A Decided Success.

A Decided Success.

The supper at Presbyterian church last Thursday evening by the men of the church was a decided success, and largely attended, netting a neat sum of money to the church. The ladies were not in it and were barred from the kitchen. In addition to the unique meal served the patrons were served with pleasant instrumental and vocal music, the Mandolin Club, composed by Misses May Gould, Flossic and Byrde Taggart, Maud Steck, Mr. and Mrs. Harry Feltwell, Chas. Crandell, (director,) Joel Jordan, Hugh Swartz, and Chas. Wiley. The Club certainly did render excellent music and greatly pleased all who heard them. This was their first public appearance and all hope it will not be their last. Miss Grace Walker also rendered several pleasing solos and Prof. A. D. Ericsson executed some instrumedtal music of a high order. The music was worth double the price of admission.

Saved by Dynamite.

Sometimes, a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun.
