Election, Tuesday, Nov. 7th.

Letter to Henry Burns,

Emporium, Pa.

Dear Sir: Why don't we make paint, as many others do, to go three-quarters as far, or two thirds, or half, or a third, or a quarter?

Mr. Aaron Higgins, Plainfield, N. J., always used 15 gallons of paint for his house; Devco took 11.

There are sorts of paint; all paint, true paint, strong paint, full-measure; and part paint, false paint, weak paint, short-measure.

The paint-manufacturers are two sorts; Devco and the rest.

Yours truly

F. W. DEVOE & Co.,
New York.

Ten Times Easier.

It is ten times easier to cure coughs, croup, whooping-cough and all lung and bronchial affections when the bowels are open. Kennedy's Laxative Honey and Tar is the original Laxative Cough Syrup. Gently moves the bowels, and expels all cold from the system. Best for Coughs, Colds, Croup, Whooping Cough, etc. Remember the name, "Kennedy's", and see that the red clover blossom and the honey bee is on the bottle. Sold by R. C. Dodson.

Education is to the human mind what soap and water are to the corroded brass.

If in a kind of bilious mood,

You wish an aid to digest food,

No other pill is half so good

As DeWitt's Little Early Risers.

The Famous Little Pills EARLY RISERS, cure Constipation, Sick Headache, Biliousness, etc. They never gripe or sicken, but impart early rising energy. Good for children or adults. Sold by R. C. Dodson.

When religion is a matter of business, business is never a matter of religion.

Quality vs Quantity.

Hard muscles and strong body do not depend on the quantity of food you eat, but its perfect digestion and proper assimilation. When you take Kodol Dyspepsia Cure your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and conveys the nutrient properties to the blood and tissues. This builds up and strengthens the entire system. Kodol cures Indigestion, Dyspepsia, Bloating, Sour Stomach, Weak Heart, etc. Sold by R. C. Dodson.

Baltimore is to have a big sugar plant but not of the political variety.

No Secret About It.

It is no secret, that for Cuts, Burns, Ulcers, Fever Sores, Sore Eyes, Boils, etc., nothing is so effective as Bucklen's Arnica Salve. "It didn't take long to cure a bad sore I had, and it is all O. K. for sore eyes," writes D. L. Gregory, of Hope, Tex. 25c at L. Taggart's drug store.

No Opium. Absolutely Harmless. All Druggists, 10c, 25c, and 50c.

A Hero by Accident.

"There's no telling what moment a man's fortune may turn or what may decide the turning," remarked the visitor, who had been listening to the interchange of stories.

"That's so," agreed one of the bystanders. "The only question is whether the man's got the wit to see the chance and the grit to make use of it."

"Well, even that isn't always necessary. I was out on the frontier some years back when a young fellow I knew to be a 'white head' was promoted in his regiment and paraded in all the eastern papers for his courage and coolness. He had been sent out to meet an attacking party of Indians. He didn't want to go a bit. He actually trembled when he confessed to me it was his first call to dangerous duty and he'd give anything on earth to be out of the affair. In less than twenty-four hours the station was ringing with the way he had held his ground, even when his men had beat a retreat. It was a miracle he wasn't captured or killed, staying there single handed to face and fire on the advancing foe."

"Just one of those instances of a man finding his native courage in the presence of real danger?"

"Not a bit of it. He was riding a mule, and just at the critical moment the animal planted his feet and refused to budge."—Youth's Companion.

Long Winded Oratory.

It is no new thing for the house of commons to suffer from long winded oratory. As long ago as the sixteenth century Queen Bess soundly rated her lawmakers for not working more and talking less, and some years later Speaker Long actually succumbed to a succession of lengthy speeches. "The house is empty, and so be our stomachs," one impatient member declared. "I pray you, therefore, adjourn the debate for an hour." But the speaker declined to budge from the post of duty, with the result that he was taken ill and died shortly after. Brougham once spoke for six hours on end on law reform, Sheridan and Gladstone both have records of five hour speeches, Mr. Bizzar tied their record, and Palmerston once held forth for four hours and a half on Don Pacifico.

