The only Department store in Cameron county, LaBar's big brick block. LaBar has his new brick block completed now and it is a beauty—full of fine furniture, carpets, linoleums, lace curtains, portiers, rugs, big or little, dinner sets, toilet sets, in fact every thing that goes to make up a first class furniture store. Call and look it over. No trouble to show you around. 4-4t
The Woman's Home Companion for March contains half a dozen articles of startling interest. In "The Freak Amusements of 'High Society'" the absurdities of the life of some of our very rich people are laid bare. Henry Irving Dodge begins a series of articles on "The Truth About Food Adulteration." Marion Harland returns to fiction, and contributes a serial as full of interest as those books which have made her the most popular woman writer in America. "The Moki Indian Snake Dance" gives a strange picture of savage America.

The Czar's salary is \$7,500,000 a year and yet there is scarcely anyone who would take his job.

The Philadelphia Record says "women are the most persistent bargain hunters." Having had to give up man hunting, bargains are the only game left them.

Letter to Hackenberg & Co.
Emporium, Pa.

Dear Sir: Mr. N. Avery, Delhi, N. Y., had two houses exactly alike, and painted them; one Devco lead-and-zinc; the other barytes-and-zinc. He paid same price for both paints.

He used six gallons of lead-and-zinc, 12 gallons barytes-and-zinc.

He paid \$18 for painting lead-and-zinc \$36 for painting barytes-and-zinc.

The total cost of the lead-and-zinc job was \$27; the total cost of the barytes-and-zinc job was \$54.

He didn't know he was buying barytes; the dealer told him that paint was as good as Devco.

A fair example of how it generally comes-out, when you buy "something just as good." Better go by the name; and the name is Devco.

Yours truly
F. W. DEVOE & Co.,
New York.

A Newspaper That Speaks Out.

On Feb. 2nd the Pittsburg Times was 25 years old. Its owners claim its undiminished popularity is demonstrated by the frankness with which it has discussed subjects of public interest. Whenever there is before the people some question of absorbing importance newspaper readers are on the qui vive to try to get what The Times has to say, and what The Times says is right to the point. It hits to the line. That, however, is only one of the merits claimed for its publishers. Its general news service is comprehensive and complete. It is accurate in its financial department and up-to-date on its sporting page. Its serial stories are by the best modern authors. It pays especial attention to the news and views of all the churches, and in this respect has won the admiration of the best people. Its editorial page is a daily feast of the best and brightest thought. It endeavors to avoid the "yellow" and caters only to the people of the home and the family. It has no Sunday issue. Six cents a week, \$3 a year. 1-4t.

Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had none the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye. Good for burns and ulcers too. Only 25c at L. Taggart's drug store.

Startling Mortality.

Statistics show startling mortality, from appendicitis and peritonitis. To prevent and cure these awful diseases, there is just one reliable remedy. Dr. King's New Life Pills. M. Flannery, of 14 Custom House Place, Chicago, says: "They have no equal for Constipation and Biliousness." 25c at L. Taggart druggist.

A DANGEROUS HABIT.

Gladstone's Physician Gives Warning Against a Growing American Custom.

The growing habit amongst Americans of taking a mint tablet or some other so called digestive after eating a hearty meal is something that Sir Andrew Clarke, Mr. Gladstone's physician, advises strongly against, says: "It is absolutely dangerous to take into the stomach remedies which are popularly supposed to aid in the digestion of food."

There is nothing known to the science of medicine that can perform the work of the human stomach. Drugs do not and cannot digest the food. They simply decompose it. What can be more revolting or disgusting than the thought of taking something into the stomach that is going to turn the good food you have eaten into a mass of corruption.

The only way to overcome indigestion and its evil effects is to remove all irritation. Congestion and inflammation from the stomach, liver and intestines, and Mi-o-na is the only agent known that will do this.

When a Mi-o-na tablet is taken before each meal every trace of irritation and inflammation is removed from the stomach and digestive system, and those organs will extract from the food all that goes to make good, rich blood, firm muscle, steady nerves and a sound healthy body. If you suffer with headaches, indigestion, flatulency, spots before the eyes, vertigo, or dizziness, palpitation of the heart, sleeplessness, or any stomach trouble, get a fifty cent box of Mi-o-na from L. Taggart one of our most reliable druggists, whose faith in the remedy is shown by his offer to return the money if Mi-o-na does not give complete satisfaction.

The faith that removes mountains always carries a pick.

Night Prowling Thieves.

Croup and Whooping Cough come like a thief in the night, stealing in to fasten the fangs of mortal disease upon the children as they peacefully sleep in their little beds. Kennedy's Laxative Honey and Tar, the new discovery for Coughs and Colds, will drive out these death dealing demons before the doctor can arrive. It protects the lives and health of the little ones. Contains no opiates. Keep it handy. Sold by R. C. Dodson.

The string that is not stretched gives forth no strains.

The Colonel's Waterloo.

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold, and guaranteed to cure, Dyspepsia, Biliousness and Kidney Disease, by L. Taggart druggist, and 50c a bottle.
