Col. "Pete" Hepburn has been burned in effigy. When one considers the price of fuel this is not so much less a compliment than the loving cup which was presented to him.

Colonel Henry Watterson failed to find Paris as gay as it used to be and now he says the cooking is not as good as it once was. Someone will be rude enough pretty soon to remind the Colonel that he is not as young as he used to be.

The Senate of the United States appears to be more jealous of its dignity and prerogative than solicitous of the welfare of its country even in a question involving the arbitration of the peace of the world.

There have been over twenty snows this winter, portions of which are still above ground and there is every prospect that Washington will have typical March weather for the inauguration pageant.

The new flag will have forty-seven stars in its field, with the possibility that there may yet be fifty in all. When Arizona finally gets in she will be represented by the forty eight stars and eventually Hawaii, Alaska and Porto Rico may be claiming their right to a star each.

Letter to Prof. E. S. Ling, Emporium, Pa. Dear Sir: You are a teacher; here's one for your boys:

If the painting costs two or three times as much as the paint, and one paint goes twice as far as another, how much are those two paints worth?

If Devco is worth \$1.50 or \$1.75 a gallon, how much is the other worth? How much is a gallon of paint worth anyhow?

The answer is: Depends on the paint. The reason is paint isn't always paint. There are true and false paint and short-measure.

How much is a short measure gallon worth? How much is false paint worth? How much is Devco worth?

There are millions a year in the answer to this last one.

Yours truly, F. W. DEVCO & Co., New York.

CURES WITHOUT STOMACH DOSING

Hyomei Cures Catarrh by Simple Breathing. L. Taggart Refunds Money if It Fails to Cure.

A long stride toward solving the mystery of curing catarrh was taken with the discovery of Hyomei. In fact, the percentage of cures by this treatment proves it equal to the final tests.

The folly of taking medicine into the stomach to cure catarrh of the nose, throat and lungs, has been realized by physicians, but not until Hyomei was known, had they a practical method that would obviate stomach dosing.

A complete Hyomei outfit costs but \$1, and consists of a neat pocket inhaler that can be used anywhere without attracting attention, a medicine dropper and a bottle of Hyomei. Extra bottles of Hyomei cost but 50c.

Breathing Hyomei through the inhaler, every particle of air that enters the nose, throat and lungs, is charged with a healing balsam that soothes and allays all irritation, kills the catarrhal germs and enriches the blood with additional ozone.

L. Taggart has so much faith in the power of Hyomei to cure catarrh, that he is selling it under his personal guarantee to refund the money if it does not give positive relief.

A lack of appreciation is generally due to a lack of merit.

Agonizing Burns. Are instantly relieved, and perfectly healed, by Bucklen's Arnica Salve. C. Rivenbark, Jr., of Norfolk, Va., writes: "I burnt my knee dreadfully; that it blistered all over. Bucklen's Arnica Salve stopped the pain, and healed it without a scar." Also heals all wounds and sores. 25c at L. Taggart druggist.

Our well known barber, Mr. Dayton Reed, has moved into his new show next to the Valley House, thus enabling the people to get the benefit of his easy shaves and up to date hair cuts.

Mr. Patrick Robinson, who was formerly connected with the Mitchell Hotel at Driftwood, has opened the Sterling House at Sterling Run. Mr. Robinson is very popular with the Cameron county people and they wish him success.

Supt. of Transportation, Mr. James Anderson, of the Cameron Lumber Co., has just finished handling about two million feet of logs from Whitehead to the mill. He completed the job in 30 days, using on an average fifteen teams daily. Mr. Anderson is the boy to handle logs.

Miss Mamie Cassidy has accepted a position as assistant to A. F. Peabody in the Cameron Store. Miss Cassidy merits all the success that her many friends wish her.

Mrs. J. C. Skillman, Mrs. Wm. Wykoff, Mrs. Robert Niles, Mrs. S. A. Waggoner, Mrs. D. F. Sullivan and Miss Adelia Johnson were enjoying a sleigh ride Tuesday afternoon, when the horses became frightened at a large stump and overturned the sleigh, depositing its precious freight in the ditch. Fortunately Mr. Hub Smith, who was ahead on the road, stopped the team and assisted the ladies to put things right. Beyond a few slight bruises and a broken harness, no damage was done.

