The Silence of Butterflies.

After all, the chief charm of this race of winged flowers does not lie in their varied and brilliant beauty, nor yet in their wonderful series of transformations, in their long and sordid caterpillar life, their long summer in the chrysalis or the very brief period which comprises their beauty, their lovemaking, their parentage and their death. Nor does it lie in the fact that we do not yet certainly know whether they have in the caterpillar shape the faculty of sight or not, and do not even know the precise use of their most conspicuous organ in maturity, the antennae. Nor does it consist in this—that they of all created things have furnished man with the symbol of his own immortality. It rather lies in the fact that, with all their varied life and activity, they represent an absolutely silent world. All the vast array of modern knowledge has found no butterfly which murmurs with an audible voice and only a very few species which can even audibly click or rustle with their wings.—T. W. Higginson in Atlantic.

The Search For Success.

This is my advice to young men seeking for success: Fix your eye on England, fix it on Alaska, fix it on the moon, collect beetles, desire tram tickets, demand lost boot laces, die for dead cats—do any of these things and you may have your will. But do not fix your dreams upon success, for the bones of those dreamers are wrecks along the shore.—G. K. Chesterton in London News.

Usually.

It is usually the young woman who wouldn't have the best man in the world who snaps at the first offer, and the man who is the most cynical about matrimony is pretty sure to propose to the first woman who gives him an opportunity.—Boston Transcript.

The Hindoo Idea of Wit.

An English lady reformer of uncertain age who visited India to deliver a lecture told the audience that she would be happy to answer any question, upon which a fat baboo came to the front with "How old are you?" "Oh, no," she replied; "I don't mean questions of that sort; only ones connected with the subject of the lecture."

A shikari out partridge shooting was seen in fits of laughter, slapping his thighs in the ecstasy of his glee. On inquiring the cause of his hilarity, he hurriedly said: "Hush, sahib! That cooly," indicating one of the beaters, "has just been bitten by a green snake, but he thinks it is only a thorn! Don't tell him or he'll be frightened and stop beating."—From General Gerard's "Leaves From the Diary of a Soldier and Sportsman."

The Jade Jokat Loved.

Of one phase of his life Jokat, the Hungarian novelist, wrote in disgust: "Well, confess it I must. I have a sweetheart, for whose sake I have been faithless not only to my wife, but to my muse also—a sweetheart who has appropriated my best ideas and whose slave I was and still am. Often have I wasted half my fortune upon her and rushed blindly into misfortune to please her. For her sake I have patiently endured insult, ridicule and reprobaton; for her sake I have staked life and liberty. Now, if she had been a pretty young damsel there might have been some excuse for me, but she was a nasty, old, painted figurehead of a beldame, a flirting, faithless, fickle, foul mouthed, scandal-mongering old liar, whom the whole world courts, who makes fools of all her wooers and changes her lovers as often as she changes her dress. Her name is Politics, and may the plague take her!"

Customs of the Kaffirs.

The author of a book on the Kaffirs of South Africa says: "The women are, on the whole, in favor of polygamy. Sometimes a woman who has a dozen other 'sisters,' as they call fellow wives, will go to a woman who is the solitary wife of a man and ask her if she does not feel lonely. No one can visit a large kraal—such, for example, as the king's kraal in Swaziland—where there are hundreds of huts, and not feel that there is a certain charm in the social life of the place. It is a sort of college life, and frequently my thoughts have reverted to my old varsity days, and it has struck me that if one could imagine a set of men living in the old court of Trinity surrounded by wives and children, with a social circle in which every one was related to every one else, one might get some idea of the sheer joy of life amid 1,000 relations."

Swallows and Microbes.

Swallows and other migratory birds invariably shun those places which are in the slightest degree infected by noxious microbes. Thus they are never to be found in districts where cholera, yellow fever, the plague and other epidemic diseases prevail. The districts which they select as their temporary homes are in all respects the most healthy that can be found. It is evident from this that persons who are afraid of catching cholera or other infectious diseases ought not to live in places which are shunned by these birds.

A Useless Verdict.

