## "Souls on Fire."

The greatest serial story of the year by Louis Tracy, famous author of "The Wings of the Morning" and "The Pillar of Light," will be exclusive to the readers of the color magazine given free with each copy of "The Philadelphia Press" beginning Sunday, March 26. The Sunday Magazine will be the only publication in America where this great story may be read. By special arrangements with Mr. Edward J. Clode, Mr. Tracy's American publisher, this story will not appear in any other published form until 1906.

England, Russia and America furnish the principal characters in this remarkable and timely story. Love and thrilling adventure is the theme, as in all of Mr. Tracy's most successful work. The action begins with a bomb thrown in London, an Anarchist meeting in Tottenham Court Road, some sensational disclosures in the Russian colony in England, and then shifts to the castle of a Russian provincial governor, or "Little Czar," whose subjects are in revolt at his intrigues. The plot affords superb opportunity for a brilliant display of the author's swift imagination, and an almost equally interesting display of his intimate knowledge of Russia life of to-day.

## WHAT IS CATARRH?

**Hyomei Cures this Common and Disagreeable Disease.**

Hyomei cures catarrh by the simple method of breathing it into the air passages and lungs. It kills the germs of the catarrhal poison, heals and soothes the irritated mucous membrane, enters the blood with the oxygen and kills the germs present there, effectually driving this disease from the system.

It you have any of the following symptoms, catarrhal germs are at work somewhere in the mucous membrane of the nose, throat, bronchial tubes or tissues of the lungs.

offensive breath  
dryness of nose  
pain across the eyes  
pain in back of the head  
pain in front of the head  
tendency to take cold  
burning pain in the throat  
hawking to clear the throat  
pain in the chest  
a cough  
stitch in side  
losing of flesh  
variable appetite  
low spirited at times  
raising of frothy mucus  
expectorating yellow matter  
difficulty in breathing  
frequent sneezing

huskiness of voice  
discharge from nose  
stoppage of the nose at night  
aching of the body  
droppings in the throat  
mouth open while sleeping  
tickling back of the palate  
formation of crusts in the nose  
dryness of the throat in the morning  
loss of strength  
spasms of coughing  
cough short and hacking  
cough worse nights and mornings  
a feeling of tightness across the upper part of the chest

Hyomei will cure the disease, destroy activity of all germ life in the respiratory organs, enrich and purify the blood with additional ozone, and after a few days use of this treatment the majority of these symptoms will have disappeared. In a few weeks the cure will be complete.

Catarrh or catarrhal colds cannot exist when Hyomei is used. This is a strong statement, but L. Taggart emphasizes it by agreeing to refund your money if Hyomei does not cure.

A man doesn't believe in luck if he is having the right kind.
