loads. Two hundred and twenty-two supper tickets were sold, along with the articles chance off, a silver tea set, drawn by Miss Bessie Walker and the gold watch, drawn by V. E. Crum, the net proceeds reached upwards of \$68.00. This money will be invested in an organ to replace the one lost in the fire last November. The genial hospitality of the good ladies in charge of the festal occasion made this one of the most joyous and pleasurable events it has been our good fortune to attend in many a day, and in so saying we voice the sentiment of the entire party of guests.

Mr. Yingling the eye doctor was in our midst Sunday. He just got married lately and was just gettin' back from his wedding trip, his wife was along and they stayed all night with our fellow citizen Mr. Lawrence Smith. Lawrence betn' his brother-in-law and his wife's brother. Mr. Y. is very popular round these diggins O. K. and may be he'll strike right in and make better glasses to see through than ever. Here's wishin' him success in his new undertakin' O. K.

Joe Deshelter who hails from Johnsonburg is in our midst visitin' his brother Ellick who runs the bar saw in the summer time on Barclay's mill. Ellick and Vine are showin' Ellick's Bro. around town and up to Emporium O. K. & he seems to be powerful pleased to be in our midst. Pap Blodgett played his talkin' machine till 1/2 past 11 Tuesday night at Ellick's place & Joe said that was the 1st time he ever heard a band play tunes when there was no band in the house. Ellick's Bro. is a good joker alright & when he told the story about the fellow runnin' round with his eye in a sling in the P. O. the other night we reckoned some of the Logue boys would hurt their sides laughin' at it O. K.

Some of 'em are bellikins round that "Mabunom's" copyin' after "Veritas" the Bustleton War correspondent of the N. A., and sayin' we're usin' such words like "O. K.", "all right" & "Maybe" as if we had a rite 2. Anyone knows "Veritas" can't rite poetry any ways near up to ourn & maybe if "Veritas" was the correspondent of the Phisss and writin' things up in our midst as we are they wouldn't think one bit more of him than us. Kinder reminds me of a tilt once I heard twixt Tommy O'Neal and Francis DeLoy. Francis had an Irishman workin' for him peelin' logs and he tried to make Tommy believe he was a Frenchman by tellin' him he was born in France. "Gwan wid ye," said Tommy, "begorra, if a cat had kittens in an oven you would call them biscuits."

The C. B. boys have disbanded the band on account of some of the members not wanting to come round to the town hall in the evening every Friday night to practice. At sundry times in the past the C. B. boys' playin' have created a heap of patriotism in the breasts of our citizens and they'll be missed from public doin's, such as oyster suppers, socials (band), L. A. S., P. O. S. of A., L. O. T. M. and many other orders in our midst. Our citizens got to like to hear them playin' "In the Good Old Summer Time." "One Night in June," and many other familiar airs which we have grown familiar with.
