Booming Medix Run.

A corresspondent writes as follows from Medix Run, under date of May 4. to the DuBois Searchlight:

The B. & S., are now bringing trainloads of logs from the vicinity of Sinnamahoning to the big mill, the branch from the main line, of their new road coming across Bennetts Branch and under the Low Grade high bridge over Medix Run. The getting in of logs though is hampered by the newness of the tracks, which interfere with the ex-

peditious movement of the trains. The B. & S., are also preparing to get at the summer's lumbering operations up Medix Run. A number of Italians are working at the tracks laying extensions that are necessary in the forest to get the log trucks to the logs after they are skidded. This work by the company is somewhat in backward state as bark peeling should be under way in a very few days. The cutting will be let to whoever applies that is capable. It is the intention of the company to ran the big mill night and day just as soon as it can be properly fed with logs.

The B. & S., will also open coal operations up Medix Run. Two drifts have already been put in and the business of developing the coal industry

will go on as rapidily as possible.

So the outlook is for big business and a constant increase of it about Medix for years to come. And if found justifiable there is nothing to prevent the railroad going on over the water shed into the West Branch valley. In fact the acquisition of coal mines over along the West Branch by the B. & S., looks as though this extension was contemplated.

THE CHRISTIAN churches at Constantinople, Turkey, and Yokahoma, Japan, have long used the Longman & Martinez Paints for painting their churches.

Liberal contributions of L. & M. Paint will be given for such purpose wherever a church be located.

F. M. Scofield, Harris Springs, S. C., writes: "I painted our old homestead with L. & M. twenty-six years ago. Not painted since, looks better than houses painted in the last four years."

W. B. Barr, Charleston, W. Va., writes,

Painted Frankenburg Block with L. & M., shows better than any buildings here have ever done; stands out as though varnished, and actual cost of paint was less than \$1.20 per gallon. Wears and covers like gold.
