Section one of the Act provides for the registration by the owner or owners in the office of the Prothonotary of one of the counties of Commonwealth. Section three provides for the granting of a certificate, and the fee for filing and entering the same, \$2.00.
The Act is a long one, but the main points for owners of automobiles are embodied in sections five, six, seven, eight and nine, as follows:

Provided, however, that upon sharp curves, sharp bends or on the immediate approach of any person or team, and at the intersection of any cross-road, the speed shall not exceed one mile in six minutes. And provided further, that nothing in this section shall permit any person or persons to drive an automobile at a greater speed than is reasonable, regarding traffic, danger or injury to property, at any time or at any place.

How a Doctor Was Cured.
"For two years I was troubled with lumbago, or pain across my kidneys, the pain shooting down my thigh (especially on taking cold the pain would be terrible), a continual grinding, aching pain. One bottle of Thompson's Barosma, Backache, Live and Kidney Cure gave me immediate relief. I am now taking Barosma with great benefit as it reduces all inflammation of the stomach, liver and bladder, the great organs that regulate the whole system and purify the blood." Dr. A. S. Hubbard, 94 Brook St., Titusville, Pa. For sale by R. C. Dodson.
When a fellow begins to build castles in the air it's all up with him.
Discovery Concerning Rheumatism.
It is now known positively that rheumatism is caused by uric acid in the blood. The only possible way to get this poison away is to get this poison out of the blood is to treat the kidneys, as when they are diseased or not acting properly, the uric acid passes from the kidneys into the blood. Thompson's Barosma or Kidney Cure acts quickly, taking up the uric acid, curing the kidneys and restoring them to their normal functions. Thompson's Barosma is pleasant to take. For sale by R. C. Dodson.
