Sudden Death.
James Brannon, a teamster in the employ of the Keystone Powder Company, fell dead from heart failure last Sunday morning in East Emporium. He is survived by a widow for whom much sympathy is felt. Brannon had lived in this section about four years. Jacksonville, Fla., being his former place of residence, where his parents live, but no word was received, though they were advised of his death. The funeral was conducted from LaBar's undertaking establishment Tuesday afternoon, Rev. Metzler officiating. Interment was made in Newton Cemetery.

Man Who Did Too Well.
"A man may sell too much of the article which he is displaying to his customers, and I know of a case in point which happened to a friend of mine," said a commercial man.
"My friend had a fine place offered him with an organ factory, and he accepted it, the salary being up in the four figures. He went out and to his first customer sold the entire output of the plant. The customer agreed to take all that the factory could make. Having nothing more to sell, my friend returned to the house well pleased with his success and for several days sat around smoking good cigars, while the firm patted him on the back. One day he came in, and the boss called him over, saying in this fashion:
"I will have to give you the usual thirty days' notice. You have done so well that we have no further use for you or any traveling man. We are sorry to lose you, but you sold too much at the first crack."—Louisville Courier-Journal.

A Tilt Tapper.
During luncheon the subject of widows arose, and on this interesting topic many original ideas were expressed. One of the company said:
"Some widows are to be pitied; others, again, are to be felicitated. My father used to describe a widow of the latter sort. She lived in Maryland and kept a little village store. Her husband was a worthless fellow. He never worked, and he drank a great deal. A worthless fellow, I repeat, but nevertheless when he died suddenly many persons made calls of sympathy and condolence on the widow. My father did not call, but one day, stopping at the store to buy some trifle or other, he thought it was no more than right to say in a feeling tone:
"You must miss your husband a great deal, madam?"
"Well, sir," said the widow, "it does seem strange to come into the shop and find something in the till."

Making Himself Solid.
Miss Hint—Every one says I'm the picture of mamma. Do you think so? Mr. Wise—Yes, but a very flattering picture.—Milwaukee Wisconsin.

The regard one shows economy is like that we show an old aunt who is to leave us something at last.—Shenstone.

A Wonderful Saving.
The largest Methodist Church in Georgia, used 32 gallons of L. & M., mixed with 24 gallons of oil, thus making paint cost about \$1.20 per gallon. They calculated to use 100 gallons of other paint. Saved about \$80.00 and also got a big donation of L. & M. Dealers gladly sell L. & M., because their customers call for it and say they used it 12, 14 and even 30 years ago.
Don't pay \$1.50 a gallon for linseed oil, which you do in ready-for-use paints. Buy oil fresh from the barrel at 60 cents per gallon, and mix it with L. & M. Paint.
It makes paint cost about \$1.20 per gallon. Sold by Harry S. Lloyd.

A Serious Matter.
"The third dose of Thompson's Barosma made me feel like a different man. I suffered about a year with pain in back, side and groin. My hands, arms and side of face became numb; would wake up numb all over; have to get out of bed and go through gymnastic exercise to get sleep. I had decided to sell out my business but was cured by Thompson's Barosma. This was two years ago and I have been in perfect health ever since.—J. J. Borne, Titusville, Pa. For sale by R. C. Dodson.
