OPINIONS OF THE PRESS.

Bryan seems to be the hotbox and Parker the refrigerator of the democratic party.—Chicago Chronicle.

Gov. Herrick of Ohio a few days ago received from "Miss L. Neal," of Bradford, a request for a permit to don men's wearing apparel.

THE PRESIDENT IS SQUARE

Wants to See the Rate-Making Law "Administered with Sanity and Conservatism."

That promised campaign by the president in favor of railway rate regulation has been started.

It will be well to bear in mind, however, that the rate-fixing power which the president wants to have conferred on the interstate commerce commission has a limit.

But the president makes it plain that he wants to see this rate-making law "administered with sanity and conservatism."

INDIANS AS FIDDLERS.

The flute was the musical instrument of the Creeks until the fiddle was brought to them.

NOT NECESSARY.

She—Do the Russians speak the Japanese language? He—No, but the Japs don't have any difficulty in making their understand.—Detroit Free Press.

THE LEADERSHIP OF BRYAN

Heading Toward Bimetallism, Tariff for Revenue Only and Kindred Issues.

Musing on 1908, the Richmond Times-Dispatch says: "Democrats will have several years to consider before they will be called upon to act."

A very interesting suggestion in political circles is that Mr. Bryan may spend some time in Washington next fall and winter advising with his friends in congress about legislation.

Mr. Bryan now has his eyes on 1908, and, expecting another nomination, is ambitious to help shape things for that year.

There cannot be any waiting by the democrats. They must go on record promptly. The tariff question and the railroad rate question are coming up in congress.

RECIPROCITY NOT IN FAVOR

The Feeling in Canada Is That Better Protection for Manufactures Is Needed.

An eastern paper has made a canvass of the Canadian press in regard to trade reciprocity with the United States.

Saigon, French Indo China, May 15.—The British steamer Carlisle has been detained here on suspicion of carrying contraband of war.

THE STRIKE IS TOTTERING

Belief that the Labor War in Chicago Will Soon be Ended Is Expressed by Employers and Strikers.

Chicago, May 17.—Although no facts have as yet transpired to fully warrant the prediction, it is asserted both by members of the Employers' association and by the conservative element in the ranks of the teamsters that the present strike will be called off, probably within 48 hours and certainly by the end of the week.

GOMPERS ARRIVES IN THE CITY

His Influence Will be Thrown in Favor of Peace—Ringleaders of Strikers at Public Schools Are to be Arrested, Also the Parents of Many Pupils.

Chicago, May 17.—Although no facts have as yet transpired to fully warrant the prediction, it is asserted both by members of the Employers' association and by the conservative element in the ranks of the teamsters that the present strike will be called off, probably within 48 hours and certainly by the end of the week.

Immediately after leaving his train President Gompers went into conference with President Shea and officials of the local Teamsters' union.

Warrants were sworn out before Judge Mack by Superintendent of Compulsory Education Bodine for the ringleaders of the "strikes" at the public schools and also for the parents of many of the pupils whose children have not returned to school.

EXCEPTIONS.

Jobson—Friends are the greatest consolations one can have in this world. Bobson—You've evidently never met any of the candid variety.—Detroit Free Press.

EVERY SUFFERER WANTS THE VERY QUICKEST CURE.

THE HABITUAL EXPRESSION.

Questions Which Many Persons in Exalted Business Positions Should Ask Themselves.

What kind of an expression do you wear habitually? asks Orion Sweet Martin, in Success Magazine. Is it sour, morose, repellent? Is it a mean, stinging, contemptible, uncharitable, intolerant expression? Do you wear the expression of a bulldog, a grasping, greedy, hungry expression, which indicates an avaricious nature? Do you go about among employees with a thundercloud expression, with a melancholy, despondent, hopeless look on your face, or do you wear the sunshine expression which radiates good cheer and hope, which indicates a feeling of good will and of helpfulness?

RIGHT LIVING MEANS HEALTH, ENERGY AND A CLEAR BRAIN. EGG-O-SEE IS A FOOD ESPECIALLY ADAPTED TO PEOPLE LIVING IN THE SMALLER TOWNS AND COUNTRY DISTRICTS, BECAUSE OF THE ABUNDANCE OF HIGH GRAIN AT HAND. The modern tendency is to take less medicine and pay more attention to the selection of proper food. All physicians and food experts agree that the most healthful and nourishing food is the most healthful and nourishing form of food known. Common food loses some of the essential elements of its food. Other cereals heat blood and are indigestible. EGG-O-SEE is the ideal whole wheat food. It is scientifically steam cooked in airtight sanitary ovens, and its preparation returns all the elements of wheat necessary for health and strength. EGG-O-SEE is not only healthful, but it is the most palatable and best flavored of all whole wheat foods. It will please the discriminating taste. There is only one way to know the real merits of EGG-O-SEE, and that is to eat it. "Nearly Everybody Eats It Now."
