MANY LIVES LOST IN FIRE

Fourteen Persons Perished When a Convent at St. Genevieve, Que., Was Destroyed.

NINE CHILDREN WERE BURNED

One Nun and Four Old Ladies Perished in the Flames and Two Nuns Were Probably Fatally Burned While Trying to Save Lives.

Montreal, Quebec, April 22.—A disastrous fire broke out early Friday and reduced to ashes the convent in the little village of St. Genevieve. One nun, nine children and four old ladies lost their lives and two nuns were probably fatally burned.

As soon as the fire was discovered the villagers hastened to the scene. Bucket brigades were formed and every possible effort was made to save the building, but the fire had gained such headway that it was soon apparent that there was no chance to save it from destruction.

The occupants, hurriedly aroused by the smoke, attempted to grope their way out of the building. Notwithstanding all efforts, there was a deplorable loss of life. Sister Rageterra in heroic efforts to save the lives of the children in her charge, succumbed to the smoke and flames. The pupils who perished were in a portion of the building where the fire had obtained too much headway before the alarm was given to enable those who responded to effect their rescue.

A STATESMAN DIES.

United States Senator Orville H. Platt, of Connecticut, Passes Away.

Washington, Conn., April 22.—United States Senator Orville Hitchcock Platt, of Connecticut, died at his summer home in this, his native town, last night from pneumonia. The end came almost unexpectedly, the immediate cause being the breaking of the abscess which had formed in the right lung and which produced strangulation.

Senator Platt was chairman of the committee on relations with Cuba at the time the discussion respecting the attitude of the United States toward the young republic was under consideration in congress. Out of the deliberations of the committee on the subject was finally evolved a long declaration regarding Cuba which was attached as an amendment to the army appropriation bill.

Senator Platt was first elected to the senate in 1879 to succeed Senator W. H. Barnum, a democrat, who had been elected to fill the vacancy caused by the death of Senator Orris S. Ferris, republican. His last re-election was 1903. He was 78 years of age.

ASKED FOR A RECEIVERSHIP

Seven Chicagoans, Policyholders in the Equitable Life Society, Charge Its Officers with Mismanagement.

Chicago, April 22.—A bill for the appointment of a receiver for the Equitable Life Assurance Society of the United States and seeking an accounting was filed in the United States circuit court here Friday by Attorney D. J. Schuyler. The petition is filed in the name of Abraham Sitron and six others, policyholders in the society. Sitron says he holds a \$2,000 policy in the society and that his interests are being dissipated by the officers of the society.

In the bill President James W. Alexander and Vice President James H. Hyde are charged with misappropriation of funds and mismanagement. The bill also declares that for ten years the charter of the company and the laws of New York have been violated, inasmuch as the officials have failed to distribute the profits of the company among the policyholders.

TRADE REVIEW.

Business Has Been Somewhat Retarded by Bad Weather.

New York, April 22.—R. G. Dun & Co.'s Weekly Review of Trade says: Erratic weather has tended to make trade reports somewhat irregular, but on the whole the week's results were satisfactory. Early delays were followed by increased activity, particularly in what might be termed Easter lines. It is noteworthy that much business for fall delivery has appeared, and more supplementary spring and summer contracts are being placed than jobbers anticipated. Mercantile payments are also increasingly prompt.

Failures this week numbered 200 in the United States, against 241 last year, and 21 in Canada, compared with 12 a year ago.

Rojestvensky Is Warned.

Paris, April 22.—As a result of communications between the governments at Paris and St. Petersburg the Russian government has forwarded urgent orders to Admiral Rojestvensky to rigorously respect the neutrality of French waters.

Found Two More of Hoch's Wives.

Chicago, April 22.—Two more alleged wives of Johann Hoch have been discovered, according to letters received by the state's attorney. Both "wives" are in Baltimore. Selection of a jury to try Hoch for murder is proving a hard task.

Eruption of Vesuvius Continues.

Naples, April 22.—The eruption of Mount Vesuvius is increasing and frequent explosions are heard. Streams of lava are running down the mountain and the crater is emitting smoke, ashes and red hot stones.

A CATASTROPHE IN A MINE

Explosion in a Colliery Near Kayford, W. Va., Will be Fatal to Eight Workmen.

