure, by present indications.

Lots of potatoes are being planted again this year, in hope of \$1 potatoes again next fall.

Barley will soon be on now but jobs of that kind are going to be scarce in this "neck of woods" this season.

Barley Bro's have their Muley Run landing broken and are now waiting for a rise in the creek for floating them.

The favorable weather of the last few days has enabled the farmers to get their oats sowed and early potatoes planted.

The peach crop for this season is "nit" and not only that, most of the trees of any size are killed. Apple trees bid fair now, if nothing interferes to make a good crop.

Bees in this section pretty much killed, some bee keepers, not having a solitary bee left, to start again with. Guess we shall have to get an iron clad brand of bees, or cross them with San Jose scale, as that doesn't winter kill.

A bad accident happened near the store of Barclay Bros., Wednesday forenoon. A team of Mr. McVicker's of Driftwood, with a party of fishermen on their way to Cooks Run, ran away, throwing them all out and breaking the left leg of Mr. Isaac Hatten, of DuBois, just above the ankle—a compound fracture.

He was taken to Driftwood by J. R. Batchelder and Dr. Smith of Emporium came down and reduced the fracture and sent him to the DuBois hospital. No one else in the party was injured.

A Great Bridge.

For over a month I had been troubled with a lame back and neck. The pain was severe that I could not sleep. I bought one bottle of Thompson's Barosma or Kidney Cure and before the bottle was used up I was as well as ever and wish to speak a good word for Barosma the "Bridge that carried me safely over." E. S. Gray Shamburg, Pa. For sale by R. C. Dodson.

Sins of the imagination are more than imaginary sins.

A Startling Test.

To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at L. Taggart's.

If you can't trust your own feelings make them pay cash.

Cured His Mother of Rheumatism.

"My mother has been a sufferer for many years with rheumatism," says W. H. Howard, of Husband, Pa. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain she was formerly troubled with." For sale by Jno. E. Smith, Sterling Run.

Protruding Piles Cured.

Five years ago I was troubled with protruding piles. They were very painful, and for six weeks I was unable to replace them. I used one 25c bottle of San-Cura Ointment, which relieved the pain and cured me entirely. I have had no return of them in five years. San-Cura also cured my daughter of the piles. I could make oath to the above, John C. Ross, Hydetsown, Pa. Druggists, 25c and 50c.

Do It To-Day.

The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" This is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. 49-ly.

EMPORIUM, PA., DEC. 20, 1902.

MR. H. H. McHENRY, I. C. S. Rep., DuBois, Pa.

Dear Sir:—Yours concerning the German course has just reached me, replying will say, I am thoroughly satisfied with the completeness. The amount of drill work given is sufficient to give me the ability to speak the language correctly and readily, and I have no trouble in getting the words in proper order in the sentence. I will confess that in the beginning I had doubts as to the practicability of the phonographic method. These doubts have all been removed by closer acquaintance and I am ready to say that the method has all the advantages claimed for it, and is in no way inferior to that of meeting your instructor face to face, but rather possesses many advantages. The possibility of taking up the work at any time, of having the word repeated over and over, without exhausting the instructor's patience, etc. I shall recommend the course to any one interested in languages.

Yours very truly,
E. S. LING, Supt. Schools.
