Joseph Jefferson Passes Away.

WEST PALM BEACH, Fla., April 23.—Joseph Jefferson, the eminent actor, died at his home, "The Reefs," at Palm Beach at 6:15 o'clock this evening. The end came after a day of unconsciousness, and after a heroic struggle of days which had exhausted his vitality. At his deathbed were his wife, his sons, Charles B. and Frank Jefferson, his nurse, Miss Mabel Bingham, Dr. R. B. Potter and his faithful old servant, Carl Kettler.

The end was not a surprise to his physician or friends. Ever since his last sinking spell, which came after a rally on Thursday morning, and which was followed by an apparent improvement until Friday, the family had been waiting for the end.

Mr. Jefferson's condition Saturday night grew steadily worse, and the family, who had their beds, were summoned from their beds and Dr. Potter was called. The patient's condition continued to grow worse, all through to-day, and the brief bulletins from the bedside contained no words of encouragement.

The sickness of Mr. Jefferson which ended in his death was contracted, it is believed, while on a recent visit to his son, Charles B. Jefferson, at Hobe Sound, a few miles above Palm Beach, where he went to meet his friend, former President Cleveland. It is believed that from a slight indiscretion in his eating there he suffered an attack of indigestion. Since his return to his home his condition grew steadily worse, with slight rallies until the end.

The body of Mr. Jefferson will be taken to Buzzards Bay on a special train, leaving here to-morrow evening, accompanied by all the members of his family who are here. It will reach New York Wednesday morning and the family hope to reach Buzzards Bay the following of that day.

\$100 Reward, \$100.

The owners of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

Restored to His Mother.

I think it saved my boy's life. You do not know how sick he was. His urine was like blood, and it would almost take his life to urinate. He took six bottles of Thompson's Barosma, Kidney and Liver Cure which made a complete cure.—Mrs. D. D. Buchanan, Cherrytree, Pa. For Sale by R. C. Dodson.

A Little Girl's Trouble.

My little girl, five years old, was troubled for several months for bladder trouble but without success. She was very bad and caused us much anxiety. Finally we put aside the doctors' medicines and tried Thompson's Barosma or Kidney and Liver cure. Five or six bottles made a complete cure and she is now a sound, healthy girl. N. F. Last Hope Vanished.

When leading physicians said that W. M. Smithart, of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds, kept him out of his grave. He says: "This great specific completely cured me, and saved my life. Since then, I have used it for over ten years, and consider it a marvelous throat and lung cure." Strictly scientific cure for Coughs, Sore Throats or Colds; sure preventive of Pneumonia. Guaranteed, 50c and \$1.00 bottles at L. Taggart's drug store. Trial bottles free.

The Publisher's Claims Sustained

UNITED STATES COURT OF CLAIMS

The Publishers of Webster's International Dictionary allege that it is in fact the popular Unabridged thoroughly revised in every detail, and vastly enriched in every part, with the purpose of adapting it to meet the larger and severer requirements of another generation.

We are of the opinion that this allegation most clearly and accurately describes the work that has been accomplished and the result that has been reached. The Dictionary, as it now stands, has been thoroughly revised in every detail, has been corrected in every part, and is admirably adapted to meet the larger and severer requirements of a generation, which demands more of popular philological knowledge than any generation that the world has ever contained.

It is perhaps needless to add that we refer to the Dictionary in our judicial work as of the highest authority in accuracy of definitions and that in the future as in the past it will be the source of constant reference.

A Personal Letter from Mr. Shaw

When looking for a new factory superintendent two years ago, I visited the three great vehicle centers of the Central West; talked to and investigated the records of thirty men, many of them having charge of some of the largest factories in the country. I found my man. I know that we have one of the very best vehicle factory superintendents in America. He has had twenty years' experience in buggy building. All that time he has been accustomed to making high grade work. That is our class. I attend personally to the buying of materials; am thoroughly conversant with every kind, size, the weight, grade, strength, finish, price and general construction of every piece of woodwork, hardware, steel, leather, cloth, paint and varnish that goes into our work; have visited and examined the material, and have torn apart the finished work of six or eight of the largest factories; want to say that I am confident we are building a better buggy than these factories ship to the dealer at one-third more than the price we ask you. A fact. Think it over.

Our pay roll, when compared with that of other factories, shows that we are paying more in wages. This means we have a higher class of mechanics. The result is better quality of work.

We had over 60,000 orders in this department last year. Very busy now, but we have a lot of good, experienced men to help. People are realizing that this is the place to buy vehicles.

stronger and more durable vehicles, better made in every way, easier riding, more stylishly trimmed, better finished and altogether with more lasting qualities for the money than any other buggy concern in the world.

Our vehicle business in 1904 increased 20 per cent; other houses fell behind 30 percent. We never put a \$50 description on a \$40 job.

We have purchased material for manufacturing twice as many vehicles in 1905 as in 1904. We paid spot cash for it. We expect great things. Have really put prices upon the finished work that are extraordinarily low when considering the quality. Send us your order and we guarantee to return you good material and good labor in the shape of a good rig.

Send for Our Vehicle Catalogue

The descriptions in our vehicle catalogue are correct. We have the goods to back them up. We know what's under the paint. If you have not received a copy ask for it. Order

MR. F. L. SHAW

with this understanding: That if upon receipt you are not satisfied, write us and we will have the job returned, promptly refund your money and pay the expense both ways.

We shall be pleased at any time to have our customers visit our plant, and personally, will be glad to answer any questions regarding our work, or to assist you in any way possible in the selection of a job or to quote and purchase for you any special vehicle that we may not catalogue.

Recently a certain manufacturing concern which builds work for a catalogue house, ordered, through another party, one of our low-priced buggies and had it shipped to their factory for examination. They wanted to know why people were buying Ward's vehicles. Upon receipt of the job it had so many features of the higher priced buggies, such a fine finish, and was so stylish and well proportioned in every way that they concluded we had made a mistake and sent them our highest priced buggy.