This Girl Knew.

One of the infidels had made an error.

The rosy cheeked girl in the grand stand turned to the young man at her side.

"George," she said, "George instinctively braced himself to meet the question he foresaw as to what had happened and what all the fuss was about."

"Well," he said, "Why don't they put a wooden Indian cigar sign on third in place of that moon faced duffer with the split cipher running gear and the glass arm? That fellow couldn't stop a toy balloon if it was lobbed right into his flippers."—Chicago Tribune.

Pearls Found In Cocoanuts.

"Pearls are not found in oysters alone. Sometimes," said a lapidary, "they are found in cocoanuts. I once cut a coconut pearl. It was the size of a pea, and its quality was good. It resembled an oyster pearl, only it was a little duller. Coconut pearls are found in the heart of the nut. It is thought that they are formed by the hardening of the nut's flesh. They are, so to speak, a kind of crystallized tumor or wart. These pearls are rare. They are rarer than oyster pearls. They are also cheaper than oyster pearls, being less hard and less transparent."—Philadelphia Bulletin.

The Bells of Davos.

The first thing that strikes the stranger in Davos, Switzerland, and strikes him unpleasantly is the bells. Not only does every cow, goat and sheep wear its bell, but when they are all shut up for the winter and we hope for a little rest then comes the infernal, eternal din from every cart, carriage, sleigh, omnibus and all other kinds of vehicle which ply for hire or otherwise. No doubt they become a necessity on the silent highways as winter progresses, but that does not render them one bit more palatable.

Irrigation Is Ancient.

The practice of irrigation is very ancient, water having been stored and distributed in this way in Egypt as early as 2000 B. C. Persia, India, Ceylon, China, as well as Peru and Mexico, also had irrigation works ages ago. Even in Arizona remains of ancient irrigation works can be found, which suggest that that section of the desert may have been compelled by men to "blossom as the rose" many hundreds of years ago.

May Change Her Mind.

Little Ethel (laying down a book)—Do princes always dress in silk and velvet and wear a cap with a white feather and ride a sweet little white pony? Mother—Not now, my pet. They dress just like other boys. Little Ethel (saddy)—Then I don't think I'll ever marry.

Preaching and Practice.

Jinks—I'm ever so much obliged for this favor, and if I ever have a chance I'll do as much—Hello, here comes Binkins! Let's dodge into an alleyway. Binkins—Don't you like Binkins? Jinks—He did me a favor once, and the fellow may want me to return it.

His Model.

Benny—Then the obstreperous beggar whom you turned out of doors was coarse and abusive. Valet—Abusive, my lord! He might have been your lordship himself!

Fame is the perfume of heroic deeds.—Socrates.

STRANGE ADVICE!

Dr. G. G. Green gives alert personal attention to his great humanitarian contract.

In our Almanac for many years past we have given unusual advice to those afflicted with coughs, colds, throat or lung troubles or consumption. We have told them if they did not receive any special benefit after the use of one 75-cent size bottle of German Syrup, to consult their doctor. We did not ask them or urge them to use a large number of bottles, as is the case in the advertising of many other remedies. Our confidence in German Syrup makes it possible for us to give such advice. We know by the experience of over 35 years that one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders. New trial bottles, 25c; regular size, 75c. At all druggists.

"When I had consumption in the first stage," writes Wm. Myers, of Clearfoss, Md., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Huge Task.

It was a huge task, to undertake the cure of such a bad case of kidney disease, as that of O. F. Collier, of Cherokee, Ia., but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit on a chair without a cushion; and suffered from dreadful backache, headache, and depression. In Electric Bitters, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach. Guaranteed by L. Who use molasses demand the best syrup obtainable. Treacle is not molasses although there's much treacle sailing under false colors. The difference between treacle and molasses lies in the fact that treacle comes from sugar in the process of refining, while molasses is obtained in the process of refining. You can not get good out of bad, but you can get the best from the best which comes from the sugar.

We Sell Molasses
