Mr. Truman Carpenter has just returned from a trip in Canada, some 80 miles above Ottawa, where he intends to commence the erection of a large mill early this spring. He reports about four feet of snow on the level, but only about five degrees colder than here.

Our old friend A. S. Zaner, of Morgantown, West Va., mails us a copy of the Daily News, of that busy section, containing some marked articles. Smith evidently had a finger in some of the yarns. They sound just like him. We shall forward them to Fred Comly, to be taken up at the quarterly session of Bradytown Club.

Mrs. Emma Mersereau Newton writes the Press from New York City, where she is making her home and adds, "We had a mild and delightful winter until the subway hog shook himself. Then came the blizzard. Only the flat iron building rose higher than the drifts. Nothing doing except in the subway now, but when the boats thaw out in the harbor and the snow settles in our little town, we expect to import some of those plucky Japs to make it warm for the weather bureau."

After squaring himself with the printer and carefully depositing one of our beautiful autograph receipts in his coin bag proceeded to unfold himself. "Bert" is busy these days, delivering meats and produce to John E. DuBois' big lumbering operations on Hicks Run. When the railroad and mill commence operations it is expected five hundred men will be employed there.

**Rev. Metzler Asked to Return.**  
The following was unanimously adopted by the official board of Methodist Episcopal Church of Emporium:

WHEREAS, The fifth year of the very successful pastorate of Rev. O. S. Metzler at the First Methodist Episcopal Church, of Emporium, is drawing to a close, making it incumbent upon the official members of the Church to take action looking to filling the pulpit for the coming year,

AND WHEREAS, We are convinced that the return of Brother Metzler to this charge is in accord with the wishes of the membership and for the best interests of the Church,

THEREFORE, BE IT RESOLVED by the official board of said church, that Brother Metzler be requested to return to Emporium for the ensuing year and that the Presiding Bishop of the District and his Cabinet be requested to reappoint him to this charge.

FRED JULIAN, President.  
J. P. McNARNEY, Sec'y.

**House Warming.**  
The "House Warming, of the Emmanuel Parish Building, last Thursday evening, was a delightful occasion and largely attended, many being present from other churches. Refreshments were served by the ladies of the church. The Parish Building, formerly the church, was moved to the northern portion of the church lot, refitted and greatly improved. The building will be used for Sabbath School, and social entertainments, something greatly needed. The occasion was one of double significance, it being the 38th anniversary of the dedication of the old church. It is a significant fact that the churches, of Emporium are rapidly awakening to the idea that they must provide for the social entertainment of their young people.

The Presbyterian ladies will serve a supper in the basement of their church Thursday evening, February 16th.

R. A. ROBERTSON.

It would be difficult to find a stronger team of light opera comedians than Frank Deshon and James L. McClure, both of whom appear in Willard Spenser's brilliant comedy opera success, "Miss Bob White."—Williamsport News

Mrs. W. W. Dickinson, of East Third street was surprised last Tuesday afternoon by having thirty-one ladies walk into her home and take possession. However they were heavily laden with good things to eat which compensated for the trouble and noise they made. After supper a collection was taken up for this kind lady, which amounted to more than ten dollars.

Miss Bob White has broken more records for big business and has opened several new theatres which capacity has been tested, but it scored in Atlantic City a record which is likely to exist for some time. It opened its season at the theatre on Young's Pier in that place. They had played "A Chinese Honeymoon" and was succeeded by "The Silver Slipper" which held the record for big business. John Young, veteran life saver and fisherman, now proprietor of the amusement interests in the Jersey metropolis, freely acknowledges that he made more money off Miss Bob White, the play gave better satisfaction and he had more people on his pier during its two weeks engagement than at any one time since he has played to the amusement loving public by the sea waves. Miss Bob White has been booked for Emporium, Feb. 28th. Tickets now on sale at H. S. Lloyd's. Prices, \$2.00; \$1.50 and \$1.00.

**CURES WITHOUT STOMACH  
DOSING**

**Hyomei Cures Catarrh by Simple Breathing.** L. Taggart Refunds Money If It Fails to Cure.

A long stride toward solving the mystery of curing catarrh was taken with the discovery of Hyomei. In fact, the percentage of cures by this treatment proves it equal to the final tests.

The folly of taking medicine into the stomach to cure catarrh of the nose, throat and lungs, has been realized by physicians, but not until Hyomei was known, had they a practical method that would obviate stomach drugging.

A complete Hyomei outfit costs but \$1, and consists of a neat pocket inhaler that can be used anywhere without attracting attention, a medicine dropper and a bottle of Hyomei. Extra bottles of Hyomei cost but 50c.

Breathing Hyomei through the inhaler, every particle of air that enters the nose, throat and lungs, is charged with a healing balsam that soothes and allays all irritation, kills the catarrhal germs and enriches the blood with additional ozone.

L. Taggart has so much faith in the power of Hyomei to cure catarrh, that he is selling it under his personal guarantee to refund the money if it does not give positive relief.
