J. C. McQuay, of Seneca, N. Y., visited with his brother R. R. McQuay and family at this place Monday, while en route to Turbotville to see his sick sister. Joel Shives returned last week from the west where he has been for the past two years.

Mr. and Mrs. Joseph Butler, of Port Allegheny, Pa., drove to Emporium last Tuesday, remaining with Mr. and Mrs. C. L. Butler and family until yesterday. Mr. Butler conducts the Connolly House at Port, in addition to conducting an extensive business as shipper of live stock to New York. Jos. is a hustler and is popular at home as well as in Emporium, where he worked like a Trojan in Howard's mill, at the lever. We are pleased to know that he is prosperous, happy and contented with his happy little family.

The county wishes for Representative a man who represents the best intelligence and moral sense of the community.

**See the Difference.**  
Mr. Josiah Howard, the Republican candidate for Representative, collects large sums of money from outside of Cameron county and disburses the same at home, while his opponent collects large sums of money in Cameron county, from its people and sends the same out of the county.

Mr. Blumle after promising to drop his fight against Mr. Mullin, unless Mr. Mullin was a candidate now asks to be elected the third time. Vote down the idea that Mr. Blumle is three times as good as Mr. Howard.

**Bishop Whitehead Coming.**  
The Rev. Mr. Robertson, Rector of Emmanuel Church, has just received notice that Bishop Whitehead will make a visitation to this Parish on Wednesday, November 30th and will administer confirmation in the evening.

The ladies of Presbyterian church will serve dinner and supper in the basement of the new church, Tuesday, Nov. 8th, from 12 to one and from five until all are served.

**Election News.**  
The Business Men's Club have completed agreeable arrangements to display the election returns on a large canvas in front of the Keystone Powder office and A. A. McDonald's store. A large stereopticon has been purchased for the occasion. Both the Postal and Western Union wires will run to the Club rooms. None but resident members will be admitted to the Club rooms.

Vote for Mr. Howard.  
Vote for Dr. Bardwell.  
Vote for progress and peace in county matters.  
Vote for the whole Republican ticket.

**BRIEF MENTION.**  
A good pastry cook can secure a permanent position by applying at New Warner at once.  
Photographer W. G. Bair was called to Cameron on Tuesday to make some views for Cameron Lumber Company.  
Dr. Bardwell is a broad-minded, liberal man, of sound views on all public questions. Vote for him for County Treasurer.  
No Republican who has the welfare of his country at heart, will daily with the enemy this year. Vote the straight Republican ticket.  
"Doctor Bardwell is an excellent gentleman for County Treasurer. His fine education will enable him to grasp the work of the office at once."—Emporium Independent, March 31, 1904.  
A new book by Anthony Hope under the title of "Double Harness" has just been published by McClure Phillips. Anything by the author of "The Dolly Dialogues" and "The Prisoner of Zenda" is sure of a wide public in America. This new book should prove a success, for it is said to add to the clever wittiness of "The Dolly Dialogues" and the sustained interest of the romantic "The Prisoner of Zenda" a very clever delineation of modern English life as it is.

Beware of the "potent" methods of electioneering that are recommended by the Independent.

The horse for so long driven in the Bakery delivery wagon, is for sale.

**Flat and Steel.**  
Mrs. Highmore (with cold dignity)—To what am I indebted for the honor of this visit? Unexpected Caller—To your careless servant, perhaps, madam. Caller says she forgot that you were not at home.—Chicago Tribune.

**The Truth.**  
"Mr. Hardup must have used a great deal of flattery to win the heiress."  
"No; he simply told her the truth."  
"Indeed?"  
"Yes; he said he couldn't live without her."

**Spiteful.**  
Miss Oldgirl—I don't like the color of my hair. Miss Youngthing—Don't let that bother you, my dear. It can't be long now before it turns gray.

