WHERE DISEASE GERMS BREED.

No Need to Fear "Germs" if the Stomach Be Healthy.

The ideal breeding place for disease germs is a weak stomach and digestive system. The food, instead of being assimilated, turns into a sour, slimy, fermenting mass, causing gases, distress after eating, bloating, nausea and flatulency. The poisonous germs that are given off from this undigested food enter the blood, and pimples, boils, and blotched skin is the result. Nervousness and sleeplessness come more often from weakened digestion than from any other one cause. Rheumatism and gout are directly caused by an acid condition of the stomach.

No ordinary food digestive can give lasting relief. It is absolutely necessary, if one wishes to be well, to use Mi-o-na, the only known remedy that soothes and heals the mucous membrane of the stomach and digestive tract, stimulates the solar-plexus, and strengthens the nerves of the stomach. This remarkable remedy puts the whole digestive system in so healthy, clean and sweet a state that fermentation of the food cannot exist, any disease germs in the stomach will be destroyed, and all food will be so well assimilated that a rapid and healthy increase in weight will quickly result.

Mi-o-na is a guaranteed cure for all diseases of the stomach, excepting cancer, a guarantee being given by L. Taggart with every package he sells, agreeing to refund the money should the remedy not give perfect satisfaction.

Few women realize how handsome other women really are.

Always Liberal to Churches.

Every church will be given a liberal quantity of L. & M. paint. Call for it. 4 gallons Longman & Martinez L. & M. Paint mixed with three gallons linseed oil, will paint a house.

W. G. Barr Charleston, W. Va., writes, "Painted Frankenburg block with L. & M. stands out as though varnished." Wears and covers like gold. Don't pay \$1.50 a gallon for linseed oil, which you do in ready-for-use paint. But oil fresh from the barrel at 60 cents per gallon and mix it with L. & M. It makes paint cost about \$1.20 per gallon. Sold by Harry S. Lloyd.
