POLKA DOT CANS Important Memorandum.---Above all, USE GOOD PAINT! The oil! linseed oil! Just pure kinseed is the "life"—the one great requisite of good paint for which there is no substitute—and the sure way to get the pure, fresh linseed oil is to buy the oil and separately. For every gallon of Kinloch Paint buy one gallon of linseed oil. This makes two gallons of -paint, ready for use. You then know that the paint, you're putting on your house is alive—"the genuine oil is in it," and paint is not paint unless it contains 50s of really pure oil. We will further explain the virtues of Kinloch Paint if you will call and see us. HURTEAU & FORBES
