For over a month I had been troubled with a lame back and neck. The pain was so severe that I could not sleep. Womanly Health, Strength and Beauty

Strength and beauty in woman depend entirely upon her health. A woman cannot look her best of suffering from one or more of the many ailments peculiar to her sex. These ailments invariably cause, sooner or later, the loss of her symmetry of form and freshness of complexion.

AUNT DINAH'S OLD VIRGINIA Herb Tea

Makes Strong and Beautiful Women. It is a most pleasant and effective remedy for the troubles which cause so much suffering among women the world over. It relieves immediately and eventually cures all cases of disordered menstruation, female weakness, prolapsus, chronic constipation, sick head ache, nervousness and sleeplessness. These are the ailments which deprive a woman of her youth and beauty and make her old before her time. The use of the Herb Tea will enable her to retain these qualities. It clears the complexion and improves the form. A cupful at bed time will give a woman health and strength.

Chicago, April 19, 1903. Gentlemen—My wife had been suffering with female weakness and extreme nervousness when latter the physician who has been attending her for a long time attributed to her being unable to sleep. After taking about all night she would invariably rise in the morning with a terrible headache. The doctor seemed to be able to do nothing for her and she was constantly getting worse. She decided to try your Herb Tea and drank a cupful before retiring. In the morning she arose after a good night's rest and without a headache for the first time in months. She has continued taking it during the past three months and has forgotten what a sleepless night means. She is feeling splendid and every one remarks how well she is looking. Her complexion is as clear as a young girl's and her figure has improved wonderfully. Yours truly, N. E. TAYLOR, 6338 Corwell, Chicago.
