DEBSE.

The following of our patriotic citizens went down to Washington to the inauguration, viz: George Barclay, Arthur Barclay, Charles Council and his brother James. T. R. is going to make the President O. K.

Our pastor, Rev. G. Faus, preached a powerful sermon Sunday in the evening to a crowded house on the subject of the "Widowhood of the Devil" as compared with "Easy going disposition of some church members." Pastor Faus has been in our midst now for almost four years and the conference which meets near his home at Berwick will determine whether he'll come back or not.

Our citizens were treated to a nice surprise Saturday morning, March 4th when they woke up and looked out and beheld all the trees covered and bowed with the beautiful snow. Some how of late the snow don't seem to stick on the trees anyways like it yout to.

The play we spoke of as going to take place in the town hall the last of the month maybe has broken up and they ain't going to have it now.

We got a very threatening letter through the U. S. mail when we were at the P. O. the other day. Somebody about here don't seem to think very highly of our journalistic efforts and they think they can intimidate us by sending letters with no names signed to them, but we are not so easily scared. The letter was promptly handed over to the new constable, who promises to ferret out the matter. The very kind remarks by outsiders as to the work we are doing shows we are appreciated by the great common people and is very encouraging to the writer.

Bill Crane, who was elected by the Reps. for High Const. over long John Swartz, Dem., by 4 votes is sayin' he'll think to carry out his election promises and make our little village a moral community. Maybe if Bill does our citizens will see to it that he gets a higher office.

Secretly a night passes, both up town and down, you can hear the P. Balls go clickety click, click, click and the slot machines razzin' our Y. At with the music attached to lead them on and on. Notices have been put up for some time on the old ice house, forbidden poker playin' inside, but Satan is ever busy and certain evil influences were brot to bear over poor little Jimmy Bruno and they are doin' most of their playin' now in the Ike shanty, where Ray Berfield used to live. Here's hopin' Bill Crane may be true to the high trust reposed in him and use the office of Const. as a steppin' stone to somethin' higher in the eyes of our citizens.

MRS. HALL'S MIRACLE.

Experiences Similar to This Have Occurred Considerable Comment in Emporium.

Few women are better known in Lockport, N. Y., than Mrs. Pattie D. Hall, as she belongs to one of the best families and has a large circle of friends and acquaintances. In a recent interview Mrs. Hall said:

"The experience I have been through in the last two years seems like a miracle. I was so badly off that life seemed almost unendurable, and my deafness increased so that I could scarcely hear anything. The suffocation in my chest and the indigestion caused by my catarrh, produced very severe suffering. I had five different physicians, bought everything that anybody recommended to me, but finally gave up in despair.

"One day my milliner asked me if I had ever tried Hyomei. I began the treatment, and can thankfully testify that Hyomei dose cured this terrible disease. Since using it my hearing is greatly improved, and the only time I have any catarrhal trouble is when I take cold. I then use Hyomei, and always get instant relief. My friends and acquaintances marvel at the change in my health and hearing."

Hyomei has made many cures of catarrh, and in connection with Hyomei balm, of catarrhal deafness, in Emporium. Similar experiences to that of Mrs. Hall's have created a large sale for Hyomei with L. Taggart.

The complete outfit, including the inhaler, costs but \$1., while extra bottles are but 50 cents. Ask L. Taggart to show you the strong guarantee under which he sells Hyomei.

The first dose gave relief, and one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds Guaranteed at L. Taggart's drug store price 50c and \$1.00. Trial bottle free

Mothers and Daughters

Every woman who has a grown daughter knows all the worry and anxiety which always comes at that period of life when girlhood merges into womanhood. Upon a girl's condition at this time depends her future health, strength and happiness. Too much care can not be taken to see that she passes through this period safely.

AUNT DINAH'S OLD VIRGINIA Herb Tea

A BOON TO WOMANKIND

is of the greatest assistance to nature in bringing about the change which takes place, without disturbing the natural functions of the system. It is a strengthening tonic. It will keep the roses in a girl's cheeks and prevent that tendency to decline which so often endangers her life at this critical point in development.

This Herb Tea is likewise of corresponding value and assistance to matrons and mothers at the end of this period. Its use will at this time prevent endless pain and worry. A woman will enter the evening of life with scarcely the knowledge that the change has occurred. Many are the thankful women who know the value of Aunt Dinah's Old Virginia Herb Tea and are grateful for the benefits derived from its use.