"Yes," said the old traveler, "I was on a jury in California once. It was a murder trial. I didn't want the fellow hanged and so stuck out against the other eleven for nine days, locked up in the jury room, when they gave in, and we brought in a verdict of 'Not guilty,' and then I was ready to stab myself with spite."

Enjoy What You Can.

To be soured by poverty or to be hardened by it is a mistake—an error of thought. Instead of enjoying our life we are cramping ourselves. It is as if we were set at a feast and sulkily refused to enjoy a few dishes because we could not reach everything on the table and make ourselves sick, like foolish children that we are.—Bliss Carman.

A Telling Stroke.

The hare easily caught up with the tortoise. "Well, old man, you're not much of a runner," he sneered. "No," admitted the tortoise, "I'm not. I think I'll try for the crew. You see, I'm quite at home in the shell."—Princeton Tiger.

A Distinction.

"Can a man patent a scientific discovery?" asked the commercial person. "It isn't usually done," answered the scientist. "But some of them ought to be copyrighted as literary productions."—Washington Star.

No Trifling Detail.

Miss Truesoc—Am I to understand, papa, that everything is settled in regard to my wedding? Mr. Truesoc—Yes, my dear, everything—but the bills!—Chicago Journal.

Explained.

Piker—Why did they call the medicinal period the "dark ages?" Professor—Because it was knight time.—Cornell Widow.

When a real meek man gets good and mad, he comes mighty near having fits.—Atchison Globe.

Healthy Mothers.

Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Boschee's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough racked consumptive. New trial bottles, 25c; large size, 75c. At all druggists. 49-ly.

Too many things we wait for are not worth the delay.

Thousands Cured.

DeWitt's Witch Hazel Salve has cured thousands of cases of Piles. "I bought a box DeWitt's Witch Hazel Salve on the recommendation of our druggists," so writes C. H. LaCroix, of Zavalla, Tex., "and used it for a stubborn case of Piles. It cured me permanently." Sold by R. C. Dodson.

We are judged not by the poetry we applaud but by the plain prose we apply.

Mothers Praise It.

Mothers everywhere praise One Minute Cough Cure for the sufferings it has relieved and the lives of their little ones it has saved. A certain cure for coughs, croup and whooping cough. A. L. Spafford, Postmaster, of Chester, Mich., says: "Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. One Minute Cough Cure quickly relieved and cured her and cannot praise it to highly." One Minute Cough Cure relieves coughs, makes breathing easy, cuts out phlegm, draws out inflammation and removes every cause of a cough and strain on lungs. Sold by R. C. Dodson.

We all hold the doctrine of total depravity—as applied to our neighbors.

A Runaway Bicycle.

Terminated with an ugly cut on the leg of J. B. Orner, Franklin Grove, Ill. It developed a stubborn ulcer, unyielding to doctors and remedies for four years. Then Bucklen's Arnica Salve cured. It's just as good for Burns, Scalds, Skin Eruptions and Piles 25c, at L. Taggart's Drug Store.

We seldom realize the value of money until we try to borrow some.

Don't Respect Old Age.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect Pill. 25c, at L. Taggart's Drug Store.

A field of ice looks tropical compared to a face with a cast iron smile.

Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured, and hopeless resignation is no longer necessary. Mrs. Lois Cragg of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. The great remedy is guaranteed for all Throat and Lung diseases by L. Taggart Druggist. Price 50c and \$1.00. Trial bottles free.

The higher the price of meat the more food we have for reflection.

Not a Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility. This is what B. F. Bass of Fremont, N. C., writes. Only 50c, at L. Taggart, Druggist.

Sunshine is a great blessing, yet it often forces people to the shade.

A Continual Strain.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and dispendency. They cannot, as a rule, get ride of this "continual strain," but they can remedy its health destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. At all druggists. 48-ly.

Relief at Once.

Immediate relief from backache pain in the side, groin or hips is experienced by taking a large dose of Thompson's Barosma or Kidney and Liver Cure. A continuation of its use will make a positive cure. Thompson's Barosma does not contain opiates and a large reward is offered for any injurious drug found in its composition. It is purely vegetable and a remedy adopted to all ages. For sale by R. C. Dodson.

When there is nothing to fight for we can hope for universal peace.

A Great Bridge.