Charleston, W. Va., April 21.—A mine explosion in the Cabin Creek Mining Co.'s mine near Kayford, about 30 miles above here, late Thursday afternoon, may result in the death of five miners and the fatal injury of three others.

It was only one month ago that a similar disaster snuffed out the lives of 20 men at Rush Run, near the scene of the catastrophe yesterday.

The last disaster is said to have been caused by a powder explosion, the result of a miner's carelessness. About 5 o'clock, after many of the men had left the mine, there was a sharp report followed by an explosion which threw debris in all directions. The tipples took fire and were soon a mass of flames.

Nine men were still within the mine when the explosion occurred. Of these, four reached safety with the assistance of friends. Three of the number were so severely injured that they are not expected to live. The remaining five men were still entombed at a late hour. It is believed that these men are dead, as they were at least 2,000 feet below the surface when the explosion took place.

ON A CHARGE OF FRAUD.

Postoffice Inspectors Arrest the Alleged Treasurer of the Storey Cotton Co.

New York, April 21.—Postoffice Inspectors yesterday arrested Patrick J. Kearns at Coney Island on a warrant issued by United States Commissioner Lincoln Benedict on March 13, on an indictment charging him and others with using the United States mail to defraud. The inspectors who made the arrest say Kearns was treasurer of the Storey Cotton Co., of Philadelphia, which recently collapsed. They allege he was known in the Pennsylvania city as Thomas Harper. The man under arrest denies all knowledge of the affairs of the Storey concern and declares that he has never been in Philadelphia.

United States Commissioner Benedict placed him under \$2,500 real estate bail, but on Kearns' plea that he wanted to go to the aqueduct races he was taken before United States Judge Thomas, who offered to accept \$2,500 cash bail. The prisoner immediately produced a roll of bills and handed the court five \$500 notes.

CHILDREN WERE CREMATED

Explosion of a Bottle of Gasoline in a Dwelling at Greensburg, Pa., Caused Death and Ruin.

Greensburg, Pa., April 21.—A disastrous accident resulted last night from the explosion of a bottle of gasoline in the home of John E. Kunkle, three children of the family being burned to death and a fourth so fearfully injured that her recovery is a matter of doubt.

Three members of the fire department were injured. Two men who attempted to rescue the children from the burning home were severely burned and cut.

The parents of the children left them in charge of Mrs. Kunkle, a woman 75 years old, while they went to Holy Week services in their church.

After the children had been put to bed one of them called for a drink and the grandmother in carrying the water to the child tripped. In her effort to save herself she overturned a bottle of gasoline and in an instant the room was ablaze. The parents arrived home just as the fire was at its height.

The President's Bear Hunt.

Glenwood Springs, Col., April 21.—That President Roosevelt is enjoying royal sport in his hunt for Rocky Mountain grizzlies is attested by Secretary Loeb, who returned from the camp yesterday. While the only game pulled down thus far is a bear shot by the president and a lynx shot by Dr. Lambert, of New York, there has been plenty of recreation. Every day the dogs have followed trails that looked promising, showing that there are more bears to be found in the region now being hunted. Camp will not be moved until Saturday.

Wheat Pool Is Shattered.

Chicago, April 21.—A break of five cents a bushel occurred here Thursday in the price of May wheat. That the celebrated May deal attributed to John W. Gates is being wound up, became the general belief in board of trade circles. Yesterday's sensational developments lent color to the widespread opinion that Gates, realizing his inability to swing the nearby option to the lofty mark he had in mind, shifted the deal to the hands of Ogden Armour and Valentine.

Judge Accused of Bribery Resigns.

Charleston, W. Va., April 21.—As a result of an affidavit of County Tax Commissioner J. F. Hudson, accusing Judge A. C. Shaver, of the county court, of accepting bribes, the judge resigned yesterday.

Japs are Moving Northward.

St. Petersburg, April 21.—A telegram from the seat of war in Manchuria states that the Japanese armies are advancing northward, preceded by cavalry.

Strikers are Enjoined.

Chicago, April 21.—Montgomery Ward & Co., whose teamsters and garment makers are on strike, were granted an injunction in the superior court yesterday against four locals of the International Brotherhood of Teamsters and the United Garment Workers' union.

The Congress Is Prohibited.

St. Petersburg, April 21.—A circular has been addressed to the governors of the provinces informing them that the congress of zemstvos called for May 7 has been prohibited.
