HAMLINS

No time should be lost, because lung trouble may easily develop into pneumonia or consumption. Hamlins Wizard Oil, applied to the chest, relieves the pain and inflammation, loosens up the cough and soon cures the disease.

'My little girl,' writes Rich. W. Thornton of Quray, Colo., "suffered more or less with a cold on the lungs since her birth, and finally the trouble became serious. No remedies gave relief, until we tried Hamlins Wizard Oil, one bottle of which permanently cured her.'' Price 50c and \$1.00.

A Happy Man.

A Happy Man. The happiest man in the world is the common every-day chap who makes his own living, pays his bille, has a little money as he goes along, but doesn't strive to get a corner on the local output and is a slave neither to ambition or society. He loves his God and his fellowman, thinks there is "no place like home" the haven of rest, prefers the company of his wife and children to that of anyone else, never has to sit up at night to poultice his conscience, believes in the doctrine of live and let live, and when he en-counters one of the needy he doesn't stutter with his pocketbook. The plain man is happy because he is sat-isfied and does not spend the best of his life yearning for things four sizes too large for him.-Ex.
