THE COUNTY.

MASON HILL.

Mrs. Alzina Barr visited friends at Hicks Run last week.

Mr. and Mrs. Wm. Springer was seen on our streets Sunday.

Miss Cora Russell spent Sunday with friends at Hicks Run.

C. J. Miller's smiling face was seen on our streets Sunday.

Leonard Dill, of Huston Hill, was seen on our streets Wednesday.

Claude Williams, of Medix Run, spent a few days with his parents last week.

Mr. Saul Mix, of DuBois, is making an extended visit with relatives here.

Mrs. James Bennett, of Croyland, is visiting her parents, Mr. and Mrs. Russell.

Miss Edna Collins, of Huntley, was the guest of Miss Ethel Barr over Sunday.

Mrs. A. H. Barr and Mrs. Francis Connor spent Tuesday with Miss Maggie Farley.

Bernard Marsh, of Renovo, was the guest of his parents, Mr. and Mrs. Wesley Marsh, Thursday.

Mrs. J. M. English, of Castle Garden, visited her daughter, Mrs. C. M. Bailey, during the latter part of last week.

Rev. Faus, of Sinnamahoning, has taken up an appointment here and delivered a very interesting sermon last Sunday.

Charley and James Carson have returned to St. Marys, after spending part of their vacation with their grandparents, Mr. and Mrs. J. O. Jordan.

A number of people assembled at the home of Mr. and Mrs. J. M. Russell, Saturday, June 18th and celebrated the 63rd anniversary of their wedding.

All had a very enjoyable time as Mr. and Mrs. Russell always extend a hearty welcome to all.

This old couple have resided on this Hill for many years and have built a comfortable home, where they expect to spend the remainder of their days.

They have spent many happy years together and at present are enjoying good health and are able to do their own work.

Mr. Russell was a faithful soldier in the Civil War and is now in his 86th year.

He still feels young enough to fight his country if it were necessary and also delights in playing his violin and shooting his gun.

Mrs. Russell is in her 75th year. They always have their latch string out and no one ever leaves their home hungry as was proved to those present Saturday.

Nothing pleases them more than to have lots of company and because of their kindness to every one they are generally called "daddy" and "mother."

Sy Me's.

FIRST FORK.

Some claim the wet weather has blasted most of the apple crop.

The good weather of the last few days has given the farmers a chance to dress their potatoes and corn.

Mrs. Will Mahon and son Clyde, of Costello, were visiting relatives here a couple of days last week.

Manley Moore has got a large invoice of telegraph poles and fence posts for shipment on the B. & S. R. R.

The log train is hauling lots of logs to Medix Run and the lumber and slabs, are hauled back by here on their way to Buffalo and other markets.

Marshall English lost a right arm in a tussle with a log train on Monday of last week and was taken to Austin hospital, where Dr. Bradford, the Company's surgeon, fixed him up.

Martin Bowen has returned from the hospital at Olean, N. Y., where he underwent an operation for cataract of the right eye, but the operation was not a success, and he has lost the sight of that eye.

J. P. Hurlburt, of Lorshbaugh, wears a broad smile all on account of a boy born in Coudersport and named after the editor of the Potter Journal, with Hurlburt as his last name.

Editor M. J. Colcord, of the Potter Journal and two sons, Harold and Eddie, were visiting his father, D. D. Colcord over Sunday and Monday.

They were looking for some of the "speckled beauties" over six inches long, but we didn't hear what success they had.

Rattlesnake killing is now on and luckily the law does not restrict the length to six inches, as in the case of trout.

The fish law may be and undoubtedly is all right, but it looks hardly fair to fine a man \$10 a trout, for catching two or three for a sick wife or child and let a pulp and paper mill kill them by the 1,000 with no redress, but then you know the old saw, "corporations have no souls."

NUFF SED.

June 20, 1904.

THE LADIES favor painting their churches, and therefore we urge every Minister to remember we give a liberal quantity of the Longman & Martinez Paint toward the painting.

Wears and covers like gold.

Don't pay \$1.50 a gallon for Linseed Oil (worth 60 cents) which you do when you buy other paints in a can with a paint label on it.

8 & 6 make 14, therefore when you want fourteen gallons of paint, buy only eight of L. & M., and mix six gallons pure Linseed Oil with it, and thus get paint at less than \$1.20 per gallon.

Many houses are well painted with four gallons of L. & M., and three gallons of Linseed Oil mixed therewith.

These Celebrated Paints are sold by Harry S. Lloyd.

Sued by His Doctor.

"A doctor here has sued me for \$12-50, which I claimed was excessive for a case of cholera morbus," says R. White, of Conchella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails sold by L. Taggart.

Some men are chronic kickers and some others are too lazy to kick.

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely, bones are spliced, pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment.

Chamberlain's Pain Balm acts on the same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Jno. E. Smith, Sterling Run.

That many a man's success is due to the failure of some other man.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonsville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by L. Taggart, Druggist. Trial bottles free, regular sizes 50c. and \$1.00.

Gentle sines are likely to have rough consequences.

Worst of all Experiences

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years" she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by L. Taggart, Druggist.

Ask the readers of this paper to test the value of Kodol Dyspepsia Cure. Those persons who have used it and who have been cured by it, do not hesitate to recommend it to their friends. Kodol digests what you eat, cures indigestion, dyspepsia and all stomach troubles. Increases strength by enabling the stomach and digestive organs to contribute to the blood all of the nutriment contained in the food. Kodol Dyspepsia Cure is pleasant and palatable.

Thrown From a Wagon.

Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by L. Taggart.
