

### Womanly Health, Strength and Beauty

Strength and beauty in woman depend entirely upon her health. A woman cannot look her best if suffering from one or more of the many ailments peculiar to her sex. These ailments invariably cause, sooner or later, the loss of her symmetry of form and freshness of complexion.

### AUNT DINAH'S OLD VIRGINIA Herb Tea

Makes Strong and Beautiful Women. It is a most pleasant and effective remedy for the troubles which cause so much suffering among women the world over. It relieves immediately and eventually cures all cases of disordered menstruation, female weakness, prostrated chronic constipation, sick head aches, nervousness and sleeplessness. These are the ailments which deprive a woman of her youth and beauty and make her old before her time. The use of the Herb Tea will enable her to retain these qualities. It clears the complexion and improves the form. A cupful at bed time will give a woman health and strength.

Chicago, April 19, 1903. Gentlemen—My wife had been suffering with female weakness and extreme nervousness which latter the physician who has been attending her for a long time attributed to her being unable to sleep. After tossing about all night, she would invariably rise in the morning with a terrible headache. The doctor seemed to be able to do nothing for her and she was constantly getting worse. She decided to try your Herb Tea and drank a cupful before retiring. In the morning she arose after a good night's rest and without a headache for the first time in months. She has continued taking it during the past three months and has forgotten what a sleepless night means. She is feeling splendid and every one remarks how well she is looking. Her complexion is as clear as a young girl's and her figure has improved wonderfully. Yours truly, N. J. TAYLOR, 5233 Cornell Av., Chicago, Price, 25c.

### Excursion Train Wrecked.

Last Sunday a serious wreck occurred as the train neared Portage Falls. The following from Bradford Star in the main, is correct: The train was running through the village at a good rate of speed, when the locomotive and baggage cars left the track and ran along the ties for about 600 feet. The locomotive crashed into the sides of a tool house, wrecking it completely. The tender was thrown to the opposite side of the track. The emergency brakes on the cars were automatically set, as soon as the locomotive became detached from the train and the cars were brought to such a sudden standstill that passengers were thrown forward in their seats and in the aisles with great force. The most seriously injured person was Mrs. Harriet Coe, of No. 80 Summer Street. She was walking toward the water tank for a drink when the cars stopped. Mrs. Coe is 80 years old, and had not sufficient strength to withstand the shock. She was thrown violently to the floor and rendered unconscious.

Constable William W. Tadder was standing in the aisle. He was talking to Constable and Mrs. Charles Spreter, and he was thrown with great violence against the seats ahead. He sustained injuries to his right arm, body and hip. Mrs. E. F. Logan, of No. 18 Summer Street, had her spine injured. She did not feel the effects of it until she reached home. She is in a serious condition to day.

Mrs. M. Love, once a resident of Bradford, an Emporium woman, Mrs. John Hurst and Mrs. Charles Spreter were all either cut or bruised, but not seriously. Minor injuries were sustained by many people on the train. Mrs. Coe is in a serious condition at the Bradford hospital. Her face and body were badly cut and bruised and owing to her great age the shock is a serious feature of her condition. She has not improved any since the wreck.

For a lazy liver try Chamberlain's Stomach and Liver Tablets. They invigorate the liver, aid the digestion, regulate the bowels and prevent bilious attacks. For sale by L. Taggart.

A little practice proves more than a lot of polemics.

#### A Continual Strain.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and indispensity. They cannot, as a rule, get ride of this "continual strain," but they can remedy its health destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. At all druggists. 48-ly.
