AIDS TO SUCCESS.

I'm thankful, truly thankful, I have kind and loving friends Who wait with willing hearts and hands to help me gain my ends; The faith which they repose in me is strength through thick and thin, I dare not disappoint them, so I feel I'm bound to win.

And yet, I must be truthful, so I frankly here confess There is another stronger force impells me toward success: A doubting few have said I'll fail, and so I feel I must To make them swallow their remarks—confound 'em!—win or bust.

—Nixon Waterman.

School Report. (First Month.)

Table comparing 1865 and 1904 school statistics. Total enrollment to date: 697 (1865) vs 700 (1904). Average attendance: 659 (1865) vs 628 (1904). Percentage of attendance: 96 (1865) vs 93 (1904). Number present every day: 398 (1865) vs 352 (1904). Number tardy: 43 (1865) vs 68 (1904). Number sick: 22 (1865) vs 82 (1904). Number of visitors: 79 (1865) vs 82 (1904).

The best attendance records were made by the following schools: Miss Lett's and Miss Hitchie's, 96; Miss Larrabee's, Miss Cummings', Miss Cleary's, Miss Bair's, Miss Heilman's, Miss Ling's and Miss Horton's, a fraction over 97.

The above record in attendance is good. Were it not for the default of a few the record would be much better. Good work is being done in the class room. We wish that at least 100 patrons would visit the schools this month to see the work for themselves. Will you be one?

Mothers and Daughters

Every woman who has a grown daughter knows well the worry and anxiety which always comes at that period of life when girlhood merges into womanhood. Upon a girl's condition at this time depends her future health, strength and happiness. Too much care can not be taken to see that she passes through this period safely.

AUNT DINAH'S OLD VIRGINIA Herb Tea

A BOON TO WOMANKIND

It is of the greatest assistance to nature in bringing about the change which takes place, without disturbing the natural functions of the system. It is a strengthening tonic. It will keep the roses in a girl's cheeks and prevent that tendency to decline which so often endangers her life at this critical point in development.

This Herb Tea is likewise of corresponding value and assistance to mothers and mothers at the end of this period. Its use will at this time prevent endless pain and worry. A woman will enter the evening of life with scarcely the knowledge that the change has occurred. Many are the thankful women who know the value of Aunt Dinah's Old Virginia Herb Tea and are grateful for the benefits derived from its use.
