Book agents in New York have found a lot of people willing to pay \$1,000 to get into print.

Senator Depew is going to call on King Edward. Chances are we won't hear anything fit to print.

Ex-officials of the Agriculture Department will soon be numerous enough to form a club.

Those would be assassins in Russia ought to import a few Japs to teach them how to shoot.

Lieut. Peary showed better judgment than Secretary Taft in choosing a summer resort.

When subordinate positions in the Washington departments carry half a million of profit with them, no wonder it is a hard job to fill mere \$8,000 cabinet places.

What the department clerks in Washington would like would be to be paid on a sliding scale, regulated by the height of the thermometer.

The benevolent Hartford Courant wants the Japs adequately protected at the coming peace conference.

WASHINGTON LETTER.

(From our Regular Correspondent.)

Washington, July 29th, 1905.

Editor Press:

The determination of the government to get to the bottom of the irregularities in the Department of Agriculture is shown by the action of the court to-day in the cases of the recalcitrant brokers Haas and Peckham who were subpoenaed from N. Y., to appear before the special grand jury and who refused to answer the questions put to them.

There is another mild sensation in the Department of Agriculture to-day by the presentation and prompt acceptance of the resignation of Dr. Geo. T. Moore of the Bureau of Soils.

There is no offensive or dangerous stomach dosing when Hyomei is used. This reliable remedy for the cure of all diseases of the respiratory organs is breathed through a neat pocket inhaler that comes with every outfit.

The fact that L. Taggart agrees to refund the money to any hay fever sufferer who uses Hyomei without success, should inspire confidence in its power to effect a cure.

As age creeps on a man generally grows fat, while his hair grows thin. Dangerous and Uncertain. For sunburn, tetter and all skin and scalp diseases, DeWitt's Witch Hazel Salve has no equal.

There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach.

Fiendish Suffering. Is often caused by sores, ulcers and cancers, that eat away your skin.

Peculiar Disappearance. J. D. Kunyan, of Butlerville, O., laid the peculiar disappearance of his painful symptoms, of indigestion and biliousness, to Dr. King's New Life Pills.

A Touching Story. Is the saving from death of the baby girl of Geo. A. Eyer, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious Throat Trouble, and two physicians gave her up."

A fat purse will swell the brainless head.

Public is Aroused. The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys.

For Sale. Good bay work team; eight and nine years old; weight 2800; for sale. Apply at Press office.

You can't compel respect with a club. The man who realizes his foolishness isn't wholly a fool.

Most married men have a sneaking regard for Mrs. Somebodyelse.

REMEDY FOR HAY FEVER.

After Trying Other Treatments, Hyomei Was Used With Perfect Success.

Before the discovery of Hyomei the only advice a physician could give his hay fever patients, was to go away from home, but now anyone who is subject to this disease can, if used, stay at home without fear of the annual attack of sneezing, watery eyes, and other discomforts.

J. F. Forbes, a well known Western railroad man, whose home is at McCook, Nebraska, writes "I have never had any relief from hay fever, even temporarily, until I discovered the merits of Hyomei. I always recommend it when occasion requires."

As age creeps on a man generally grows fat, while his hair grows thin.

Dangerous and Uncertain.

For sunburn, tetter and all skin and scalp diseases, DeWitt's Witch Hazel Salve has no equal. It is a certain cure for blind, bleeding, itching and protruding piles. It will draw the fire out of a burn and heal without leaving a scar.

It isn't every fellow who is out of the dough that takes the cake.

The Only Way.

There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will be let down and disease will set up.

We all have a warm spot in our hearts for the ice man.

Fiendish Suffering.

Is often caused by sores, ulcers and cancers, that eat away your skin. Wm. Bedell, of Flat Rock, Mich., says: "I have used Bucklen's Arnica Salve, for Ulcers, Sores and Cancers. It is the best healing dressing I ever found."

Let us hope at least that there will not be servant troubles in heaven.

Peculiar Disappearance.

J. D. Kunyan, of Butlerville, O., laid the peculiar disappearance of his painful symptoms, of indigestion and biliousness, to Dr. King's New Life Pills. He says: "They are a perfect remedy, for dizziness; sour stomach, headache, constipation, etc." Guaranteed at L. Taggart's drug store, price 25c.

The Lassies. Who use molasses demand the best syrup obtainable. Treacle is not molasses although there's much treacle sailing under false colors. The difference between treacle and molasses lies in the fact that treacle comes from sugar in the process of making, while molasses is obtained in the process of refining. You can not get good out of bad, but you can get the best from the best which comes from the sugar. We Sell Molasses That comes from the best and it is the best.