For over a month I had been troubled with a lame back and neck. The pain was so severe that I could not sleep. I bought one bottle of Thompson's Barosma or Kidney Cure and before the bottle was used up I was well as ever and wish to speak a good word for Barosma the "Bridge that carried me safely over." E. S. Gray, Shamburg, Pa. For sale by R. C. Dodson.

The creed without bones of difficulty is usually of the jellyfish order.

Discovery in Medicine.

Medical science has been striving to discover remedies that instead of relieving temporarily will make permanent cures. The great claim for that splendid remedy Thompson's Barosma or Backache, Kidney and Liver Cure is that it makes a decided and lasting cure. This remedy has positively made wonderful cures in Bright's disease, sciatic rheumatism, kidney and liver diseases, lumbago and female weakness. Thompson's Barosma is purely vegetable and pleasant to take. For sale by R. C. Dodson.

Dreaming about heaven is a sin when it hinders work on earth.

A Remarkable Discovery.

One of the greatest discoveries judging from the permanent cures made, is San-Cura Ointment. It relieves at once that itching, burning pain caused by Erysipelas, Tetter, Eczema, and Salt Rheum. San-Cura Ointment also cures Old Sores, Pimples, Cuts, Bruises, Burns, Corns, Itching Piles and Insect Bites. It draws out all poison leaving a sound healthy skin. Aids in preventing sores. Druggists, 25c and 50c. For sale by R. C. Dodson.

The Almighty puts long tails on horses and man cuts them off.

A Wonderful Saving.

The largest Methodist Church in Georgia, calculated to use over one hundred gallons of the usual kind of mixed paint in painting their church. They used only 32 gallons of the Longman & Martinez Paint with 24 gallons of linseed oil. Actual cost of paint made was less than \$1.20 per gallon. Saved over eighty (\$80.00) dollars in paint, and got a big donation besides. EVERY CHURCH will be given a liberal quantity whenever they paint. Many houses are well painted with four gallons of L. & M., and three gallons of linseed oil mixed therewith. Wears and covers like gold. These Celebrated Paints are sold by Harry S. Lloyd.

Many a man who is willing to do good is unable to make good.

Why You Should Visit the World's Fair.

The principle reason why a visit should be made to this greatest of Expositions is on account of its educational value. A visit to the World's Fair is in itself a trip around the world, for fifty cents, the price of admission. The president of one of our greatest universities has said "To the bright student the Exposition is worth a thousand college lectures." The opportunity of a life-time is afforded in which to acquire, by a few days' sojourn at the Fair, an education which could not otherwise be received. The World's Fair Grounds cover over 1200 acres, being more than twice as large as those of the World's Columbian Exposition at Chicago.

Only a few weeks remain in which to take advantage of this great opportunity. Every day from now until the close of the Fair is a "special" day. The Wabash is selling daily Excursion tickets to the Fair at greatly reduced rates: \$12.00 St. Louis and return, on sale daily, except Fridays and Saturdays. Tickets good in Palace Reclining Chair Cars, \$15.00, St. Louis and return. Tickets on sale daily, and good on either Palace Reclining Chair Cars or Pullman Sleepers. The Wabash operates through trains from Pittsburg to the World's Fair Main Entrance, all trains leaving the magnificent new passenger station, corner of Liberty avenue and Ferry street, at 2:00 p. m. and 8:30 p. m. daily, city time.

Detailed information regarding rates and train service, to St. Louis, as well as to many Homeseekers' points in the West, Northwest and Southwest, cheerfully furnished at Wabash City Ticket Office, 320 Fifth avenue, Depot Ticket Office, Wabash Station. 35-4f.

Statement by the President.

Washington, Nov. 9.—President Roosevelt after the election returns clearly indicated the result issued the following statement:

"I am deeply sensible of the honor done me by the American people in thus expressing their confidence in what I have done and have tried to do. I appreciate to the full the solemn responsibility this confidence imposes upon me and I shall do all that my power lies next to forfeit it. On the 4th of March next I shall have served 3 1/2 years and this 3 1/2 years constitutes my first term. The wise custom which limits the president to two terms regards the substance and not the form. Under no circumstances will I be a candidate for or accept another nomination."
