Smith's Wife Is a Sister to Miss Patterson and Smith Is Alleged to Have Selected the Pistol with Which Bookmaker Young Was Shot.

Cincinnati, March 31.-Accused of conspiracy to commit murder, J. Morgan Smith and wife, who is a sister of Nan Patterson, were arrested in this city Thursday on telegraphic request from District Attorney Jerome, of New York City. Nan Patterson, the actress, who has been twice put on trial for the murder of Caesar Young in New York, May 4, 1904, is charged in the same connection, new indictments to this effect having been found in New York yesterday. For a long time the authorities have been unable to locate Smith and his wife, the couple having left New York a few months after the murder, and before the beginning of the recent mis-trial of Nan Patterson in which Smith's testimony was considered almost vital

to the prosecution.

Morgan Smith is declared by the New York authorities to have gone with Nan Patterson to a pawnbroker's shop in New York and to have selected for her the pistol with which Young was shot.

was shot.

New York, March 31.—The grand jury in this city on Thursday handed down indictments against J. Morgan Smith, Julia Smith, his wife, and Nan Patterson, charging them jointly with conspiracy. The indictments are based upon a letter alleged to have been written by Julia Smith to Caesar Young in which, it is alleged, was a threat and a demand for money for the Patterson girl.

UNDERGROUND RAILWAYS.

Plans for Lines to Cost Hundreds .of Millions Submitted to New York's Rapid Transit Commission.

New York, March 31.—An elaborate supplemental system of underground railway line in Greater New York, which, if constructed on the plans suggested will entail an expenditure of hundreds of millions of dollars, was outlined in a report submitted to the rapid transit commission yesterday by the commission's committee on plans and contracts. Fourteen separate routes are provided in the plans.

They include two additional subways extending the full length of Manhattan Island, one of them reaching into the Bronx; several lines through Manhattan above Forty-second street and a number of cross-town lines between Fifty-ninth street and Fourteenth street, a tunnel under the East river, connecting Manhattan with the bor-ough of Brooklyn; subway loops con-necting the Williamsburg and Brooklyn bridges and an elaborate system of tunnels extending to various points in Brooklyn.

Japanese Scouting Parties Active.

Harbin, March 31.-Japanese scouting parties are very active in endeav-oring to pierce the screen of the Russian vanguard posts and develop the strength of the positions, their at-tempts at times verging on the nature of reconnaisances in force. A few Japanese batteries which have pushed far forward occasionally drop Shimose shells in suspected places. Wednesday there was a smart brush where Gen. Mistchenko is stationed, the Japanese pressing forward in a determined en-deavor to make a thorough recon-naissance and learn the dispositions in this quarter. The Russians re-pelled the advance. There were in-

Washington, March 31.—M. J. Hornsby, a negro who twice passed a civil service examination and twice has been appointed to clerkships in the postoffice at Yazoo, Miss., has complained at the White House that he is prevented from holding his position by reason of the brutality of white citizens of Yazoo. The president was unable to take up the case because all of his time before leaving for his western trip is filled with engagements. Hornsby was referred to the civil service commission.

Double Murder in an Illinois Town. Collinsville, Ill., March 31.—In **a** shooting affair yesterday Mrs. John Berta and Barney Vossallo were killed and John Berta, husband of the woman, was slightly wounded. Berta was released from custody last night on a coroner's jury verdict of justifi-able homicide. Vossallo entered Ber-ta's place of business and began shooting at Mrs, Berta. She seized a re-volver and returned the fire.

ten for Him.

The boy was nearing the time of his graduation from the high school. He was a favorite in the school, but he had taken higher rank on the baseball and football fields than he had in the classroom, and this was when he began to be sorry. The "exercises" of graduation day loomed large before him. He was down for an essay. It looked more formidable than any obstacle he had ever encountered on the athletic field, and the nearer the day came the larger it looked, says the Lewiston (Me.) Journal.

There was a Harvard man staying in the village at the time, and to him, finally, the young athlete went and besought his help in the writing of the essay. The university man was amused, but he concealed his emotions.

"Well," he said, "a graduation essay is a fussy piece of work. I haven't done much writing lately, and I hardly feel 'like tackling such a job." The boy's face fell.

"Still," the Harvard man added, "I don't know—perhaps—I suppose you've picked out the subject you want to write about.""

"Yes," answered the young athlete, "the subject is 'Self-Reliance."

What the Dentist Says.

What the Dentist Says.

Toledo, Ohio, March 27th.—(Special)—
Harry T. Lewis, the well-known dentist of 607 Sumit street, this city, is telling of his remarkable cure of Kidney Disease by using Dodd's Kidney Pills.

"I was flat on my back and must say I had almost given up all hope of ever getting any help," says Dr. Lewis.

"My kidneys had troubled me for years. The pains in my back were severe and I had to get up several times at night. I tried different medicines but kept on getting worse till I was laid up.

"Then a friend advised me to try Dodd's Kidney Pills and in about two weeks I started to improve. Now I am glad to admit I am cured and I cannot praise Dodd's Kidney Pills too highly."

If you take Dodd's Kidney Pills when your kidneys first show signs of being out of order you will never have Bright's Disease, Diabetes, Dropsy, Gravel or Rheumatism.

#### EXPERIENCE OF MISS MERKLEY She Was Told That an Operation Was Inevitable. How She Escaped It

OPERATION AVOIDED

When a physician tells a woman suffering with ovarian or womb trouble that an operation is necessary, the very thought of the knife and the operating table strikes terror to her heart, and our hospitals are full of women coming for ovarian or womb operations.

There are cases where an operation There are cases where an operation is the only resource, but when one considers the great number of cases of ovarian and womb trouble cured by Lydia E. Pinkham's Vegetable Compound after physicians have advised operations, no woman should submit to one without first trying the Vegetable Compound and writing Mrs. Pinkham, Lynn, Mass., for advice, which is free.

Miss Margret Merkley of 275 Third Street, Milwaukee, Wis., writes:

Street, Milwaukee, Wis., writes:

Dear Mrs. Pinkham:—
"Loss of strength, extreme nervousness shooting pains through the pelvic organs, bearing down pains and cramps compelled me to seek medical advice. The doctor, after making an examination, said I had ovarian trouble and ulceration and advised an operation. To this I strongly objected and decided to try Lydia E. Pinkham's Vegetable Compound. The ulceration quickly healed, all the bad symptoms disappeared and I am once more strong, vigorous and well."

Ovarian and womb troubles are steadily on the increase among women. If the monthly periods are very painful, or too frequent and excessive—if you have pain or swelling low down in the left side, bearing down pains, leucorrhea, don't neglect yourself: try Lydia E. Pinkham's Vegetable Compound.
