Don't Remove a Shingle.

Under the stimulus and with the protection of wise legislation in Congress, inaugurated by the Republican party, the country has made great progress in material ways in the past ten years. It has required ten years to bring us to our present condition of prosperity.

The voters must realize that a considerable portion of that ten years' work could be undone, practically, in the few moments of time required to cast a Democratic ballot for Congressman and President, if it should turn out that a majority of the votes cast were Democratic.

Every one knows it is easier to tear down than to build. It is so in politics as well as in physics. The voters who have built up the Republican legislative structure should be careful that they don't remove so much as a shingle from the roof, this fall. And that admonition applies as well to the independent and the gold Democrat as to the Republican, for it was through their united efforts that a Republican Congress has been maintained in power long enough to accomplish this work.

All of which means that the wisest course is to elect a Republican House of Representatives this fall.

Democratic candidates for Congress may denounce the Republicans Philippine policy but they never have courage to quote the record of the Democrats of the House on the disposition of Philippine problems.

9. No permanent camp or other structure may be erected on the Reservation.

10. The pre-emption of any ground as a special camp site to the exclusion of others who may desire to camp near and who have permission to camp on State Lands, will not be permitted.

11. All persons who desire to picnic upon the State Forestry Reservation Lands, remaining for a less time than a day, and not over night, are not regarded as campers and will not be required to procure a camping permit, but will be governed in all other respects by these rules.

A blank application containing the rules for the government of campers will be forwarded to the applicant, who must sign and return the same to the Commissioner. They are likewise vested with similar powers of arrest in the case of offenses against these Rules, or for offenses committed against the laws for the protection of the fish and game found within the State Forestry Reservations.

All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by the use of Kodol Dyspepsia Cure, I concluded to try it. The first bottle benefited me, and after taking four bottles, I am fully restored to my usual strength, weight and health." Kodol Dyspepsia Cure digests what you eat and cures. Sold by R. C. Dodson.

A Continual Strain.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and dispendency. They cannot, as a rule, get ride of this "continual strain," but they can remedy its health destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. At all druggists. 48-ly.

Emporium, Pa.

Dear Sir: Devos is worth \$4 or \$5 a gallon, put-on; how much is another paint worth?

Depends on how many gallons you've got to put-on, to be equal to one of Devos.

Mr. J. J. Hall, Sheffield, Pa., painted two houses one coat, five years ago, lead-and-oil, took 40 gallons.

Last summer bought 40 gallons Devos for same houses; had 10 gallons left.

Mr. N. Avery, Delhi, N. Y., owns two houses exactly alike; painted one with Devos; took 6 gallons. The other with some other; took 12 gallons.

What'd you give for those off-paints? Bear in mind, you've got to pay for the painting.

Yours truly,
F. W. DEVOS & Co.