D. F. Sullivan has established a package express route between Cameron and Skillman's camp. The transportation rates do not interfere with the interstate commerce law, but Mr. Skillman says the running time must be shortened to compete with Jolloff's rural free delivery.

SINNAMAHONING. By the way some of our Y. M. & Y. L. are practicing in the town Hall going on every night our Citizens are going to get treated pretty soon or the last of the month maybe to some right smart act in the play named the "Deacon's Tribulations". If there actin' is anyways near up to what they had in the "Last Look" it's got to be good O. K. when Whit Brooks, Bill Fulton and the Moore boys were in it also Kate & Nan Fulton and Dessie Shafer and some more of us. Wonder how many of our Citizens can recollect who acted the nigger in that play? It was Bill Moore and he made a good nigger O. K. At that time the proceeds went to the Sunday School but this time they'll divvy up i. e., I there is 9 in it each one will get one ninth of what is took in at the door.

Our new doctor Mr. Russell, is gettin' a good many calls these days O. K. Last Sunday he was called out 9 times to see sick people, the reason I know he was to see sick folks, he took his satchel every time with him, I reckon he'll be quite well thought of in our midst by the way he's takin' to business. Some of 'em are sayin' he'll start his office in Dave Horn's front room, next to Driftwood. I'll bet if he had a telephone put in he'd get a heap of more calls, cause then our citizens at Wyaide and Jerico could reach him handier. Here's wishin' success to Mr. Russ.

There ain't no doubt in my mind but what there'll be a power-look of competition in the Groc. business when the P. O. S. of A. boys get the store room done they are puttin' under their hall, and Frank Wolf & Bert Lightner get there in six to. Fradk run a meat shop here lately and Bert had a store here once but sold it to his brother Bob and Harve Smith, then Bob and Harve had it and was runnin' it himself when it burnt down.

Last week one day there was a whole lot of excitement at the depo where Nace Dura stays on account of some lkes gettin some of their own bread and 1 bag was busted and 2 loaves missin'. Nace had a tough time of it makin them know he dident eat it, but they peared to be mad as thunder 'bout and went off growlin'.

We reckon every 1 will be glad when spring comes and the birds are back with us again. How it fills our heart with joy and good feelin' and makes us think it wont be long till we can plant onions.

At the election which took place on Tuesday we didn't notice any 2 much enthusiasm at the polls nor hear of any ill feelin' being engendered there not being so much fire water at the polls like there was last fall. Bill Crane and John Swartz were pitted against one another. Bill for the Reds, and John for the Deans, and both after the same office of constable of our town

and it was nip and tuck until the polls closed up to see who was goin' to get elected.

The point on a year since our little village went through quite a spell of excitement on account of the mid-night raid below Grove up the ravine from George Pfoutz's at Sherman Jamison's shanty. One brave officer lost his life and one of our Y. M. Vize—Simon Pfoutz had a narrow escape and he's not been seen on our streets as much as before. Jamison had a bad name here and all are glad he pulled out. O. K.

One of our citizens Mr. Jonathan Gore who carries the mail bags between the P. O. and B. & S., has been complainin' a heap of late on account of the shiftiness of the weather. When it thawed a little in the P. O. Monday morning John was sayin when it was warmer than biasias the mud was knee deep and when it was colder than Thunder it was so blasted slippery a feller couldn't stand up and if a decent day did job up the infernal B. & S. would be 4 hours or more late maybe.

Fraud Exposed. A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease for over 35 years. A sure protection to you, is our name on the wrapper. Look for it, on all Dr. King's or Bucklen's remedies, as all others are mere imitations. H. E. Bucklen & Co., Chicago, Ill., and Windsor, Canada.

Grave Trouble For Seen. It needs but little foresight, to tell that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters, I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by L.
