## THE COUNTY.

## SINNAMAHONING.

The slate roof we referred to last week was the subject of a quite heated talk in Crum's meat market Tuesday when the mail was late in the morning. Some said slate would crack in a hard hail storm and you could not drive out nails without breakin' them in it. The P. O. S. of A., boys are putting' up a nice hall all right and they ought to have settled this before they decided to put the roof on.

We reckon Gundy Ad. Logue who lives on the Fork above the Red Bridge, on the same side as the Old Grist Mill is on, has been trappin' pretty steady this while back by the number of circulars he's getting through the P. O., with prices of Pelts on. Hope he will be more successful in sellin' them than Uncle Jake was one winter. Trapped all I winter and in the Spring sent all his skins out to a Commissioner at Columbus, O., who didn't pay any ways near up to the prices printed and sent out after deducting his present.

The last late election has been a great impetus to us here. Our neighbors in the village up at Driftwood are going to bore for oil and some of our own Citizens are talkin' of buildin' a dynamite plant quite ways above the old Turtle rock up Poorman's shanty branch in Grove Run. There's been quite a rivalry between the two sections for some time back. Ever since the old Parsonage was down near the old grave yard they've been trying to move it up there. Late last Fall some of our B. B. C. boys chipped in and paid the expenses back of some of our old ball players who don't live in our midst any more to play them on their own ground and our feelin' for them has been just about the same ever since. Here's hopein' they'll strike oil up there and I spose maybe they would be glad if our Dynamite factory did go up. Well, they may be able to tie Old Sinnamonone but they'll never beat her.

We notice some of our Y. M. & Y. L. are takin' advantage of the sleighing weather in the evenings. Tuesday night when we were coming from the P. O., after the mail was changed we past two loads. We noticed in the sled facing us on the side opposite from the side we were walking on the following Y. M. & Y. L. viz: H. Speaker and Y. L. F. Lightner and Y. L. C. Krebs and Y. L. The 4th one on the same side we could not make out as just then Jim Barr hit his horses a cut. The 2nd load past us just on the little knoll below the wagon bridge which crosses the creek leading to Wylsde but they were joggin' along so fast we couldn't tell who all was in. Some of them knew me alright because they hollared at me by my first name.

The R. P. U's who meet at someone's house about the middle of the week every two weeks will join hands with some of the C. B. boys will give a masquerade party to those invited about the middle of next month maybe. The masks will be fixed on so no I can tell whose their Partner until after supper when they will be took off. More than 150 invitations will be handed round or like as nough some will be sent through the P. O., that Tommy Snyder stays in. 150 is an awful lot and maybe there won't be enough to go around O. K.

As foretold in the columns of these papers one of the most prominent members of the C. B. left that same night in Dick Walker's cutter with his girl in for Driftwood to take the 11 o'clock train to where they were goin' to get married. We were mistaken as to the time of their takin' off but we were told so by an outsider.

No. 1 seems to know whose going to run the store which the P. O. S. of A., boys are buildin' where they intend to hold their meetings. Bob Lightner used to run it before it was burnt down by fire and right after the fire he fixed up the boys old coal shed and started to run in it, but now they have built their Hall nearly three stories up right in front of Bob's place and you can't tell he is there unless your right in front of it.

When Walter Stryker's train came poppin in the other morning who stepped off but John Fink. It's been a long while back since Jno. was seen on our streets walkin' fast to and from to his dinner. Many of our Citizens were Powerful glad to see Jno. agin, and shake his hand. His wife was along with him and lookin' well.

C. F. Barclay struck out for Old Mexico Tuesday. C. F.'s one of our prominent Citizens all right and George and him are 2 of a stock Co., who have powerful interests in the rubber business down there and he's gone to look after it. He'll be there till the middle of March maybe. His wife is with him.

MABUNON.

The Wylsde school children took a sleigh ride Tuesday evening.

We think that the B. B. C. will have respect enough for the new Hall building not to deface it.

Mr. A'phus Wylie and his able assistants are doing good work on the P. O. S. of A. building.

The trustees of the P. O. S. of A.,

leased the new store room, when completed, to Mr. M. N. Crum, who will put in a stock of general merchandise.

Mr. Ralph G. Shafer and Miss Myrtle Lloyd were united in the holy bonds of matrimony last Tuesday evening the 24th, by Rev. Faus.

