WASHINGTON LETTER.

(From our Regular Correspondent.)

Washington, April 1, 1905.

When the extra session of Congress is called in October the President will present for its consideration the two questions which were passed at the last session without legislation, that is railroad rate legislation and the revision of the Dingley tariffs in certain schedules.

The action of the two bodies comprising Congress on these matters is not difficult to prophesy. The lower house, the members of which are dependent on their constituents for their place necessarily reflect the views of the people, and it is well known that the great general public is with the President in his desire to regulate railway rates.

On the other hand the Senate represents to a considerable extent the great corporat interests of the country, and as a body it will be no more inclined to pass the railroad rate bill at the coming session than it was at the last.

The House of Representatives will in all likelihood pass a rate bill as easily as the last one but it will be in the Senate that a blockade can almost surely be predicted. There are Senators from the greatest states in the Union who represented in the Senate not the people of their states but private corporate interests and it is these corporation Senators who will be responsible for the defeat of the bill.

One thing alone can prevent the miscarriage of these reforms and that is for the corporation Senators to be made to understand in no uncertain way that they are in the Senate to represent the people and to fulfill their wishes.

During the summer months the people will have an opportunity through the press and other sources to inform their Senators what they desire in the matter and to find out as well where their Senators stand on these important matters. Men who are representing great trusts in the Senate whether they be the Express Company trust, railroad trusts, coal trusts or any other monopoly should be catechised by the people and be made to declare themselves.

If railway rate legislation is to be effected in this or any other Congress it can only be by the people forcing the Senators to represent the states aright and not according to the dictates of the companies for whom they sat as agents in the Senate.

Last Hope Vanished. When leading physicians said that W. M. Swithart, of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds, kept him out of his grave.

Restored to His Mother. I think it saved my boy's life. You do not know how sick he was. His urinate was like blood, and it would almost take his life to urinate.

A TRUE APPETIZER AND TONIC

Mi-o-na Will Make You Feel Hungry and Hearty, and Give Strength and Vitality.

Ask any friend who looks thin, pale, and out of health how many meals he or she eats a day, and the chances are that the answer will be, "Not over two, and I don't feel hungry then."

The one appetizer and tonic that should be taken is Mi-o-na, the only agent known that will strengthen the stomach and digestive system, and put them in such perfect working order that they will digest easily and naturally all the food that is eaten, and send you to the table positively hungry for the next meal.

Without a strong stomach digestion will be poor, the blood impure, and serious liver and kidney troubles result, causing headaches, backaches, spots before the eyes, dizziness, sleeplessness, nervousness, irritableness, a furred tongue and bad breath, all of which can be readily overcome by the use of Mi-o-na.

Cheated Death. Kidney trouble often ends fatally, but by choosing the right medicine, E. H. Wolfe, of Bear Grove, Iowa, cheated death.

Two years ago I had Kidney Trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." L. Taggart druggist, guarantees them at 50c.

There are no shadows so dark as the gloom of a heartbroken lover.

A Night Attack. Last night the little daughter of Mrs. Brown, as she sweetly and peacefully slept in her little bed near the window, was attacked by a death dealing demon known as Croup Whooping Cough, and but for the timely use of Kennedy's Laxative Honey and Tar, which she always keeps handy, the life of the little one might not have been saved.

Kennedy's Laxative Honey and Tar is different from all of the old-time cough syrups and is best for children because it acts on the bowels, is harmless, safe and certain. Contains no opiates. Sold by R. C. Dodson.

If men knew when they had enough, there would be plenty for all.

A Daredevil Ride. Often ends in a sad accident. To heal accidental injuries, use Bucklen's Arnica Salve.

"A deep wound in my foot, from an accident," writes Theodore Schuele, of Columbus, O., "caused me great pain. Physicians were helpless, but Bucklen's Arnica Salve quickly healed it." Soothes and heals burns like magic. 25c at L. Taggart's, druggist.

After a man is knocked down by his enemies his friends kick him.

Frightful Suffering Relieved. Suffering frightfully from the virulent poisons of undigested food, C. G. Grayson, of Lula, Miss., took Dr. King's New Life Pills, "with the result," he writes, "that I was cured."

All stomach and bowel disorders give way to their tonic, laxative properties. 25c at L. Taggart's drug store, guaranteed.

Forget About Your Stomach. If your digestion is bad the vital organs of your body are not fed and nourished as they should be.

To Washington via Pennsylvania Railroad. The Pennsylvania Railroad Company, on April 14, will run a special excursion from Buffalo and principal intermediate stations on the Buffalo and Allegheny Valley Division and from points on the Philadelphia and Erie Railroad, Erie to Lock Haven, inclusive, to Washington for the benefit of all who may wish to visit the National Capital.

These tickets will be good to return direct via Harrisburg or Philadelphia and to stop off at Baltimore and Philadelphia returning if deposited with ticket agent at Union Station, Baltimore or Broad Street Station, Philadelphia.

Kitchen Economy. With the uniform high charges for gas, the gas stove is ordinarily the most expensive piece of household machinery, and at the same time it is the one least understood by the average housekeeper.

Writing in the May Delincentor under the topic "Gas Stove and Refrigerator Knowledge," Isabel Gordon Curtis has some suggestions in this connection which rob the gas stove of some of its terrors of cost.