**An Amusing Issue.**  
Sing a song of thirty cents.  
A Journal all away,  
A most amusing issue  
Baked in a pie.  
When the pie was opened,  
The issue was at hand:  
"Make the state pay taxes  
On unbaled land."  
Hat hat! had the people laughed,  
Is not this issue "funny?"  
Hockley thinks to make the county rich  
And flow with milk and honey.  
"Is a 'fatuous' proposition,  
Is he of sense bereft?  
He thinks to make his right hand full  
By emptying his left."  
Mr. Blumle on November eighth  
Will fight up hill all day,  
And up will come this issue,  
And snatch his votes away.

**Popular Sunday Paper.**  
The Buffalo Sunday Courier, one of the most popular publications in the county will next Sunday give a pair of Magic Spectacles and a Wonder Photograph, with each copy of the beautiful publication. Be sure you get a copy. The Couriers is the best Sunday paper that comes to Emporium.

**The Wagon and the Star.**  
Emerson said, "Hitch your wagon to a star." The Independent has been making frantic efforts to hitch Mr. Blumle's wagon to Mr. Howard's star. It is true that the kind of load represented by Mr. Blumle's wagon may sometimes cause one to see stars, but not Mr. Howard's kind. No, no, neighbor it is impossible to hitch Mr. Blumle's wagon to Mr. Howard's star.

**Judge Parker Right Once.**  
Judge Alton B. Parker, the Democratic candidate for President, must have had Cameron county in mind when he wrote the following: "Can it be possible that Boss Hockley unbosomed himself to the Judge, when he uttered this rebuke to the Democratic machine of Cameron county:  
The question ought to be settled now whether the 'floaters' and illegal combinations can together control an election in this country. Such a contest means on one side vast sums of money and every man with an itching palm. It ought to array every honest, independent and patriotic citizen on the other side."—Alton B. Parker.

It is the right of the voters to say who they desire to fill the office of County Treasurer. Doctor Bardwell, will, if elected, fill the office himself, personally.

**The New Warner.**  
The traveling public who have occasion to visit Emporium will be glad to know that the well-known and happily-located Warner House is now in the hands of a man who will make it one of the best hotels in this part of the State. Mr. Wheeler, the proprietor, is laying out about \$12,000 in improvements, making the hostelry up-to-date in every respect.—Condersport Journal.

**Death of Frederick Mankey.**  
The many friends of Mr. Frederick Mankey will regret to learn of the sudden death of that venerable gentleman at Williamsport last Saturday evening. While taking a walk on Grace street the death messenger came. He was taken to the hospital but died before reaching that place. His remains were taken to the residence of his daughter, Mrs. Robt. A. Hensel, from where the funeral took place on Tuesday. Deceased was born in Prussia in 1833, coming to America in 1857; was a veteran of the civil war and one of the most prominent turners manufacturers in the county.

**Our Campaign Readers.**  
With this issue closes the subscription list of the campaign subscribers, as it practically closes the campaign. The battle has been won and we feel sure that victory is ours. President Roosevelt will be given at least 303 electoral votes, Pennsylvania will roll up 300,000 majority for the National and State tickets, while Cameron county will give a nice safe majority for the entire ticket, National, State and County.  
We have endeavored to conduct the PRESS in a dignified, clean and honorable manner during the campaign. We have studiously avoided mud-slinging and have ignored personal reference to ourselves or candidates, at the same time keeping our columns free from assaults upon the character of "our friends, the enemy." We hope our new readers have enjoyed reading the PRESS and that very many may become constant readers in the future. Our terms are \$1.50 per year. Send in your names early.

"Dr. Eugene O. Bardwell, of Emporium, has been nominated by the Republicans of Cameron county for the office of Treasurer. No better man in the party could be selected."—Austin Autograph, (Dem.) July 21, 1904.

