A Continual Strain.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and dispendency. They cannot, as a rule, get ride of this "continual strain," but they can remedy its health destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. At all druggists. 48-ly.

Misery may love company but it gets tired of miserable company.

A Strong Heart.

Is assured by perfect digestion. Indigestion swells the stomach and puffs it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Kodol Dyspepsia Cure cures indigestion, relieves the stomach, takes the strain off the heart and restores it to a full performance of its function, naturally. Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood and tissues all of the food nutriment. Tones the stomach and digestive organs. Sold by R. C. Dodson.

She Struck Luck.

About six years ago I sent to the store for some medicine and they sent me some Thompson's Barossa or Kidney and Liver Cure. The first bottle did me so much good that I bought the second and it cured me of female weakness, with which I had been troubled over two years. I gained in strength and flesh and have been well ever since. Mrs. M. Grove, Plum Pa. Sold by R. C. Dodson.
