Letter to Thos. Gallagher, Emporium, Pa.

Dear Sir: A painter complained that our cans are too full; unhandy; spill.

It's a way we have, 'tis handier not to be full; but we have a weakness for full-measure. Our gallon contains eight pints; the usual "gallon" is seven.

We'll think it over again; but we like a full can. How much short would you like a barrel? Seven gallons would be the proportion.

Short-measure suggests that the short age is probably not in the cheapest ingredient.

Guess we'll stick to four quarts to a gallon, and fifty gallons a barrel.

The name to go by is Devoc lead-and-zinc.

Yours truly  
F. W. DEVOE & Co.,  
New York.

**HOW GERM DISEASES START.**

People With Weak Stomachs in a Continual State of Danger.

Nearly all disease germs that find lodgment in the system gain entrance with the air we breathe, or through our food and drink.

If the stomach and digestive organs be weak, so that food does not readily digest, they will contain a sour, slimy fermenting mass, an ideal spot for the disease germs to grow and spread through the whole system.

People with a weak stomach are in a continual state of danger, and they should use the best means, Mi-o-na, to strengthen that organ and tone up the whole digestive system. This remedy is a certain cure for all diseases of the stomach, excepting cancer. Used before each meal, it so strengthens the whole digestive system that you can eat what you want and all you want without fear of indigestion. There will be no fermentation of food, and the stomach and intestines will be to clean and pure that disease germs cannot possibly live, when Mi-o-na is used.

If you suffer with headache, backache, variable appetite, nausea, gnawing at the pit of the stomach, sallow skin, heartburn, furred tongue, sleeplessness, and general debility. It shows that the stomach has been overworked and weakened. A fifty cent box of Mi-o-na tablets will give quick and speedy relief.

Ask L. Taggart, one of the most reliable druggists in Emporium, to show you the strong guarantee under which he sells Mi-o-na.

Ten Thousand Churches painted with L. & M., paint, and are most attractive. Liberal quantity always given free.

4 gallons L. & M., mixed with 3 gallons oil, will paint a house.

Wears and covers like gold.

Don't pay \$1.50 a gallon for linseed oil, which you do in ready for use paint.

Buy oil fresh from the barrel at 60 cents per gallon, and mix it with Longman & Martinez L. & M., Paint.

It makes paint cost about \$1.20 per gallon. DeLancey Gregory, Fort Plain, N. Y., writes:

"Have sold L. & M., paint for over 25 years, and everyone is surprised to find how little is required to paint a big house." Sold by Harry S. Lloyd.

Saved by Dynamite.

Sometimes, a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe. At L. Taggart's drug store, price 50c and \$1.00; guaranteed. Trial bottles free.
