Mothers and Daughters

Every woman who has a grown daughter knows well the worry and anxiety which always comes at that period of life when girlhood merges into womanhood. Upon a girl's condition at this time depends her future health, strength and happiness. Too much care can not be taken to see that she passes through this period safely.

It will keep the roses in a girl's cheeks and prevent that tendency to decline which so often endangers her life at this critical point in development. This Herb Tea is likence of corresponding to the system of the syst

SINNAMAHONING.

James Fiscus had an arm broken on

Good growing weather and farmers are busy cultivating.

Hay and potatoes are looking good and comise a good crop. Bass fishing is in season now, but there

don't seem to be many to catch. "Lon" Bailey went to Williamsport ast week to have his eyes treated.

John Legue's pet crow is dead. He could not stand a surgical operation. Boyd Lucas, of New Mexico, is shak-

ing hands with his many friends here. Mrs. Frank Lenman, of Brookville, was visiting her friends here this week. Henry Ludlam, of Emporium, was in

town Monday looking after delegates to Democratic county convention.

Howard Speaker, who has been undergoing an operation at the Williamsport hospital, is able to sit up. He speaks highly of the institution. The festival held Saturday evening on

Mr. G. F. Barclay's lawn by the Ladies Aid Society, was a success. All present had a splendid time.

Capt. and Mrs. C. F. Barclay are home from a two week's outing. The Captain has a drawing of a fine large trout he caught while away. It is reported that a good many fisher

men, when they catch a trout under six inches, instead of handling it carefully throw it down hard enough to kill it. They think to vent this spite on the innocent little fish. Such are brutes.

Since the water has gotten low in the First Fork, it is very bad and fish are dying by the thousands, which makes an wful stench along the creek, but the Fish Wardens just wink at that and go for the lone fisherman or woman, as it

The July McClure's.

There are real things in the July Mc-Clure's. They fairly crowd each other from cover to cover, and leave a lasting impression of vigorous life and interest. There is more even than this on these pages. There is deep significance and rich enjoyment. In the opening article ex-President Cleveland tells the inside story of "Tho Government in the Chicago Strike of 1894." Here for the first time in print are the facts concerning this great industrial crisis and the manner in which it was met by the Federal courts and authorities. It is a graphic story as well as most illuminating of the rowers and duties of the government.

Ray Stannard Baker, in his study of the labor problem, finds that to-day "Organized Capital Challenges Organized Labor." He describes the new Employers' Association movement, its

methods and meaning. In the fiction there is richness for all. The third installment of George Madden Martin's first serial, "The House of Fulfilment," sustains interest and fulfills the high anticipations felt for the author of "Emmy Lou." Henry Wallace Philips has a "Red Saunders" story, which picture that worthy in the humorons dual role of presiding at a lynching bee and solving the labor problem on his sheep ranch. Myra Kelly takes her little children of the poor away from the East Side to Central Park, "The Land of Heart's Desire." "Larkin," by Harvey J. O'Higgins, is a pathic little love story of the "plain people." In "By-Way of Loss" Mary Josephine Mayer illustrates the old adage concerning clouds with silver linings in a bright way. A clever and comical story by a new writer is "Hi Chee's Hlorsee," by Clara Byrnes. Richard F. Wood tells a wierdly mysterious tale of the tragedy of a woman's death in "The Ringing of the Bell," and Inez Haynes Gillmore offers a sparkling sketch of the meeting of two congenial spirits, a man and a women, "On the Doorstep" and what came of it.

Florence Wilkinson contributes a poem, "The Far Country," and the number concludes with an editorial announcement converning Miss Tsr bell's History of the Standard Oil Company, additional chapters of which are to appear this fall, all to be included in a book to be published by McClure, Philips & Company.

In the trials of life your friends are always willing to be both judge and jury.

Rev. W. F. Gilbert Permanently Cured of Piles.

For twenty years I suffered with bleeding and itching piles, at times was confined to the house for more than a month. Two years ago I began using San Cura Ointment and one 50 cent bottle made a firm and permanent cure, and have not been troubled since.

I am glad to give this testimony and will guarantee San-Cura if used as directed. Rev. W. F. Gilbert, Pleasantville, Druggists, 25e and 50c. sold by Sued by His Doctor.

"A doctor here has sued me for \$12.-50, which I claimed was excessive for a case of cholera morbus," says R. White, of Conchella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy that this in a case of cholera morbus, it never fails sold by L. Taggart.

Triumphs of Modern Surgery. Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely, bones are spliced, pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamber-lain's Pain Balm acts on the same prin-It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Jno. E. Smith, Sterling Run.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr.
King's New Discovery for Consumption,
Coughs and Colds to be unequaled. A
recent expression from T. J. McFarland,
Bentorville, Va., serves as example. He
writes: "I had Bronchitis for three
years and doctored all the time without
being herefield." Then L became taking being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally ef-fective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by L. Taggart, Drug-gist. Trial bottles free, regular sizes 50c, and \$1.00.

THE LADIES favor painting their churches, and therefore we urge every Minister to remember we give a liberal quantity of the Longman & Martinez Paint toward the painting.

Wears and covers like gold.

Don't pay \$1.50 a gallon for Linseed
Oil (worth 60 cents) which you do when you buy other paints in a can with a

paint label on it.

8 & 6 make 14, therefore when you want fourteen gallons of paint, buy only eight of L. & M., and mix six gallons pure Linseed Oil with it, and thus get paint at less than \$1.20 per gallon.

Many houses are well painted with four gallons of L. & M., and three gal-ons of Linseed Oil mixed therewith. These Celebrated Paints are sold by

Harry S. Lloyd. Every man has his faults but there are some who got the first grab.

Ask the readers of this paper to test the value of Kodol Dyspepsia Cure. Those persons who have used it and who have been cured by it, do not hestitate to recommend it to their friends. Kodol digests what you cat, cures indigestion, dyspessia and all stomach troubles. Increases strength by enabling the stomach and digestive organs to contribute to the blood all of the nutriment contained in the food. Kodal Dyspepsia Cure is pleasant and palatable.

And certain people we know the mantle of righteousness is an awful misfit.

For a Hundred Years.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co., of Chicago, to discover how to combine the virtues of Witch Hazel with other antiseptics, in the form of a salve. DeWitt's Witch Hazel Salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this given rise to counterfeits, and the public is advised to look for the name "DeWitt" on the package, and accept no other. Sold by R. C. Dodson.
