EDITORIAL MENTION.

The Chicago Republican Convention promises to be a regular love feast. Up to date out of 926 Republican delegates chosen, 813 have been instructed to vote for the President.

Senator Smoot, of Utah, gives it as his opinion, that President Roosevelt will carry that state by 10,000 majority. The political outlook might have been otherwise if the apostle had been unseated.

If any Methodists wish to play cards for recreation or to go to the theatre for amusement, they will have to do so on the sly, since the conference at Los Angeles has refused to change the rule against these forms of amusement. Dancing is also forbidden.

An ex-Congressman at work in a chain-gang is something new under the sun. Such is the fate of Geo. W. Murray, colored, formerly representing South Carolina at the National Capitol. He has been convicted of forgery, and a motion for a new trial has been denied. Is it certain that his conviction in S. C., was just.

There is a good deal of sense in Gen. Miles' proposition that 8,000 soldiers of the regular army be employed in times of peace as an engineering corps to locate roays for the good roads movement. They could co-operate with the surveyors of the several states and thus help to earn their living.

There is a report that the Parker boom is "sagging." Stranger still it is asserted that Wall Street Democrats and Tammany Hall are both working for Grover Cleveland and that he is regarded as more than a "respective candidate." The Bryan-Hearst men shout: "Any one but Parker!" All this is nuts for the Republicans. The more floundering the deeper the mud.

After all, the Philippinos who are coming to America will be the recipients of considerable attention and hospitality. The city of Boston feeling too poor to entertain them, the merchants of that town have subscribed a fund for the purpose. They will reach the "hub" on the 19th of June, and will remain for five days. It is a pity they could not witness the Battle of Bunker Hill on the 17th of that month.

Sued by His Doctor. "A doctor here has sued me for \$12.50, which I claimed was excessive for a case of cholera morbus," says R. White, of Conchella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails sold by L. Taggart.

American Fairness. It is not usual for any considerable part of the American public to attack a man in his grave. It is unusual to tear aside the ceremonies and make vicious assaults upon the unresponsive clay, says the Harrisburg Telegraph. Senator Quay, dead, was followed to the grave by assailants to whom the grave was not sacred. These men sought nothing that would redound to the dead man's credit, portrayed nothing but real or alleged weakness which all humanity inherits, denied to him even the commonest virtues he was known to possess. Standing just outside the portals of the great beyond they hurled invectives at the departing spirit that had entered there.

Fortunately for American decency comparatively few newspaper articles on Quay's character and political life were of the violent character. But unfortunately for American decency a few detractors had sought and obtained favors from the living leader and maligned him when he refused to be of further use to them. It must not be said that this is a common offense in Pennsylvania journalism. In this state, as a usual thing, only the living are reckoned with and the helpless dead are spoken of not at all if they cannot be applauded for the little good they may have done in life.

A Wonderful Saving. The largest Methodist Church in Georgia, calculated to use over one hundred gallons of the usual kind of mixed paint in painting their church. They used only 32 gallons of the Longman & Martinez Paint with 24 gallons of linseed oil. Actual cost of paint made was less than \$1.20 per gallon. Saved over eighty (\$80.00) dollars in paint, and got a big donation besides. EVERY CHURCH will be given a liberal quantity whenever they paint. Many houses are well painted with four gallons of L. & M., and three gallons of linseed oil mixed therewith. Wears and covers like gold. These Celebrated Paints are sold by Harry S. Lloyd.

For a Hundred Years. For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co., of Chicago, to discover how to combine the virtues of Witch Hazel with other antiseptics, in the form of a salve. DeWitt's Witch Hazel Salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this given rise to counterfeits, and the public is advised to look for the name "DeWitt" on the package, and accept no other. Sold by R. C. Dodson.

Heart going is the only giving. Driven to Desperation. Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, Cuts, Wounds, Ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25c, at L. Taggart's Drug Store.

Egoists haven't much to boast of. Thrown From a Wagon. Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by L. Taggart.

Silver sands are as slippery as any. A Strong Heart. Is assured by perfect digestion. Indigestion swells the stomach and puffs it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Kodol Dyspepsia Cure cures indigestion, relieves the stomach, takes the strain off the heart and restores it to full performance of its function, naturally. Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood and tissues all of the food nutriment. Self love gives sin its lodgment. That Beautiful Gloss comes from the varnish in Devoe's Varnish Floor Paint; costs 5 cents more a quart though. Sold by Murray & Coppersmith.

Rheumatism Neuralgia

To these two diseases probably mankind owes more suffering than to all others combined. While neither is ordinarily perilous, nevertheless Rheumatism lays the foundation for heart disease and Neuralgia leads to the morphine and opium habits. No matter how mild the case may be these troubles should never be neglected. A reliable remedy applied promptly will prevent endless pain and many sleepless nights.

Hamlin's Wizard Oil is such a remedy. Its use will bring instant relief in all cases and final cure in the great majority. Hamlin's Wizard Oil has cured thousands of people from all parts of the world. It can do the same for you.

Awkward deeds are better than eloquent dreams. "I have been troubled for some time with indigestion and sour stomach," says Mrs. Sarah W. If you have any trouble with your stomach why not take these Tablets and get well? For sale by Jno. E. Smith, Sterling Run

Triumphs of Modern Surgery. Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely, bones are spliced, pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on the same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Jno. E. Smith, Sterling Run.

Headless people bear needless pain. Starting Evidence. Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonsville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by L. Taggart, Druggist. Trial bottles free, regular sizes 50c. and \$1.00.

Rev. W. F. Gilbert Permanently Cured of Piles. For twenty years I suffered with bleeding and itching piles, at times was confined to the house for more than a month. Two years ago I began using San-Cura Ointment and one 50 cent bottle made a firm and permanent cure, and have not been troubled since. I am glad to give this testimony and will guarantee San-Cura if used as directed. Rev. W. F. Gilbert, Pleasantville, Pa. Druggists, 25c and 50c. sold by R. C. Dodson.

Don't get discouraged. Do It To-Day. The time-worn injunction, "Never put off till to-morrow what you can do today," is now generally presented in this form: "Do it to day!" This is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. 49-ly.