**Parker and the Philippiques.**  
To the Editor of "The Philadelphia Press."  
Sir: I have read Judge Parker's tirade about the Philippine Islands, etc., as printed in "The Press." I have just finished reading Mr. Curtis' reply to the same and I can say "aye" and "amen" to all Mr. Curtis has said. I was in the Philippine Islands for six weeks in August and September, 1903—most of the time in Manila. I was well acquainted with Governor Taft, General Randal, General Allen, of the Insular Department; Captain McCormick, of the secret service; Major Kennon, who is building the Bengout road, and many other officers and a great number of merchants I know personally therefore, that much that Mr. Curtis said is perfectly true, and I also know all he writes about is the belief of all the Americans and Europeans in the Islands. I was much interested in Judge Parker's statement as to the censorship of the press and Mr. Curtis' answer.  
I know every paper spoken of, especially the "Sunday Sun" and again say Mr. Curtis speaks the truth. I happened to have brought home with me several copies of a publication printed in Manila just before I sailed, entitled "The Manila Review of Trade and Price Current." If there was any censorship in Manila, surely this paper should be censored. I know of my personal knowledge, that Major Kennon could not get men to build his road although he sent parties from Bengout, in the north of Luzon to the Province of Ajby in the south of Luzon, and scoured the intervening country. I know also the contractors for the electric road in Manila could not get men. I also know that Captain Barrett, the head of Mines and Mining Bureau, could and get men to open up some veins of coal he had discovered. I also personally know that whenever a Filipino was capable of doing any kind of work room was made for him, even if an American had to be discharged, especially in the printing and customs departments.  
Captain Barrett had to do his own typewriting, because the Government took from his office every white man and put Filipinos in their places. There is even a complaint out there that our Government is doing too much for the natives. I am well acquainted with the heads of some large German houses there, and they complain most bitterly of this. I understand from every source that wages had risen tremendously since the American occupation. I also know that the native has equal justice and often the advantage over the American. If you disobey the laws you are very likely to be arrested by a native police and tried before a native Judge, and if your arrest was caused through trouble with a native the chances are that the native will have the best of the bargain. The idea was also general that the Filipino was not capable of governing himself and would not be for years. I do not write this for publication, yet if you can use any of it you are welcome to do so.

**The Star Course.**  
The People's Star Course will open Thanksgiving evening, Nov. 24, when the Amphion Male Quartet, with Miss Nellie Nichols as reader, will be the attraction. The placing of the tickets with persons already subscribers will be proceeded with as rapidly as possible and the further canvass for the sale of tickets be completed by the committee in charge of this work. The talent is the best and the patronage promises to be large.

**Just Received.**  
In behalf of my infant daughter, BURNICE ALBERTA SIBERT, I wish to extend my sincere thanks to the residents of Cameron county and attendants at the County Fair held Oct. 6-7, at Emporium, Pa., for the respect shown her by all voters at the Baby Contest. Her large majority of votes entitling her to not only one prize but three of the four offered, viz: 1st, "the handsomest;" 2d, "the cutest;" and third "the best apparelled." I have just received the said awards and am much pleased with each one, as they are very beautiful. Hoping at some time to meet and know all voters, I remain,  
Sincerely,  
MRS. C. A. SIBERT.

**Womanly Health, Strength and Beauty**  
Strength and beauty in woman depend entirely upon her health. A woman cannot look her best if suffering from one or more of the many ailments peculiar to her sex. These ailments invariably cause, sooner or later, the loss of her symmetry of form and freshness of complexion.

**AUNT DINAH'S OLD VIRGINIA Herb Tea**  
Makes Strong and Beautiful Women.  
It is a most pleasant and effective remedy for the troubles which cause so much suffering in women the world over. It relieves immediately and eventually cures all cases of disordered menstruation, female weakness, prostrated chronic constipation, sick head aches, nervousness and sleeplessness. These are the ailments which deprive a woman of her youth and beauty and make her old before her time. The use of the Herb Tea will enable her to retain these qualities. It clears the complexion and improves the form. A cupful at bed time will give a woman health and strength.  
Chicago, April 19, 1903.  
Gentlemen—My wife had been suffering with female weakness and extreme nervousness which latter the physician who has been attending her for a long time attributed to her being unable to sleep. After tossing about all night she would invariably rise in the morning with a terrible headache. The doctor seemed to be able to do nothing for her and she was constantly getting worse. She decided to try your Herb Tea and drank a cupful before retiring. In the morning she arose after a good night's rest and without a headache for the first time in months. She has continued taking it during the past three months and has forgotten what a sleepless night means. She is feeling splendid and every one remarks how well she is looking. Her complexion is as clear as a young girl's and her figure has improved wonderfully.  
Yours truly,
