## WASHINGTON LETTER.

(From our Regular Correspondent.)  
Washington, Feb. 18th, 1905.  
Editor Press:—

The statue of Frances Willard, the gift of the State of Illinois to the United States is in its place in Statuary Hall of the Capitol. Right beside it stands the statue of George Washington whose statue was moved a few inches to make room for that of Miss Willard. This is the first statue of a woman to be erected in the Capitol and the undertaking has been the enterprise of women from beginning to end. The inspiration came from a woman, the legislation was promoted by women, they secured the appropriation of \$9,000 from the State, and the sculptor is also a woman. Women from all parts of the country were present at the unveiling and yet there is probably not a man in Congress who is not appreciative of the justice in having the statue placed among those of our greatest men. Few, if any of them, were better known than Miss Willard and none perhaps did more good for his fellow men while he lived. The inscription on the pedestal is from an address of Miss Willard:

"Ah, it is women who have given the costliest hostage fortune. Out into the battle of life they have sent their best beloved with fearful odds against them. Oh, by dangers they have dared by the hours of patient watching over the beds were helpless children lay; by the incense of ten thousand prayers wafted from their gentle lips to heaven. I charge you give power to protect along life's treacherous highway those whom they have so loved."

The President's message accompanying the Santo Domingo protocol it is understood has made a very favorable impression upon the Senate and it will doubtless be well received by the country at large. The idea that the Monroe Doctrine imposes other duties upon the United States than those of mere defense from aggressive as relating to the petty republics of this hemisphere is so patent and so just that it need only be mentioned to be approved. It is expected that the Senate will confirm the protocol if not at this session then at the called session immediately after the Fourth of March. The tension between the Senate and the President, it is thought has been very much exaggerated. As has been said of the President he does not wear his heart on his sleeve but he wears his mind on his sleeve. Anybody can know what he thinks about anything. In fact the only way they can avoid knowing it is to keep out of earshot. His words in his letter to Senator Cullom when he sent the treaty to the Senate were: "The Senate has of course the right to reject or to amend in any way it sees fit any treaty laid before it and it is clearly the duty of the Senate to take any step which in the exercise of its best judgment it deems to be for the interest of the nation." Those words will stand forever as a refutation of the assertion that the President attempted to usurp the treaty making power.

## EXPRESSIVE NAME FOR INDIGESTION.

**L. Taggart Has a Simple Remedy That is Guaranteed to Cure the Trouble.**

No one word better expresses the condition of the sufferer from weak stomach or indigestion than "misery." The stomach is weak and cannot digest the food, so that there is no appetite, there are pains and griping in the stomach and bowels, the head and back ache, and the misery goes to every organ.

Strengthen the stomach and the digestive system by the use of Mi-o-na. This is the only stomach remedy known that gives relief by strengthening the stomach and digestive organs. It is this principle that makes it a certain cure for indigestion. Other medicines may give temporary relief by helping to digest the food, but they do not strengthen the stomach, and that organ gets weaker and weaker all the time.

L. Taggart the reliable retail druggist has so much confidence in this remarkable remedy that he guarantees a cure or the money will be refunded. Mi-o-na costs but 50 cents a box. Ask to see the strong guarantee given with every box.

Mi-o-na is in tablet form and should be taken before each meal. Other remedies for stomach troubles and indigestion are taken after the meal, and decompose the good food you eat, but Mi-o-na used before eating strengthens the stomach, soothes and heals all irritation and inflammation, enriches the blood and puts the stomach in such a healthy condition that it will take care of the food itself and there will be no pain and suffering.

## Mothers and Daughters

Every woman who has a grown daughter knows well the worry and anxiety which always comes at that period of life when girlhood merges into womanhood. Upon a girl's condition at this time depends her future health, strength and happiness. Too much care can not be taken to see that she passes through this period safely.

## AUNT DINAH'S OLD VIRGINIA Herb Tea

**A BOON TO WOMANKIND**  
is of the greatest assistance to nature in bringing about the change which takes place, without disturbing the natural functions of the system. It is a strengthening tonic. It will keep the roses in a girl's cheeks and prevent that tendency to decline which so often endangers her life at this critical point in development.

This Herb Tea is likewise of corresponding value and assistance to matrons and mothers at the end of this period. Its use will at this time prevent endless pain and worry. A woman will enter the evening of life with scarcely the knowledge that the change has occurred. Many are the thankful women who know the value of Aunt Dinah's Old Virginia Herb Tea and are grateful for the benefits derived from its use.
