EDITORIAL MENTION.

Mr. Davis is to old a bird to be trapped into parting with any of his hard earned savings for the purchase of a piece of blue sky.

Would Judge Parker have unearthed the postal frauds in the vigorous and fearless manner of President Roosevelt? No, that would have been undignified.

Judge Parker's lips and Mr. Davis' money bags are both securely locked. David B. Hill holds the combination to the one; chairman Taggart would like to know the combination to the other.

The fact that the Republicans in Nebraska are confidently claiming the state for Roosevelt, while conceding the legislature to Bryan, shows plainly what kind of support Bryan is giving to Parker.

When reading Judge Parker's speech of acceptance the Independent must have skipped the paragraph dealing with the Philippine question. We ask our readers to compare Judge Parker's utterance upon this subject with the declaration in the present Democratic county platform. May we ask which of these deliverances represents the views of the Independent.

In writing the report of the late Democratic county convention we presumed that the chairman of the county committee knew how to take some good-natured chaff. It was simply our little way of recognizing him as the most active and influential force in the local Democratic situation. The reference to "grammatical and rhetorical errors" was a piece of empty chaff. The chairman of the Democratic county Committee does not need to come to us, nor to any one, for a diploma in grammar or rhetoric.

Healthy Mothers.

Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Boschee's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough racked consumptive. New trial bottles, 25; large size, 75c. At all druggists. 49-Jy.

Warning.

All persons are hereby forbidden from trespassing upon the property of this Company without a permit from this office, or the Superintendent at the works.

Straw votes are being taken in various parts of the country as an indication of the blowing of the political wind. In Chicago these votes show a great gain for Roosevelt. In Savannah the vote might be just the other way.

The State Department announces that the Government has not invited any of the crowned heads of the Old World to visit the St. Louis exposition. The reason is that Congress neglected to make an appropriation for their entertainment. If one should happen to come over, however, he will be made welcome, and the President will take him rough riding on horse back, rain or shine.

In his letter of August 16th to the Grand Army in Boston the President foreshadowed his policy regarding the Filipinos. He said: "Under the lead of your comrades the Philippine Islands were won for the cause of civilization, of civil liberty, and of peace and justice." This is all any reasonable people can ask for, and with these will come prosperity and contentment.

There is considerable anxiety manifesting itself among the Democrats regarding the part Messrs. Bryan and Hearst will take in the campaign. This is amusing, when one considers with what scant courtesy they have been treated by those who are now running the party. If Bryan and Hearst were of such slight consequence before the St. Louis convention it can be of little importance what they do or say since the convention.

It is generally admitted that this year New York is a doubtful state, and the political fight will be hot there as in any state in the Union. It has not yet been decided who will be the candidate for governor for either party, but it is understood that Mr. Root positively declines to run. Col. Lamont says the nomination has not yet been offered to him! Whoever runs for governor, neither party will surrender the state without a desperate effort to hold it. It is the Port Arthur of the situation.

The great fair at St. Louis is doing very well, and if no calamity befalls it, the money advanced by the United States is likely to be repaid. Already nearly two millions of dollars have been refunded to the Treasury which leaves \$2,600,000 more to be paid. The people of Europe appear to take a deeper interest in the fair than those of this country. It was the Emperor of Germany who advised some of his wealthy American hosts to return to the United States, and visit St. Louis. He hoped they would look at some of the art treasures contributed by Germany, and possibly purchase a few.

Letter to Fred Julian.
 Emporium, Pa.

Dear Sir: A gallon saved is \$4 or \$5 earned. Devoe saves 2 or 3 gallons in 10. How much is it worth a gallon?
 A gallon saved saves the painting too; and both together cost \$4 or \$5—\$4 where labor is cheap; \$5 where labor is dear.

Our agents in Bridgeport, Conn., Hubbell & Wade Co., tell us: "There are a great many workmen's houses here. They used to paint lead-and-oil and take ten gallons. We have been selling them ten gallons Devoe lead-and-zinc, and have had, in every instance, two gallons returned." The proportion is often higher than that; we have known it five in ten; but that is exceptional.

This is the explanation; Devoe is ground by machinery, and is ground fine; lead-and-oil is mixed by hand, and isn't ground at all.

Yours truly,
 F. W. Devor & Co.

Sore Throat

Throat affections should never be neglected. Sore Throat leads to Quinsy and Diphtheria. It is of vital importance to have a remedy at hand in the early stages of troubles of this nature. Many are the deaths that have resulted from a neglected Sore Throat.

will cure this disease more quickly and effectually than any other liniment manufactured.

Last summer I suffered constantly with Sore Throat and had the best doctors I could get, but they gave me no relief. The first application of Hamlin's Wizard Oil gave me relief and by using it a few days I was entirely cured. A bottle of Hamlin's Wizard Oil is worth its weight in gold to any person.
