For blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. CANNON RIDICULES PARKER'S VIEWS.

He Contrasts Republican and Democratic Records on Pension Legislation. Hastings, Neb., Sept. 27.—Speaker Joseph G. Cannon, accompanied by Congressman Watson and several prominent Nebraska Republicans, continued his tour of Nebraska yesterday. His principal speech was made at Hastings. Speaker Cannon discussed that part of Judge Parker's letter of acceptance relating to the President's order providing for a graduated pension scale, and to Parker's pledge that if elected he will revoke Pension Order No. 78 and use his influence to obtain the passage of a bill providing for an age pension without reference to disability, and said: "I ask what age, Parker, what age? Will it be 75, 65, 62 years, or what? Indefinite still you are, and probably not sincere, but suppose that you are elected President, Mr. Parker, and you use your influence, what will that bring in the meantime? From 25,000 to 50,000 people will have their pensions taken away from them, while you promise to use your influence to have Congress pass a service pension law without stating the age you propose to recognize. Now, I ask you, Mr. Parker, if you are elected President, who will control the House of Representatives? Will not two-thirds of the Democrats in that body be made up of members from the South, and are they liberal people with pensions for the Union Soldiers? Let us read a chapter from the history of pension legislation as it stands on the statute books to-day. There are fourteen bills that have been passed from time to time and these bills from the pension code. Who passed them? Democrats for bills, 417; Democrats against bills, 648; Republicans for bills, 1,068; Republicans against the bills, none. That's how the record of the vote upon those measures stands."

Church Notes. The finest city and village Churches are painted with the Longman & Martinec Paints, and we want every Church to accept our donation whenever they paint. 8 & 6 make 14, therefore when you want only eight of L. & M.; and mix six gallons of pure Linseed Oil with it, making actual cost of paint about \$1.20 per gallon. Don't pay \$1.50 a gallon for Linseed Oil (worth 60 cents) which you do when you buy other paints in a can with a paint label on it. Many houses are well painted with four gallons of L. & M. and three gallons of Linseed Oil mixed therewith. Wears and covers like gold. These Celebrated Paints are sold by Harry S. Lloyd.

A jolly man always finds himself in good company. A Terrible Case of Eczema. San-Cura Ointment has no equal for Eczema. One year ago my face and neck were one mass of raw sores; the doctor said I had Eczema and Erysipelas. I had not slept for weeks, with itching, burning pain. It was terrible! The first night I used San-Cura Ointment, I slept all night for the first time in weeks, and in a short time was completely cured. Chas. Fay, Townsville, Pa. Druggists, 25c and 50c. For sale by R. C. The October Woman's Home Companion makes good the boast that it is an "all-round" magazine. Besides articles of especial interest to women on Fashions, Home, Entertainments, Cookery, etc., there is an unusual number of timely features. Leo Fairchild writes on "The Funny Side of a Political Campaign," there are four unusual unpublished portraits of the Presidential candidates; David Belasco, in his "Advice to the Girl with dramatic Ambition," gives some inside information as to how to get on the stage; Morgan Robertson the well-known writer of sea tales, has a thrilling description of the submarine boat. "The Peace-Making Terror of the Seas." The great serial, "The King of Diamonds," begins in this number, and there are excellent short stories by J. L. Harbour, Sara Ambler and Gilbert Wilson. Published by The Crowell Publishing Company, Springfield, Ohio; one dollar a year; ten cents a copy.

Stewart Edward White writes from the remotest fastnesses of the Sierras that he and his bride are enjoying their honeymoon in the wilds immensely. Though gently bred and fresh from the highly civilized life of Newport, Mrs. White according to her husband's report, "sleeps on the ground, eats camp fare with relish and is simply lost in wonder at this most magnificent country in the world." "We've come over some trails," he adds, "but you can't scare her out." Mr. White's latest story, "The Rawhide," which begins serially in the November number of McClure's. It is announced, has its scene laid in the deserts of Arizona, a very different but quite as wild and beautiful bit of nature.

Letter to J. H. Day. Emporium, Pa.

Dear Sir: Good yarn. How we got our agent at Delhi, N. Y. Gladstone & Paine were agents for us; we mustn't tell names. We wanted 'em. Paine was painting his big Colonial house. Said it took 10 gallons of white for the trim. We sent him 10 gallons and said; if you get it all on, no pay; if you have any left, return it and pay for the rest. Agreed.

He returned four gallons and took the agency. Four or five years ago. He knows now that his old paint was adulterated; that's why it took ten gallons to equal six of ours. Go by the name; there is but one name to go by; Devoc lead and zinc. Yours truly, F. W. DEVOR & Co. P. S. Murry & Coppersmith Co., 43.

In Praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"Allow me to give you a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mr. John Hamlett, of Eagle Pass, Texas. "I suffered one week with bowel trouble and took all kinds of medicine without getting any relief, when my friend, Mr. C. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind." For sale by Jno. E. Smith, Sterling Run. A jolly good fellow is the one who foots the bill. From 148 to 92 Pounds. One of the most remarkable cases of a cold deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by R. C. Dodson.

It's an easy matter to be honest on a good income. The Stomach is the Man. A weak stomach weakens the man, because, it cannot transform the food he eats into nourishment. Health and strength, cannot be restored to any sick man or weak woman without first restoring health and strength to the stomach. A weak stomach cannot digest enough food to feed the tissues and revive the tired and run down limbs and organs of the body. Kodol Dyspepsia Cure digests what you eat, cleanses and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach troubles. Sold by R. C. Dodson.

To think well you must eat and drink well. Fearful Odds Against Him. Bedridden, alone and destitute. Such, in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with Kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies: "I'm on the road to complete recovery." Best on earth for Liver and Kidney troubles and all forms of Stomach and Bowel Complaints. Only 50c. Guaranteed by L. Taggart, Druggist.
