Reflections of a Bachelor.

Santy Claus always gives every head of a family an empty pocket-book for Christmas.

A man can make a lot of money by not playing the tips he gets on sure things.

There is no fun in the kiss that you are both willing to have other people see.

It is about as expensive to lose a suit with a poor lawyer as to win one with a good one.

It's a nice thing to have a girl in the family to comfort you for the way the boys turn out.

Woman's Ills

How rare a thing to find a woman who is perfectly healthy. Fully seventy per cent. of the sex suffers from ailments which often render life a burden. These afflictions cause nervousness, irritability, melancholia, hysteria, etc. They entirely unfit a woman for life's work and deprive her of most of its joys.

It is a positive cure for chronic constipation, sick headache and indigestion. In case of nervousness and sleeplessness this tea will be found indeed a boon. It has a soothing and quieting effect on the nerves and invariably induces sound, refreshing sleep. A cupful at bed-time is all that is necessary to make a woman well and keep her well.

Marysville, S. C., Dec. 8, 1902. Hamlins Wizard Oil Co., Chicago, Ill.

Two years ago I suffered with female complaint and used your Aunt Dinah's Old Virginia Herb Tea with great success. I have just begun taking it again and I feel much younger and stronger. If every woman sufferer could know the relief she would experience by using your Herb Tea she would never be without it. It is a most wonderful remedy and I take pleasure in recommending it to any lady who is suffering with female troubles.

CHADWICKS A GOOD FAMILY.

Doctor's Ancestors Were of Aristocratic English Stock.

Special to the Record.

Franklin, Pa., Dec. 8.—Dr. Leroy Shippen Chadwick, husband of Mrs. Cassie L. Chadwick, comes of aristocratic English stock. The family traces its ancestry back to John Chadwick, of England, who died in June, 1739, and Johanna Reynolds, who was born in Bermuda and died in September, 1739. Their son, also John Chadwick, emigrated to America in 1740, and was killed in April, 1783, by Hessian refugees. His wife's maiden name was Jackson, and she died in 1796. One of their sons, Elihu Chadwick, was born in New Jersey in 1759. He served in the Revolutionary War, being successively promoted from the ranks of lieutenant to that of lieutenant colonel in a New Jersey regiment. He died in 1857 at Smethport, Pa., having moved there in 1812. He had two wives, one of whom was a Jeffery. By this one was born Elihu Chadwick, father of Dr. Leroy S. Chadwick.

Elihu Chadwick became a civil engineer and early in life came to this county to reside. He settled in Rockland township and was one of the leading engineers in this section. It was on the Rockland township farm that Dr. Chadwick was born. The elder Chadwick owned considerable real estate, and during the oil excitement in 1866 sold his land for a large sum. He went to Cleveland, where his son studied medicine.

There were nine children besides the Doctor. Only two are living. They are Bingham H. Chadwick, of Jacksonville, Fla., formerly editor of the Jacksonville Times Union, and Miles B. Chadwick, a municipal judge of Owatonna, Minn. The son of the latter was an officer on the Raleigh in Dewey's squadron at the battle of Manila Bay.