Nace Drum says he is not a member of the C. C. B., but would like to be if for nothing else than to have the praise of some of the nice girls in town.

The A. D. R's met last evening and passed resolutions to meet on Saturday evening this winter—the Z. H. P's were find 5 cts.

The Young Ladies Batchelor Club will hold a masquerade party on St. Valentine eve., Feb. 14th in Brooks' Hall. None admitted unmasked. Admission and refreshments twenty-five cents.

The most noble and ancient order of the Arabian Degree have a special invitation to attend the B. G. C. party in uniform. All who do not see it will miss a treat and a good laugh.

Capt. and Mrs. C. F. Barclay, and Miss Lottie Brooks, started on flyer Tuesday noon, for New York, where they will take the steamer for Old Mexico and Havana, Cuba and Porto Rica and other places of note. They expect to be absent on the trip about six weeks.

The Republicans held their primary Saturday afternoon and nominated the following ticket: Constable, Wm. Crum; Constable and Collector, M. Blodget; Supervisors, Wm. Swank and Amos Swartwood; Auditors, Fred Williams, C. A. Council; Judge of Election, N. H. McCloskey; Inspector, Wm. Swartwood; Clerk, G. W. Snyder; School Directors, Fred Williams, Miles Smith and Joseph Bowers.

A new whistle signal has been put in use by the log train crew, to be used by the engineer while approaching the log loader, or entering Cameron yard. It is one short, followed by one long blast of the whistle. It is considered an improvement.

There will be mass at the Catholic Chapel, at Cameron, Sunday, Feb. 5th at 10:30 a. m., the pastor from Driftwood officiating.

A few words must be mentioned of the excellency of the mail service in Cameron. As a postmaster Mr. Lanniger is a success in every way; while Mr. Sullivan who carries the mail is as regular as the rising of the sun. You can set your watch by Danny.

Mr. A. F. Peabody, the genial manager of the Cameron store, has a new telephone running from his boarding house to the store, thus enabling him to eat his dinner without interruption, as he can eat with one hand and hold the receiver with the other. The saving of shoe leather more than pays for the rent of the phone.

Albert Card, while hunting near Sterling Run, Monday morning, came suddenly upon a large black bear, about 200 yards East of Mr. Hub Smith's house. Unfortunately Mr. Card's gun refused to work and upon examination he found the firing pin broken. The bear went South.

east across the mountain and was soon out of sight. But Mr. Card says he "will have him yet."

## Give Your Stomach a Rest.

Kodol cures sour stomach, gas, bloating, heart palpitation and all digestive disorders. Sold by R. C. Dodson.

Real religion never has to advertise for a chance to do good.

## The Pneumonia Season.

Coughs and Colds in children as well as adults are frequently dangerous at this season of the year, and a little precaution now may save much trouble, worry and expense. Kennedy's Laxative Honey and Tar, a combined cough and cold cure—a new scientific discovery in medicine—is a certain cure for Coughs, Colds, Croup, etc. The coughs and colds are cleared out of the system by gently moving the bowels, and at the same time the throat, chest, lungs and bronchial tubes are so strengthened that there is little probability of danger. Kennedy's Laxative Honey and Tar is pleasant to take. Contains no opiates. Sold by R. C. Dodson.

Chance is one of the most profane words in our language.

## Deserved Popularity.

To cure Constipation and Liver troubles by gently moving the bowels and acting as a tonic to the liver, take Little Early Risers. More enemies have been slain by mercy than by malice.

## The Sunshine of Spring.

The Salve that cures without a scar is DeWitt's Witch Salve. Cuts, Burns, Boils, Bruises and Piles disappear before the use of this salve as snow before the sunshine of spring. Miss H. M. Middleton, Thebes, Ill. says: "I was seriously afflicted with a fever sore that was very painful. DeWitt's With Hazel Salve cured me in less than a week." Get the genuine. Sold by R. C. Dodson.

Many a man who seems to be stupid and good is neither.

## Fraud Exposed.

A few counterfeits have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's or Bucklen's remedies, as all others are mere imitations. H. E. Bucklen & Co., Chicago, Ill., and Windsor, Canada.

## That Tickling in the Throat.

One minute after taking One Minute Cough Cure that tickling in the throat is gone. It acts in the throat—not the stomach. Harmless—good for children. Sold by R. C. Dodson.
